Seeding Time

Glorious springtime is here. It is the season when man goes forth to prepare the soil and sow the seed, happy in the thought, enthusiastic in the knowledge that true to the laws of Nature—as he sows, so shall he harvest.

Youth is the glorious springtime of human life. It is the time for preparation, the season for sowing the seed, in the happy anticipation of a harvest of comfort and independence in our declining years.

Starting a bank account is sowing the seed for a competency. We welcome you at seeding time.

There will be music by the station band, The Chicago and Northwestern Railroad Co. has made arrangements for a special train to leave Highland Park at seven-thirty and will return at the end of the entertainment. All those going are requested to send in names as early as possible, and it is the desire of the president and board of directors to have all members avail themselves of this opportunity.

The annual club dinner and election of officers took place at the club house Saturday evening.

At the business meeting the following officers were elected: president, William R. Tapper; first vice president, Carleton M. Vail; second vice president, George A. Mason; treasurer, Frank L. Cheney; directors: Arthur W. Jerrens, Herman Thomas, Irving Randall, Walter Baldwin and E. B. Metzler.

High School Notes

On Saturday the base ball team will play Proviso Township High School at the home grounds.

Deerfield has entered the Inter-scholastic Track Meet to be held at Lake Forest on Saturday.

On Tuesday afternoon the baseball team will play New Trier there.

On Tuesday of last week the cadet corps went to Fort Sheridan for rifle practice in charge of four teachers and two sergeants at the post. Those making highest score were Leslie Grant and Arch. Bowen. Mr. McMain an instructor at the high school made a high score also. The boys had a camp on the lake shore and although they got wet during the showers in the afternoon they reported a very good time.

A large number of people would make use of the swimming pool and its wonderful advantages, if they knew that it is entirely open to the public. The water is absolutely free from impurities of all kinds and in some cases it is more pure than the drinking water in most homes. There is a most effective system of pumping and filtration which is in constant working order. At all times the analysis has shown pure wholesome water.

Tickets for the Senior Class Play are now on sale by the students. The play, which will be given at Ravinia Theatre Friday evening, May 19th, is a Shakespearean pageant, full of pleasing color effects, dancing, singing and scenes from several plays. There will be a happy combination of humor, of sentiment and of pageantry that cannot fail to please. Next week's issue will contain a synopsis of the program.

The high school will be represented in the speaking contest held at Lake Forest Friday afternoon.
