

Nothing To Be Added To The Maxwell

YOU will never want to add anything to your Maxwell. The purchase price includes everything you will ever need or desire for luxurious motoring.

You won't want to disguise the hood or buy a new body or put in another carburetor or ignition system or install electric lights or a self-starter.

You won't want a new radiator or springs or new spark plugs or shock-absorbers or a new top.

You need add nothing for comfort, reliability, beauty, economy or convenience. If it is a Maxwell, your car, your experience and your investment are complete.

That is the way that Maxwells are designed, manufactured and sold.

Question the owners of other motor cars—any other motor cars—and see if they are equally satisfied with their motoring investment.

1 Manhole complete with cast iron top.
1 Manhole inlet chamber connected to manhole in Hickory Street.
2 Pipe and trap connections to existing manholes.
Specifications and proposal forms may be obtained at the office of the City Clerk.
The contractor will be paid in cash. A certified check in the sum of 10 per cent. of the amount bid must accompany the proposal.
The Council reserves the right to reject any or all bids.
E. A. WARREN,
City Clerk.
Dated at Highland Park, Illinois, this 15th day of June, 1916. 16-17

NOTICE OF AWARDED CONTRACT
Board of Local Improvements of the

City of Highland Park.
NOTICE IS HEREBY GIVEN to all persons interested that the bids for the furnishing of all labor, tools and materials necessary for the construction of a cast iron lateral main water supply pipe six (6) inches internal diameter to be constructed and laid in, along and under St. John's Avenue from and connecting with the present four (4) inch water main now laid in St. Johns Avenue and ending at a point in the line of the southerly line of Lot nineteen (19), Block seventy-five (75) of F. P. Hawkins Addition in the City of Highland Park, extended westerly across said street, and from thence extending southerly parallel with and twenty-six (26) feet west of the easterly line of St. Johns Avenue for a distance of Five Hundred and Fifty-two (552) feet at which point it shall connect with the existing six (6) inch water main, together with shut off valves, fire hydrants and special castings, were opened on the 2nd day of June, A. D. 1916, and Douglas McNeill being the lowest responsible bidder, the contract was awarded to said Douglas McNeill on the 9th day of June, A. D. 1916.
Said bid for the work as a whole is as follows:
9 1/2 Tons of 6" cast iron water pipe weighing approximately 33 lbs.

per Lin. Ft. @	
\$33.00 per ton	\$306.25
Hydrant with hose nozzle, complete with auxiliary 4" bronzed faced gate valve and valve box, and 8 ft. of 4" cast iron pipe connection to main	@ \$40.00 each 40.00
4" bronzed faced gate valve and valve box, complete	@ \$12.00 each 12.00
200 lbs. Cast iron special fittings for connections	@ 3c. per lb. 6.00
500 lbs. Lead @ 8c. per lb.	40.00
Juts for Gaskets	4.00
Cartage	8.00
Labor	173.25
Total	\$588.57

The owners of a majority of the frontage of the lots and lands upon said St. Johns Avenue, in the City of Highland Park, wherein said work is to be done, may, within ten days of the date hereof, elect to take said work and enter into a written contract to do said work at ten per centum less than the price at which the same has been awarded.

"The Freezer with the Aerating Dasher"
The most wonderful of all freezers. By means of its astonishing aerating spoon it whips air into every particle of the freezing cream, making ice cream that is a revelation in texture and delicacy. It breaks all records in speed—makes perfect ice cream in 3 minutes.
Requires much less labor and uses less ice and salt than any other freezer. See it before you buy a freezer.
