

Mosquito and Fly Nuisance to Go

Mr. E. E. Farmer Announces the Organization of the Highland Park Sanitary Co.

Who has recently purchased a new 2-ton Auto Truck which is divided into three sections, one for ashes, one for tin cans, one for garbage. The Company has put this Truck into service to better sanitary conditions of Highland Park. Garbage will be called for in the mornings thereby doing away with the mosquito and fly nuisance during the day.

Every Saturday will be Clean Up Day

In order that our city may be kept clean the Company will put the Truck in service Saturdays for a general "Clean Up" and will take away rubbish of every description for a very reasonable price.

All Calls Will Receive Prompt Attention

No horses to tramp up your driveways. No ill-smelling open wagons. Truck thoroughly cleaned every day.
