THE PROPOSED BUILDING FOR HIGHLAND PARK HOSPITAL
 Cost of Building \$26,000 Equipment and Furnishings \$14,000 Endowment \$50,000

Every man or woman who gives \$10.00 or more will have a voice in the selection of the location of the new hospital. Each \$10.00 share entitles the voter to one vote. If you give \$100.00 you have 10 votes. The vote of the stockholders will decide where the hospital is to be located.

Mayor Hastings threw a lot of light upon the Highland Park Hospital project at a most enthusiastic and interesting meeting of the women of Highland Park held at Trinity Parish House on Monday afternoon. The meeting was called for the purpose of completing the women's organization for the whirlwind campaign which is to open on June 8th. Practically all of Highland Park's most important clubs and other women's organizations, church societies, etc., were represented. In every organization a chairman has been appointed and is securing a number of ladies to work on her campaign committee.

The personnel of the campaign includes the names of many of the most prominent women in all the circles in Highland Park, showing a widespread interest.

Mrs. A. R. Carqueville, the general chairman of the women's section, presided, and Mayor Hastings gave a resume of what has already been accomplished and told of the plans for

the new hospital. He confined his remarks to a great extent to answering questions that have been asked concerning the site. "We want to give to the people of Highland Park the kind of a hospital that they want. We want to place it in a section of the city that will not be objectionable to any of our residents. We want to have a perfectly equipped, modern institution that will be second to none in Chicago or any other city, except perhaps in point of size. Naturally, we do not propose to have a great ungainly building which would be empty most of the time. Our purpose is to have a small modern building, and to establish the hospital on the unit plan, erecting new buildings as the population of the city causes an increased demand.

"We propose to spend \$26,000 on the building, not under \$14,000 nor to exceed \$24,000 on furnishings and equipment. The other \$50,000 will be used for endowment.

"We have 7,000 people in Highland Park today. In a very few years we will have 15,000. Our duty is to provide for the future as well as today, and we believe that we are fulfilling that duty by building on the unit plan which permits our adding new buildings as may be necessary.

"The hospital will be a thing of beauty and a building which will not

REGULAR MEETING OF THE CITY COUNCIL

W. L. MEYERS APPOINTED MARSHALL

F. D. Everett, R. W. Hawkins and John Oliver Re-appointed Members of the Library Board by Mayor Hastings

By Publicity Commission
 At the meeting of the City Council last Friday afternoon all members were present, Mayor Samuel M. Hastings presiding.

Upon a motion of Commissioner Huber, a refund of \$5.0 was allowed Wm. E. Bletsch for overpayment of vehicle tax.

The plat presented by E. C. Day for Block 77, which is located on South Linden Avenue, was accepted, upon a motion by Commissioner Willis and subject to the approval of Corporation Counsel Holmes.

The reappointment of F. D. Everett, R. W. Hawkins and John Oliver as members of the Library Board was announced by Mayor Hastings and confirmed by the council.

Wm. L. Meyers, who has been serving as assistant marshal since the resignation of Chas. S. Boyd several months ago, was appointed marshal by Mayor Hastings. During his service as assistant marshal Mr. Meyers has proven himself efficient and worthy of this promotion. The office of assistant marshal will be vacant for the present.

Commissioner Hitchcock presented and moved the payment of the following bills:

Chas. E. Russell, engineer.....	\$28.50
H. P. Andersen & Co.....	25.95
Chicago & Northwestern Ry. Co.....	122.95
Fred W. Rubly, city collector.....	127.67
L. Stevenson, Secretary of State.....	7.50

Motion prevailed.
 Commissioner Hitchcock moved that the rebate due W. D. Mesinger in special assessment No. 87, approved by the Council January 29th, 1915, amounting to \$33.42 be paid. Motion prevailed.

Commissioner Hitchcock moved that the bond of Wm. L. Meyers as city marshal, with Albert Larson and Fred Schaefer as sureties, in the sum of \$1,000.00, be approved. Motion prevailed.

Commissioner Hitchcock moved the adoption of an ordinance designating the Continental & Commercial Trust & Savings Bank and the Highland Park State Bank as depositories for the funds of the City of Highland Park. Motion prevailed.

Commissioner Huber announces that on Monday, June 5, a new city wagon will pick up all rubbish placed on the parkways, free of charge. This, however, does not include garbage.

EMIL BIRELL RECEIVES BAD BURNS

In a Jane McAllister Hospital, Waukegan and Doing Nicely

Emil Birell of Highwood, aged 32, years, single, had a miraculous escape from death early Thursday morning when he came in contact with electricity on the high-powered wire on the C. & M. E. at Twenty-second street, North Chicago. Just how many volts of electricity he received cannot be determined. A bad wound was burned in his right leg inside the thigh and a finger on each hand was terribly burned. He was rushed to the McAllister hospital, at Waukegan, where Dr. Knight attended him, and he is reported as doing nicely.

Hunting in Illinois Limited

It seems one of the incongruities of our statutes that licenses issued in one state every year for hunting render the holder liable to arrest and fine when he attempts to make use of them without first obtaining permission from the property owner who have the sole rights for anything of this kind, and even then get without licenses.

Hunters should bear in mind that while you may obtain a permit for hunting, the said permit is really of no value except accompanied by permission from the owners, that is, the farmer or the owner of the estate. As your license gives you no right whatever except on the public domain. This, of course, is so much restricted as to make it hardly worth while.

BESLEY BREWERY TO QUIT WAUKEGAN

"George Hutch" Celebrates 44th Anniversary of Service in the Lake County Court House. Same Fourth at Waukegan

Brewery to Quit Waukegan

Unwilling to try to operate within "dry" territory and unwilling to attempt to combat the fate which usually overshadows concerns of its kind operating in a territory where it cannot sell its own product, the Besley brewery of Waukegan is to quit.

It is to close up for good; it will sell what equipment it can get rid of as equipment and then put the rest in a junk heap. Its buildings then will either be torn down or sold for other manufacturing purposes.

It develops that the company is now running out what beer it had started some time ago and inquiry shows that no new lot has been started since a month ago.

The Besley brewery is one of the oldest breweries in this section of the state. It was started by William Besley who, upon his death, left it to his sons. They operated it many years and then sold it to other interests, R. S. Barnum becoming manager for some time. It was under him that the sale was made whereby Mr. Snelling has been manager for the past four years.—Waukegan Gazette.

44 Years in Court House

Forty-four years ago the 28th of May, George Hutchinson first took his position in the Lake County court house as official there. The town clerk and assistant recorder has been a constant incumbent ever since. George was in a reminiscent mood (Continued on Page 8)

BIG CROWD AT PREPAREDNESS PARADE

Between Five and Ten Thousand Visit Fort Sheridan Decoration Day

The Preparedness Parade and Patriotic Gathering at Fort Sheridan on Decoration Day was attended by one of the largest crowds ever assembled in Lake County, estimated at all the way from 5,000 to 10,000. The line of parade was laid out by Major Grote in such a manner as to assemble at the reviewing stand. It was led by the Cadet Corps and band from the Deerfield-Shields High School, followed by veterans of the G. A. R. of Waukegan, Libertyville, and other Lake County towns and were well represented considering their age, Spanish-American war veterans, uniformed Order of Austrians from N. Chicago, Boy Scouts, large delegation of school children carrying flags, business men and citizens. The parade grounds being wet kept a large number from taking part in the parade and made it impossible for the automobiles to enter. The weather did not permit the flight of the airship as advertised.

After the parade had assembled at the reviewing stand patriotic addresses were made by Mayor S. M. Hastings of Highland Park, Mayor William Mather Lewis of Lake Forest and Mr. Horace Cooke of Lake Bluff. Mayor L. B. Jolley of North Chicago introduced the speakers and acted as chairman for the afternoon. Rev. Evans of Waukegan offered a prayer of thanksgiving for our flag and our country.

Mayor Hastings spoke in part as follows:

"From the bitter snows of Valley Forge to the glorious days of Santiago our flag has never known defeat. The Flag that represents our nation holds out the hope and promise of this great country to every child born in the air of liberty. Every American should be taught what the (Continued on Page 8)

REGULARS WON DOUBLE HEADER THIS WEEK

WEST SIDE TEAM ALSO VICTORIOUS

Regulars Out For North Shore and Lake County Championship. Large Crowds Attend Games this Season

By "Cupid"

The Winnetkagine arrived in Highland Park Sunday and defeated our strong home bunch by the score of 5 to 3. The visitors played good ball and after one man being down in the ninth took the game out of the fire by sending two men across the plate. The game was close all the time and the pitching on both sides was good. The grounds are in fine shape now and are going to be kept that way. The crowd that turned out seemed to be well satisfied with the game and now that we have some of the old time "pep" behind our bunch, we are going to play real ball and win. We are confident in the course of the next few weeks we will have a much larger crowd turned out. The boys have been working hard lately to fix up the grounds and I am sure they deserve a good crowd, a home crowd, a bunch of dyed-in-wool fans, who will take the defeats with the victories and keep on pulling. It's the only way to win, so let's all pull for a good team made up from home boys only.

By Regular Fan

Sunday's game was a very hard fought battle which the Regulars put on ice in the third inning by some heavy hitting in which all the boys participated. (The Troutiers were a very good team as they touched Mitchell up for nine blows, but the Regulars could not be kept down and in the third started bombarding the (Continued on Page 8)

JOHN CHARLES DUFFY

Born December 18, 1870 Died May 31, 1916

The entire community was grieved yesterday morning to hear of the death of Mr. John C. Duffy at the Augustana Hospital, who has been suffering with anemia for about a year, but who was thought to be on the way to sure recovery since the recent transfusion of blood from his brothers, Edward and Frank.

About six months ago, Mr. Duffy realizing his condition decided to cut down his work at the Erskine Bank to one half day each day in the hope that the half day rest would help him to regain his strength. However, he was soon confined to his home and was later taken to the Presbyterian Hospital for treatment, where he remained about a month, coming home considerably improved, although still in a serious condition. It was found that his only chance for recovery was to have his spleen removed and three weeks ago he was taken to the Augustana Hospital where the transfusion took place in order to build up his strength for the operation, after which he improved to such an extent that it was believed his recovery was assured. On Decoration Day he underwent the operation, which was thought to be successful, but about one o'clock yesterday morning his brothers were notified that he was sinking and at five o'clock he passed away.

In speaking of Mr. Duffy's life, Mr. D. M. Erskine, with whom he has worked for the past sixteen years, expresses the sentiment of the entire community when he says: "I feel that in the death of Mr. John C. Duffy, who has been intimately associated with me in business for more than sixteen years, I have lost one who through all that time proved his true worth. There has always been a mutual feeling of the fullest confidence which in business life especially is so essential to real pleasure and success. His associates in the bank were always won over to him and were his willing assistants because of their genuine love for him. Always of a cheerful happy disposition he counted no day well spent that did not have acts of helpfulness rendered to others.

His death comes as a shock, it being generally felt that he was on the way to sure recovery. Mr. Duffy was no ordinary man. Everyone knew him and everybody liked him. I knew him thoroughly. I can truly say that our whole community mourns his departure, each one feeling that it's a personal loss."

John C. Duffy was born in Deerfield Township on what is now the McCormick estate on Dec. 18, 1870, and has lived in this community all his life, being over forty-five years of age at the time of his death. For fifteen years he was employed by the C. & N. W. as telegraph operator and station agent and for the last sixteen years he was cashier at the bank of D. M. Erskine & Co. He has served as both township and city collector and up to the present time was treasurer for the local Relief and Aid Society. He leaves to mourn his death his wife, Mrs. Agnes Duffy; mother, Mrs. Bridget Duffy; one son, J. Emmet Duffy, 17 years of age; eight brothers, James H., Thomas S., Frank X., William L., Joseph L., Edward A., George and Arthur, and one sister, Julia L.

Funeral services will be held in St. Mary's Church Saturday morning at 9:30, thence by automobiles to the Lake Forest cemetery where interment will take place.

MOLDANER & HUMER EXPANDING

Take New Room and Open a Cleaning and Pressing Department

Moldaner and Humer announce the opening, next Saturday, of a cleaning and pressing department to be run in connection with their tailoring business and have rented the room in the Sheridan Block just north of their present location and will occupy both rooms, 6 and 8 N. Sheridan Road. They assure the public that the same prompt and careful attention will be given in this new department that has been given in the past in their ladies' and gentlemen's tailoring business.

It Might Help Some

The Waukegan Gazette asks, Why not post the following sign on our local depot: "Don't judge our town by the depot." Waukegan is a live town with a live Commercial Association and we wouldn't blame them if they posted such signs all along the right of way.
