Tell Her You'll Telephone Home

WHEN you go away on a trip, you can relieve the anxiety of the home folks, and at the same time keep yourself informed by making it a point to call up over Long Distance every day or so.

The practice of telephoning saves the time and trouble of writing and it is much more satisfactory.

MICHELIN-FOUNDED-1832

MICHELIN

12 to 15% Extra Weight

When you buy your next tire make this simple test. Let us weigh a Michelin Universal Tire in comparison with any other non-skid of the same size.

You will find the Michelin 12 to 15% heavier than the average, the exact percentage depending on the size of the tire used in the test.

This extra weight represents extra rubber and fabric, which means extra service.
