## The Proof

**D**ON'T accept claims or opinions. Every man selling an automobile will tell you his car can be run at low cost.

He'll tell you this because he knows and you know that gasoline, oil and tires are costing more and more all the time. He knows and you should know that the operating cost of any automobile during five years' time is worth your careful consideration.

We don't give you any guesswork. We tell you what we know. We state the facts and figures—proved and verified figures. Here they are:

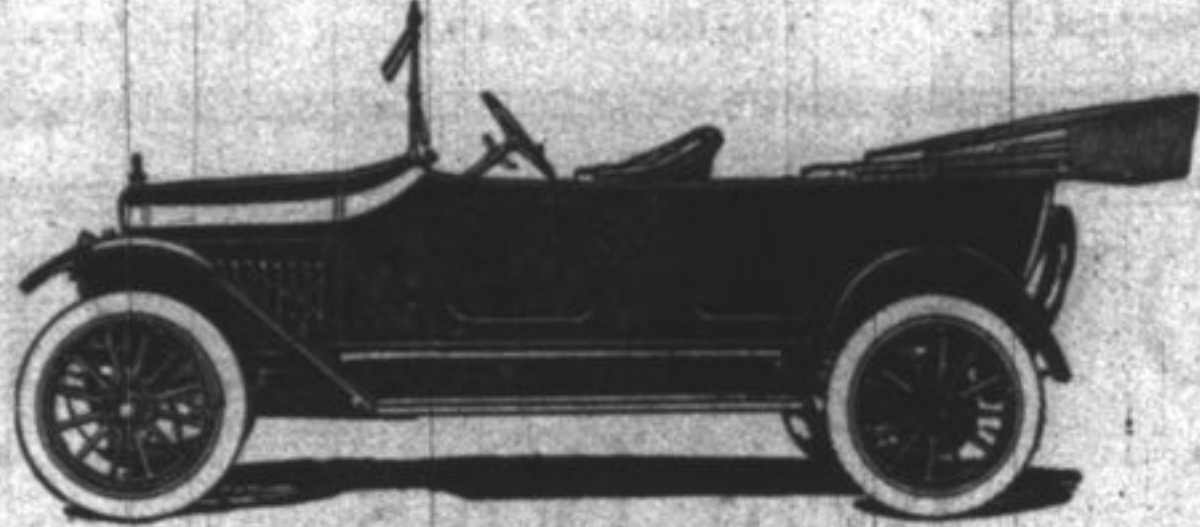

Miles without a motor stop.....	22,023
Average miles per day (44 days).....	500.6
Miles per gallon of gasoline.....	21.88
Miles per gallon of oil.....	400
Average miles per tire.....	9,871

Most Maxwell owners get even better results than these but we are just giving the actual figures set when the Maxwell stock touring car broke the World's Motor Non-Stop Record.

When you get your Maxwell you can be sure it will give you economical service—probably far more economical than these figures indicate. But to be sure that you can get your Maxwell, **ORDER NOW.**

We have a few here but don't know when we can get more. Freight cars are scarce and the Maxwell factories, in spite of doubled production, are away behind in shipments.

### Deerfield News Items

St. Patrick's Day was marked in Deerfield by a number of events in which reverence, joyousness and colorful pageantry were the keynotes. One event that was planned with a view to impressiveness was the party at Anderson's Hall where seventy-five guests gathered for a frolic and it proved the crowning social event of the season. There was a preponderance of green in the decorations. The guests not wishing to partake in the dancing enjoyed a number of games of five hundred at which Mr. Ed. Selig and Miss Laura Karch were the successful prize winners. Every girl present wore her prettiest frock and every girl was a belle, for there were plenty of partners for all and scarcely one dance number over before a new partner presented himself to claim the next dance. The young ladies in charge of the party were the Misses Marie, Loretta and Ruth Kress, Mabel and Elda Horenberger, Hermine Haunschild, Martha Karch, Clara Pyle, Edith and Sigrid Anderson, and Florence Carolan.

The township election which is to be held on April 4th is sure to be a closely contested one, there being twelve candidates to fill five offices. All candidates are by petition. For Supervisor: Mr. Geo. Roekenback, Mr. Lincoln Pettis, Mr. M. Horenberger. For Town Clerk: Mr. Milton Frantz, Mr. Peter Leist, Miss Josephine Woodman. For Assessor: Mr. William H. Steffes, Mr. Fred Man. For Collector: Mr. Peter Duffy, Mr. Fred H. Meyer. For Highway Commissioner: Mr. J. W. Doyle, Mr. E. E. Fritsch. Miss Woodman's entry into the field will live things up and it is expected a full vote will be cast by the women.

On Wednesday evening, March 15, Miss Frances Biederstadt gave a pupil's piano recital at the home of Mrs. Fred Horenberger. Among those who made their first appearance at a recital were Kenneth Haggie, Virginia Supple, Myrtle Schlie, Ewart Goldring, and Polly Wyles of Highland Park. Others on the program were well known pupils of Miss Biederstadt who have played at both private and public recitals. Following the musical numbers a demonstration of ear training and table technique created great interest as it gave parents an insight of the work carried on in the studio. Rhythm drills and transposition work also called for special attention. Miss Biederstadt closed the program with two piano numbers, "Spring Song," Grieg; "Marche Mignonne," Poldini.
