

Gas Range Week

is here.

May 8th to May 13th

Our sales already made this week have indicated clearly that our patrons have looked forward to this annual event and appreciate the value of the special inducements offered.

With the cost of materials and labor advancing continually, stove manufacturers have been compelled to advance the list prices on all makes of ranges 15% since April 1st with the positive assurance that another 15% will be added before the end of the year.

Our prices are the same as last year and we offer you \$5.00 to \$10.00 for your old gas or coal range

See the new 1916 model gas ranges in the North Shore Trust Bldg. opposite the Gas Office on Sheridan Road.

New Sanitary Truck

Now in Service

We have recently purchased a new 2-ton Auto Truck which is divided into three sections, one for ashes, one for tin cans, one for garbage. The Company has put this Truck into service to better sanitary conditions of Highland Park. Garbage will be called for in the mornings thereby doing away with the mosquito and fly nuisance during the day.

Every Saturday will be Clean Up Day

In order that our city may be kept clean the Company will put the Truck in service Saturdays for a general "Clean Up" and will take away rubbish of every description for a very reasonable price.
