The FREE Sewing Machine

(Invented and patented by W. C. Free)

Because—

The FREE runs lighter for tired limbs,
The FREE sews faster for aching backs,
The FREE is noiseless for exhausted nerves,
The FREE makes a perfect stitch for weak eyes,
The FREE is more beautiful for artistic homes,
The FREE will give you a life-time of service.
Two wonderful improvements make this machine superior to all others.—The Rotoscillo Movement causing The FREE to run as light as a feather, and the Toggle Link Movement which removes all noise and friction. You cannot afford either for your health or money to use your old machine any more than you can afford to cook in a fire place or travel in a covered wagon.

Trade your old machine for THE FREE Sewing Machine

The FREE is absolutely guaranteed for life. We don't have to put a time limit on our guarantee, because we know The FREE is built to last a lifetime. **\$1.00 a Week** for a short time pays the difference between your old machine and this beautiful piece of parlor furniture.

This offer to buy your old machine is good only during the introduction of this new model

Cheaper and Better Than Hard Coal Guaranteed to Give Satisfaction

The Fuel Without a Fault

Some Facts About Solvay Coke

From Sept. 1, 1914 to Jan. 31, 1915 I sold 190 tons of Solvay Coke. Over the same period this season Sept. 1, 1915 to Jan. 31, 1916 I sold 614 tons of Solvay Coke. These facts speak for themselves. If Solvay Coke did not give satisfaction in every respect I would not be selling three times as much as I did last season.
