

You and Your Home Grounds

THIS is a sort of a last appeal to you to plant Hardy flowering Plants, Shrubs and Trees. We have arrived at the close of another planting season, it either means for you and us to get busy or lose a whole year's growth.

Almost everything in the way of Peonias, Iris, Canterbury Bells, Foxglove, Columbine, Larkspur, Phlox, Sweet William, Coreopsis, Hydrangeas, Honey suckle, Almonds, and others can still be planted but don't put it off any longer.

Do you know that we have some excellent out door Roses which will all flower this summer, if you thought of a Roseborder or bed of Roses, let's get at it right now, there are also some fine climbing Roses worth your consideration, we have them all in pots—if you don't think you have a proper place for them let one of us come over and make sure—it doesn't cost anything and we will tell you facts.

If you don't intend planting hardy stock may be that you think favorable of a Veranda or Window box, a Rustic Tub out on the Lawn or a few Hanging baskets on the porch, it would help to brighten up the Homegrounds, help to make them attractive to you, the family, the visitor, in fact the whole Town would benefit by it.

How about a few Flower borders—there are as yet not nearly enough Flowers in Highland Park—you can do such a lot with just a few dollars—call on us to help plan things for this summer, it doesn't matter how little you want to do, let's get in on it—You don't call on Bahr **We both lose.**

Some one said the otherday that Bahr is "Some Florist". Take that the way you want to, that much is certain, there are more Flowers used in our Town in proportion to its size than any other along the North Shore, better kept up Homegrounds and more interest taken in Gardening especially on the smaller grounds and part of all that is due because Bahr helped.

If you haven't started to take an interest in your Homegrounds—get busy—for your own good, brighten up things, beautify and create the proper environments around the Home, it will go a long way towards making you and yours to think more of it and of others, it will have its good effect on every body passing by and they again will benefit others by it. No end to the good you do—so get started **NOW.** We have everything for planting and what we haven't got we get from the best sources in the country, our experience is at your service, no one possibly could be more anxious of pleasing you than we are and everyone connected with us has that fact impressed on their minds every day and twice on Sundays and we want to impress it on you.

Deerfield Parent-Teacher Association

Friday evening the Parent-Teacher Association sponsored a successful entertainment in the Assembly Hall of the Grammar School. Four reels of moving pictures were shown, two comedies and a two-reel drama, "The Falling Standard." Following this an orchestra appeared, the floor was cleared, and dancing was participated in by the young people. Light refreshments were served by the social committee. The chaperones were Mesdames Jordan, Oscar Beecham, Mabel Schaffer, Reichelt, Jr., Wm. Galloway and Miss Sadie Galloway.

An interesting recital by reason of the excellent playing of the pupils of Miss Ida Knaak, was given at the home of Dr. Knaak Wednesday evening. The following program was presented:

In Autumn—Miriam Stryker.
Snow Queen, The Bee in Clover—Marie Gloden.

At the Mill—Laurel Stryker.
Falling Stars (Duet)—Mary Benson and Alfreda Knaak.
