Guaranteed Tire Vulcanizing

It Pays, Mr. Owner Reasonable attention to your tires will often double the mileage ordinarily received. Cuts, blow-outs, fabric breaks, stone bruises, if not repaired promptly, gradually get more serious and have but one ultimate result—costing more to fix and requiring the inner tube to be repaired as well. One day of prompt attention will eliminate weeks of expense and trouble. Satisfaction or your money back.

AND smile! For here at last is the master machine that makes it easy for any stenographer to turn out MORE letters with LESS effort in the ordinary working day. The new Royal Master-Model "10" speeds up the day's work and sets the pace that pays!

Built for "Big Business" and its Great Army of Expert Operators

These new features of the Royal add to the sensitive fingers of the typist, the one vital thing that the old-style typewriter subtracts—speed! The speed with brains behind it—the all-day speed of the expert typist in the day's work. Errorless speed is the kind of speed that counts. Commonsense has punctured the illusion of the other kind.
