D. L. & W. Scranton **Anthracite Coal** **Pittston**
 Prices on Anthracite Coal for the month of May will be as follows:
 Large Egg.....\$8.35 per ton
 Small Egg.....8.60 per ton
 Range.....8.60 per ton
 Chestnut.....8.85 per ton
 Pea.....7.60 per ton
Chicago Solvay Coke, "The Fuel without a fault."
 Egg and Stove size—for furnaces and boilers.....\$6.85 per ton
 Nut size—for stoves and water heaters.....6.85 per ton
 There will be an advance of 10c per ton on these prices on the first of each month from June 1st to September 1st, making prices next fall and winter 40c per ton higher than above.
 Owing to the delay in getting the prices there has not been so much Coal taken in so far this spring as there was up to the same time last spring and consequently there will be more Coal that will have to be handled next fall if everyone waits until then, which with usual car shortage which there always is in the fall will make Coal hard to get forward.

 It will save you money and you will be playing safe.
