

# ?? ARE YOU WAITING ??

HERE is just this much to it—if you don't plant your hardy flowering plants now or the shrubs you have been talking about so long you lose a whole year's growth.

By far too few of us appreciate just what this means. We keep on putting things off and off until too late. After all is said and done there are only a few short years to do things in, the older we get the more we realize this—we keep on waiting—for what?

There is no better time than the present to plant. If you are fortunate enough to live on this beautiful North Shore and have a little piece of outdoors you call your own, plant and keep it up, keep on surrounding yourself with flowering things, such as will grow and flower and make your Homegrounds worth while and don't wait for tomorrow to do it.

It is only of late years that we have been paying the proper attention to hardy flowering plants such as will increase in beauty and value from year to year. While they blossom the first summer, it takes most of them a year to get properly established and this means that if you like a few Larkspur, hardy Phlox, Columbines, Poppies, Iris, Peonies, Shasta Daisies or some of the many other beautiful Perennials, you should plant right now and gain a year, they are so inexpensive that there is hardly a Homeground

in our city where the owner can't afford to get at least a few. What can be more bright and cheerful, more attractive, more beautiful or becoming to surround the Home than Flowers. The Homeground without the Lawn, Trees and Flowers is no Homeground at all and grounds which have acres of Lawn and a Forest of Trees is not complete without Flowers somewhere, while the smallest humblest cottage with a lot of flowers surrounding it makes you stop and admire it.

A Perennial border should contain an assortment of hardy Flowering plants which will give you a succession of Flowers all through the season. Do you know how to arrange such a Border, know the proper dimensions such a Border should consist of or what the cost? No—why not find out—that's what we are here for—it doesn't cost you a cent—whether you have \$2 to invest or 200 of them, why not get started now—don't delay—let's hear from you—we are awfully busy and will be until the 4th of July and on the 5th of that month we start the Fall campaign, but we are never too busy to cheerfully answer all questions regarding Flowers, to help you in every way possible to be successful with your Grounds to make them attractive, any question that may come up and puzzle you, we will answer for you quickly and satisfactorily, but get started NOW and plant before too late.

Mrs. Lydia Hoyt was given a very pleasant surprise Monday evening when a number of school children presented her with a very pretty "May Basket" full of wild flowers. Mrs. Hoyt was very much pleased with it and also delighted to know that the school children remembered her.

Mrs. M. J. Clark celebrated her 70th birthday anniversary at the home of her daughter Mrs. W. A. Whiting Tuesday.

#### Obituary

Mr. Lawrence C. Duffy, aged fifty-eight years and an inmate of the Railroad Men's Home in this city, died at the Home on Saturday following an attack of locomotor ataxia. Funeral services were read by Rev. P. C. Wolcott at Prior's undertaking rooms on Sunday. The burial took place at Mooney's cemetery. Mr. Duffy came from Ogden, Utah, twelve years ago, and has been a wheel chair patient ever since. He was a member of the Order of Brotherhood of Railroad Trainmen, Lodge 68. He leaves to survive him a wife and daughter of Chicago.
