BASE BALL
 (Continued from page 1)
 In all sincerity it has become a matter of life and death with me. I dare not communicate my state of mind to my friends for they are not relied upon these days. So in my distress I appeal to you. I know I am asking a great deal of you, for while you consider this I ask you to put aside all work and social duties and devote your proper consideration to the question.
 I hardly dare sign my name for fear other eyes than yours may see this letter. So casting discretion to the winds I ask you out of the fullness of my heart, "Do you think the weather will be such as to allow the home ball club to stage a game next Sunday?" Anxiously yours,
FUNNY FAN.

Anthracite Coal Pittston
 Prices on Anthracite Coal for the month of May will be as follows:
 Large Egg.....\$8.35 per ton
 Small Egg.....\$8.60 per ton
 Range.....\$8.60 per ton
 Chestnut.....\$8.85 per ton
 Pea.....\$7.60 per ton
Chicago Solvay Coke, "The Fuel without a fault."
 Egg and Stove size—for furnaces and boilers.....\$6.85 per ton
 Nut size—for stoves and water heaters.....\$6.85 per ton
 There will be an advance of 10c per ton on these prices on the first of each month from June 1st to September 1st, making prices next fall and winter 40c per ton higher than above.
 Owing to the delay in getting the prices there has not been so much Coal taken in so far this spring as there was up to the same time last spring and consequently there will be more Coal that will have to be handled next fall if everyone waits until then, which with usual car shortage which there always is in the fall will make Coal hard to get forward.
