Vercoe is the busiest place in town. Typewriters are humming merrily from early in the morning until closing time. Office clerks are busily engaged in signing, folding and sealing letters.

An attractive folder giving in complete detail the plans of the new hospital and the forthcoming campaign are now on the press and will be in the hands of every citizen of Highland Park before the campaign opens.

The committee that aided in the first fund raising effort will come to the front again, and will give their active assistance in securing donations during the four day campaign, and these will be augmented by the Mayor's Commission of Four Hundred and a Women's Committee of which Mrs. A. R. Carqueville is general chairman.

A meeting of the presidents of as many of the local women's clubs and church societies and other organizations as could be reached, was held Saturday and thirty enthusiastic women were in attendance.

Mrs. Carqueville was made general chairman, with the following ladies as vice chairmen, this list to be increased at a second meeting of the women to be held next Monday:

Mrs. W. A. Alexander, Mrs. H. S. Harkin, Mrs. Otis L. Beardley, Mrs. F. M. Terry, Mrs. H. B. Roberts, Mrs. Fred D. Porter, Mrs. J. P. O'Neil, Mrs. William Dooley, Mrs. L. G. Wood, Mrs. Frank E. Grel, Mrs. Chas. E. Boyd, Mrs. Kathryn Kelley, Mrs. Anson Morgan, Mrs. Carl Booth, Mrs. E. W. Brown, Mrs. C. A. Harkness, Mrs. Ullmann, Mrs. E. M. Umbach, Mrs. A. W. Vercoe, Mrs. H. F. Mochilke, Mrs. Carrie Kuist, Mrs. Lloyd Bergen, Mrs. Fred Moon, Mrs. Gordon Buchanan, Mrs. Chas. Lehmann, Mrs. Williams, Mrs. G. G. Taylor, Mrs. Josephine Woodman, Mrs. Sidney Holland, Mrs. Jno. W. Welch, Mrs. Arthur Van Schaick, Mrs. Richard Tuttle, Mrs. Geo. Macdon, Miss Mary Sedgwick, Miss Elizabeth Towne, Mrs. Tetreau, Mrs. Seery.

Next Monday's meeting will be held at 3 o'clock at Trinity Parish House and Mrs. Carqueville invites every women's organization, club, lodges and church societies, the West Side, East Side, Deerfield and Highland to send representatives. The president and as many of the members as can attend will be most welcome.

The meeting is intended for the vice presidents, representatives of organizations, group chairmen and the members of committee and also for all ladies of the Mayor's Commission of Four Hundred.

White City Opens Saturday

Saturday, May 27th, is the date announced for White City's formal opening for the season of 1916.

So many new features have been installed this year that the general aspect of White City is almost changed. New buildings for the new shows dot the grounds and the impression is one of complete rejuvenation.

The one of most prominence, however, is the new Roller Skating Rink. On entering the park one sees this mammoth structure which measures 250 x 110 feet, brilliantly illuminated and is promised will be an eye feast and complete in every detail.

The season's free attraction will be a musical melange called the "Review of Revues," said to contain a bevy of pretty girls and melodious music.

"Neptune and His Daughters," a marine divertissement, is one of the new attractions and the swimming and diving nymphs will undoubtedly attract a large attendance to witness their aquatic achievements.

Ladies and children will be admitted free every afternoon save Sundays and holidays, as in former years.

HOSPITAL CAMPAIGN (Continued from Page 1) dents not having automobiles can reach friends in the hospital without walking a great distance. Absolute quiet and lots of fresh air are essential and the committee believes that taken all in all the site upon which it has an option is the most desirable.

The \$60,000 campaign is the chief topic of interest just at present, and the suite of campaign offices at No. 8, 9 and 10 Sheridan Block, donated through the courtesy of Mr. A. W.

The exact formula on every can

Even an expert cannot tell by looking at varnish whether it is adulterated. That is why it is so important that you should always buy varnish with a guarantee formula.

DEVOE
THE GUARANTEED
VERNOSITE THE LONG LIFE SPAR VARNISH
PALE INTERIOR VARNISH
MARBLE FLOOR FINISH

For outside work and all surfaces exposed to water, use Vernosite. It will not turn white from rain or sleet and the sun will not blister it.

For inside woodwork where extremely transparent varnish is required, use Pale Interior. It preserves the natural beauty of the wood, is hard to mar and won't scratch white.

For all floors use Marble Floor Finish. It waterproofs the wood, and enables it to withstand the severest wear and tear without marring.

We strongly recommend these three varnishes, because the guarantee formulas on the cans prove that they have been properly aged and that they are absolutely free from rosin and other adulterants.

Never take chances with varnish. Get Devoe and be sure.
