HIGHLAND PARK, ILLINOIS, THURSDAY, JUNE 22, 1916

Volume 6

Cast of "MIDSUMMER NIGHTS DREAM"

With Mr. C. G. Wright, Superintendent; Mrs. Margaret Freeman in charge of play and Miss Theresa Peters in charge of Dancing

The 1916 class of Lincoln school, which so successfully presented "Midsummer Night's Dream" on the evening of June 12th will repeat the play on Monday evening, June 26th, at eight o'clock for the benefit of Arden Shore. The play will be given, as before, on the grounds of "Ridge-wood," the home of Mr. and Mrs. C. N. Kimball, So. Green Bay Road. The admission—including seats—will be fifty cents. Young people under fourteen, twenty-five cents. Tickets will be on sale at Schumacher's Drug Store.

In case of rain the play will be given Tuesday evening, and should it rain Tuesday the students are hoping to use the auditorium at the Elm Place

School. The cast is as follows: Theus, Willard Munro; Egeus, Nills Johnson; Lysander, Theodore Schriber; Demetrius, David Kimball; Philostrate, Albert Daggitt; Hippolyta, Marion Leach; Hermin, Mary Tapper; Helena, Frances Holbrook; Quince, Robert Aynaley; Bottom, Lucius Hine; Flute, Eugend Tremaine; Snout, Harold Vetter; Snug, Earl Tucker; Starveling, Harold Krueger; Oberon, Carl Schaefer; Titania, Ruth Travis; Puck, Marshall Carqueville, and Fairy Attendant, Florence Nichols.

Many of the lower grade children will be fairies, nymphs, etc. Come and help to make it possible for the children of the city to have a share in the beauties of the country!

VISIT HIGHLAND INN TOMORROW

Formal Opening of Confectionery Store and Ice Cream Parlor

"Highland Inn," which is to open tomorrow, is situated in the new Witten building and is furnished with most up-to-date fixtures. A tone of simplicity is seen throughout the store, with the plain green decorations and dull mahogany woodwork, chairs and tables. A most attractive and sanitary soda fountain has been placed in the shop proper with show cases and counters. In the ice cream parlor there are twelve tables with room for four persons at each table. Luncheons can be served here, or purchased for picnics, etc. In the basement, a work room has been finished in white, and contains a carbonator, which will manufacture all carbonated water used in soda water and phosphates. There is also a syrup percolator in which the fresh fruits will be made into syrup for the ice creams. There is also a can'y stove, with a copper kettle in which the

candy will be made and cooled on a marble table. The proprietors, Messrs. George Briggs, Jr. and James Economos, are to make their own ice cream and will deliver to all parts of the city and will have on hand four different flavors. Mr. James Economos has been called one of the best ice cream and candy makers in this section of the country. Prof. Munier visited the new plant recently and pronounced it the best of its kind on the North Shore.

HOSPITAL ASS'N TO SECURE CHARTER

Executive and Advisory Committees Meet Monday.

The executive committee and the advisory committee of the Highland Park Hospital Association held a meeting Friday evening, and plans were made for immediate completion of the corporation.

The stockholders will be notified as soon as the temporary organization has completed the necessary arrangements and secured the charter.

ELM PLACE BASE BALL TEAM

The team that holds the Deerfield-Shields trophy for grammar school teams for the year 1916

The Elm Place boys by defeating in succession the Lincoln Avenue, Highwood and Deerfield teams, won possession for the year 1916 of the Reay cup offered by the Deerfield-Shields High School to the winning baseball team in the annual spring tournament. Lake Forest grammar school held the cup in 1915 and had that name inscribed on the cup. The name of Elm Place is now inscribed

below that of Lake Forest. The Elm Place boys hope to win the cup in 1917 and 1918, which would insure its permanent possession for Elm Place. The boys appearing above are as follows, reading from left to right: Jeffrey Carqueville, manager; Arthur Arnawald, Clarence Pfister, Wm. Kramer, Willis Gerken, George Bahr, George Rudolph, George Glader, James Duffy, Fred Glader (holding the cup).

NEARBY NEWS NOTES OF LOCAL INTEREST

WIDOW OF FRED BUSSE FILES BIG SUIT

Chicago & Milwaukee Electric has New Name. White Sox Defeat Waukegan City Team Monday. Other News

Widow of Busse Files Suit

Mrs. Josephine A. Busse, widow of Fred A. Busse, deceased Chicago mayor, filed a suit in the Lake county circuit court Monday in which she asked to have the farms which were owned by Gustave Busse, father of her late husband, declared the property of Fred Busse.

The complainant states that the land was purchased by the former mayor of Chicago, and placed in the name of his father for reasons which he alone understood. It is believed that on account of the late mayor's political activities he was thought to shun the publicity which might be given him if he purchased a large farm and held title in his own name.

Gustave Busse is dead also and the property which would pass from the father to his heirs will now be tied up until Judge Edwards settles the disputed question.

White Sox Defeat Waukegan

With the exception of a couple of mental lapses which probably were due to "stage fright," the Waukegan City Giants put up a pretty game of ball against the Chicago White Sox Monday afternoon and convinced the 2,000 fans that a real club is wearing the West Side uniforms. To out-hit the famous White Sox is in itself a notable achievement. The final score was 5 to 2, and it took some tall hustling on the part of the Sox to stop the big rally staged by Waukegan in the eighth. The White Sox until that time had refused to take the game seriously. Murphy playing right field for the Sox, had built a mound of grass near his position in the field and reclined peacefully upon it for some portions of the game, while the White Sox did all sorts of foolish stunts while on the base lines. But in the eighth they got in the hole badly and then they played ball—and it took their very best efforts to extinguish the West Side batting rally in the eighth, when the home club scored two runs on some pretty hitting.

Waukegan Teams Lose Sunday

The Romeos, conquerors of the Garden City, Rex Tigers and White Giants, proved too much for the Waukegan City Sunday and the Giants were forced to take the short end of a 3 to 1 score. Shiners, with the exception of the fifth, had the Romeos at his mercy, allowing only one bingle in the other eight innings. They gathered but 5 hits all told, but bunched four of them in the fifth and counted three hostile markers. While this was taking place on the west side the Evanston Feds were drenching McCann's County champions in a vat of whitewash on the south side. Score, 5 to 0.

New Name for C. & M. E.

The first move made by the reorganization committee of the Chicago and Milwaukee Electric Company was made public last week when the following report came from Springfield:

The Chicago, North Shore and Milwaukee Railroad Company was incorporated by the secretary of state with a nominal capital stock of \$100,000. The company is incorporated to purchase and operate the Chicago and Milwaukee Electric Railway Company from Chicago through Evanston and Waukegan to Milwaukee.

The incorporators' first board of directors are: Archie F. Hopper, John Moran, Frank Stava and E. L. White, all of Chicago; W. D. Johnston of Evanston, and Keith Richardson of La Grange.

Boost Fourth of July Celebration

At 8:30 o'clock yesterday morning about twenty-five autos loaded with Waukegan boosters for the Fourth of July celebration left the Commercial Club rooms for a tour of Lake county. The purpose was to create an interest in Waukegan's Americanization Day celebration which promises to be one of the biggest events of the kind ever held in the city.

REGULARS VICTORIOUS IN FOURTEEN INNINGS

DEFEAT LAWNDALE BY SCORE OF 2 TO 1

West Side Team Beat the Chicago Waukegan City Team Monday. Also a Fourteen Inning Game

By Regular Fan

The Regulars defeated the Lawndales Sunday by the score of 2 to 1 in one of the greatest games of ball ever seen along the north shore. The game was one of the most spectacular ever witnessed inside or outside the major leagues and the fans who journeyed to the south side grounds were well repaid for it is only once in a lifetime that they have the good fortune to see such a game. The home team played one of the greatest defensive games on record, and kept their opponents away from the home plate in sterling fashion. Tom McGuire, who was on the mound for the home team, displayed great skill and let the visitors down with three hits in the entire game, and showed himself master of the situation at all times. He also had great control as he did not walk a man, and led the team with the willow. It was Tom's hit in the fourteenth that broke up the game and sent the fans home feeling happy. Altogether, the performance of Tom was something that the fans have not gazed upon in this part of the state, and will be remembered for years to come. Eddie Wallace, whom all the fans know, played one of the greatest games ever seen, and it was impossible for the visitors to hit one past him, as it did not make any difference what side the ball was hit he was in front of it and always got his man. Cross, Rosie McGuire, and Fiene performed nobly and Cross made one of the most spectacular stops in deep short and threw his man out by inches. "Lew" Fiene made a grand catch on one of Wallace's throws. Wallace picked the ball off the corner of the third sack and without losing a second let go; the throw was inside but Fiene extended himself and grabbed the sphere with one hand thus retiring the batsman, this being the best piece of defensive work seen this year. Loyden, Williams, Reed and Kilby performed up to the usual standard which is saying enough as all the fans know their ability. The playing of H. Kilby was a surprise, as he has been warming the bench all summer, but came through in great style. For the visitors, Rankin pitched a wonderful game and showed at his best in the pinches. He was ably supported by Wynn in left field who captured seven hard hit balls, showing that the Regulars have the men who can hit.

Next Sunday the speedy Trouters will be the opponents, and are seeking revenge for their former defeat. Since playing the regulars they have won every game, not allowing their opponents to score on them. So now "an" all get together and root for the home team, as those who have seen them play recognize that Highland Park has one of the greatest teams in the business and the management must be complimented on the success they have had in gathering such a galaxy of stars.

The score:

H. Park 00010000000001—15 5
Lawndales 00000001000000—3 1

Two-base hits: R. McGuire, Fiene, Williams. Struck out: by McGuire 10, by Rankin 5. Base on balls: off Rankin 4. Umpire McEvoy. Time, 2:30.

ans, these are the games that are to be seen on the south side, and just (Continued on page 5)

ATTRACTIONS AT LOCAL THEATRE

Clara Kimball Young in "The Feast of Life" Wednesday Evening

This is the "line up" for the Highland Park theatre for next week: Sunday, "The Law Decides," and a comedy; Monday, "The Mysteries of Mira," Pathe News and comedies; Tuesday, Clara Kimball Young in "The Feast of Life"; Wednesday, "Susan Rocks the Boat" and Joe Jackson in "Lion and the Girl"; Thursday, Helen Ware in "The Price"; Friday, Pathe News; Friday, "The Love Mask"; Saturday, "Molly Make Believe," with Marguerite Clark.

COUNCIL ASKS OBSERVANCE OF FIRECRACKER ORDINANCE

DOTY RESIGNS AS MEMBER OF POLICE COMMISSION

Civic Improvement Association Calls Attention of Council to Unfinished Condition of Certain Streets, Also Asks that Council Refuse Plat of Bartlett Subdivision

By Publicity Commission

The council meeting held on Friday, June sixteenth, was a busy one. Now that the hospital question is an assured fact, and money is still rolling in, affairs of state take up our attention once more.

Mayor Hastings, Commissioners Bahr, Huber and Willits answered the roll call. The minutes of the last meeting were read and approved, after which the city clerk read a communication from Mr. H. H. Doty tendering his resignation as a member of the Police Commission; Mr. Doty felt that as his business calls him away from the city so frequently he could not undertake duties which need constant attention and supervision. It was moved and seconded that the resignation be accepted with regret. At the suggestion of the mayor it was moved and seconded that a note of appreciation for past services be sent to Mr. Doty. The mayor asked, and was granted, the privilege of appointing a successor to Mr. Doty, and he named Mr. Thomas Clements as a member of the Police Commission.

A communication was read asking the council to take measures for a sane celebration of the Fourth of July; there is a city ordinance which seems to meet the requirements so that no further action was taken at the meeting.

The ordinance read in part as follows:

Be it ordained by the council of the city of Highland Park.

Section 1. That it shall be unlawful for any person or persons, firm or corporation, to sell or give away in the city of Highland Park, fire crackers two and one-half inches long or longer, dynamite tablets or dynamite caps of the kind used in cables and pistols, or pistols and canes using dynamite caps or tablets, and all fire works containing other explosives other than black powder.

Section 2. That the use of and discharge of fire crackers two and one-half inches in length or longer, canes and pistols using dynamite caps or tablets, or the use and discharge of dynamite caps or tablets or fireworks and the use and discharge of all other fireworks containing other explosives other than black powder, be and the same is hereby prohibited in the city of Highland Park, Lake County, Ill.

Section 3. That any person or persons, firm or corporation violating any provisions of the foregoing ordinance shall be fined not to exceed \$10.00 for each and every offense.

Suggestions for the proper celebration of this great day will be welcome; misty spirit runs high these days, and those of us who must be stay-at-homes can only say, "God bless you," to the husbands, sons, brothers and perhaps sweethearts, who at a few hours' notice have left all to answer the call of the drum.

The flag of the United States must be respected. This country stands for law and order and for the safety of its citizens, wherever they may be.

A communication from Mr. Everett Millard brought to the attention of the council the fact that the bank on the public park needs to be looked after; he suggested that an expenditure of perhaps \$500.00 might be necessary for satisfactory work. This matter was turned over to Commissioner Bahr.

Communications were read from the Highland Park Civic Improvement Association, concerning the unfinished state of streets, Beach St. for instance, the new bridge requiring particular attention. This communication started quite a discussion on the relative merits of brick and concrete. One thing we may feel sure of, however, is that we shall have no more unsightly pipe rails as may be seen on Beach St. bridge today. The Association also asked that the council refuse to accept the plat of the Bartlett Subdivision as presented some weeks ago, and stated their reasons.

The mayor called for the reading of a resolution on the passing away of Mr. James H. Shields, a man who thoroughly understood the meaning of the word citizen, a man who while health and strength lasted gave unsparingly of his time and ability for the good of the city of Highland Park. His name will be always closely connected with the early improvements of this city. After a reading of the resolution the city clerk was asked to forward a copy to the family of the late Mr. Shields.

Commissioner Willits moved that bills in the sum of \$2,801.45 be approved and vouchers for payment be drawn for the several amounts. Motion prevailed.

The bills aggregated as follows:

Department Public Affairs	\$ 39.24
Department Public Health and Safety	736.68
Department Streets and Public Improvement	1,559.99
Department Public Property	379.24
Department Local Improvements	25.90
Department Library	60.40
Total	\$2,801.45

Commissioner Willits presented and moved the payment of the following bills:

A. W. Aldridge	\$ 42.00
C. F. Grant	75.00
Thos. Morton	19.50
Jas. C. Boylan	54.50
Total	\$191.00

The motion prevailed. Commissioner of Public Property reported that the Public Service Company would be ready for the lighting of some of the new city lamps in about two weeks, others a little later. The mayor informed those present that an incinerating plant is shortly to be erected, the money for that purpose being on hand. The marshall asked for definite instructions and information concerning the age for automobile drivers; in Lake Forest, we believe, drivers must be eighteen or over; in Glenco, sixteen. This question of age is a perplexing one. We have seen as many reckless drivers over forty as under eighteen; it would seem perfectly reasonable and safe to allow electric cars to be driven by youths of sixteen, even if the permission is not granted to the drivers of gasoline cars.

The Police Commission reported \$6.00 in penalties. Corporation Counsel Holmes made a report on the controversy concerning the south side system of streets; the court had heard some of the arguments, three of the objectors to the improvements had withdrawn their objections, the money value of objections was originally twenty-four thousand dollars and is now reduced to twenty-five hundred dollars; proceedings were still pending and further results will be reported at the next council meeting.

The bid made by the Highland Park Press for the publication of official matters during the fiscal year, 1916 to 1917, was accepted. After the council meeting was adjourned the Board of Local Improvements met to discuss several important matters.

BURGLARS BLOW SAFE

Entire Office of Highland Park Fuel Co. Monday Night

On Monday night burglars entered the office of the Highland Park Fuel Co. and blew up a small safe, but nothing of any value was taken. It is thought that nitroglycerine was used as the door of the safe was completely demolished. Up to the time of going to press the local police have no clue to the burglars.

The post office safe at Lake Bluff was also blown open Tuesday night. The nitroglycerine being used here, the building and safe were destroyed but not even a postal car was cured as loot.
