54 of the 64

Statistics of a big life insurance company show that beginning with 100 healthy Americans, we find 64 living after 40 years, and 54 of the 64 dependent upon relatives, friends or public charity.

This is indeed food for serious thought. Will you be one of the 54? Emphatically, No. Banish the thought to-day by planning and providing at least a modest competency. Persistent, systematic saving will do it.

Sugar Cookies—One cup of butter and two of sugar, beaten to a cream; three eggs beaten separately, yolks put in first, then whites; flavor with a very little almond, and last stir in just enough flour to enable you to roll out thin. Cut in squares, place them in floured pans, and brush each one over with white of egg, and sprinkle with granulated sugar mixed with a very little cinnamon; put a split almond on each and bake.

"Well, take my order, please, and get them up in time for dinner."

Last week saw the end of the class basketball games the "post grads" were victorious over all the classes but were beaten by the faculty in the last game last week. The game was a very close, exciting one.

The indoor track team results of last Thursday and Friday were: Juniors 36, Seniors 28, Sophomores 14, Freshmen 14. Outside base ball practice begins this week and prospects for a great team this year are very bright. Emmett Duffy is captain of the team. The first game is to be with Morton Township High School on the fifteenth, there.

Good material for track has shown up and there will also be a good tennis team to be represented in the suburban league.

The annual dinner for the high school boys and their fathers will be held on Saturday evening at the high school. The following program will be given, Song, "Old Tommy" by the Boys' Glee Club; "Deerfield-Shields," P. C. Wolcott, D. D.; "The Boys," Fairchild Doty, 1916; "The Grads," Mr. Daniel Cobb, 1905. Presbyterian Church Notes

There will be a meeting of the Missionary Society of the church in the church parlors on Monday afternoon, next at three o'clock. The meeting will be in charge of the foreign department. Mrs. Bryan Y. Craig will speak on "Latin America."

One hundred and ninety members of the church and congregation were present at the annual dinner at the evening, which proved to be one of the most delightful events in the life of the church during the year, and will be repeated annually hereafter. The dinner was followed by a very interesting program of music interspersed throughout the business program, which consisted of a few brief addresses and reports for the past year, which were most gratifying and the election of officers.

The reports showed one of the most successful years in the history of the church, in benevolences, current expenses and the largest number of communicants ever reported. The actual membership of the church now aside from a large active constituency, was reported to be 405; 187 of whom have been received into the church during the present pastorate of a little over five years.

Aside from the re-election of former officers, the following new officers were elected:—

Elders—Messrs. C. E. Harbaugh, John Gourley and Frederick A. Watkins.

Trustees—Messrs. Henry W. Boyd and Otis L. Beardsley.

Deacons—Messrs. A. J. Wetzel, George G. Greene, Rex L. Jones, A. L. Renning, Roland Hastings, Chas. F. Everett, William R. Ruffner, Norwood Bard and Fred Clow.

The installation of these new officers will take place one week from next Sunday morning.

Next Sunday morning the pastor will preach the last sermon but one in a series on the Lord's Prayer, taking for the text, "And lead us not into temptation, but deliver us from evil."

Beginning Palm Sunday special evangelistic services will be held in this church every evening until Easter.

North End M. E. Church

Tonight the Sewing Club will meet at seven-thirty o'clock at the parsonage.

Tomorrow evening there will be a business meeting of the Epworth League at seven-fifteen, followed by a cantata rehearsal at eight-fifteen.

The S. M. B. Club election of officers which took place last Saturday evening resulted in the election of Carl McGath, president; Fred Jerhend, vice-president; Clarence Smith, secretary; Julius Laagler, sergeant-at-arms and Chester Hasney, sergeant-at-arms. The officers are elected for a term of six months.

Dr. Lesemann, of Evanston, who is superintendent of the Chicago-Northwestern District of Methodist Churches, will preach next Sunday evening at eight o'clock.

Gam's Dry Humor.
When the gallant Welsh captain, David Gam, was sent forward by Henry V. to reconquer the French army before the battle of Agincourt he found that the enemy outnumbered the English by about five to one. His report to the king is historic:
"There are enough to be killed, enough to be taken prisoners and enough to run away."

This quaint forecast of the result of the battle at once spread through the camp, and doubtless every yeoman archer of the valiant company felt an inch taller. We know that it was almost literally justified by the event. Poor Gam's dry humor was equaled by his courage. He was killed while in the act of saving the life of his prince—London Standard.

Distilled Water.
Distilled water after having been exposed to the air is one of the most salutary of drinks. Its daily use in measured quantities is helpful in cases of dyspepsia and greatly assists the general functions of the body. Every large steamer carries a water distilling apparatus by which sea water is made fresh. In the days before steamers primitive distilling apparatus was used on warships and vessels carrying passengers.

Well Fitted.
"Yes, grandma, I am to be married next month."
"But, my dear," said grandma earnestly, "you are very young. Do you feel that you are fitted for married life?"

"I am being fitted now, grandma," explained the prospective bride sweetly. "Seven gowns!"—Kansas City Journal.

More Than the Average.
Mrs. Wayup—How much sleep do I need, doctor? Doctor—Well, the average person needs about seven hours.
Mrs. Wayup—Then I shall take about fourteen. I consider I am much above the average.—Judge
