Deficit - - \$10,866

Is this a showing that the voters of Lake County are proud of? Facing this the county treasurer with Mr. Dady's knowledge and connivance, has been placing your funds with various banks at 2% interest while the funds of the city of Waukegan have been drawing 3%. This means to the county a dead loss of \$20,000.

Add this to Dady's deficit and you have the true cost of "Dadyism" to you.

For State's Attorney

THIS MAN IS THE BIGGEST FACT IN LAKE COUNTY TODAY
JAMES G. WELCH

When elected State's Attorney of Lake County, I SHALL

1. Enforce the law vigorously and fairly.
2. Cut down the enormous expense connected with the present administration of the office.
3. Investigate cases carefully before asking the Grand Jury to indict any man.
4. Advise and direct county officials in the honest, efficient discharge of their duties.
5. Compel the County Treasurer to place the funds of Lake County in the bank which is the highest responsible bidder from the standpoint of interest. This is absolute and thereby Lake County will be

the entire salary of the State's Attorney for four years.
