Safe Good Milk is a Blessing

What brings greater peace of mind than to know that the children's and household supply of milk is safe—certified so—and good, certified as to its richness? Nothing—

Such Milk is

Kieckhefer's Certified Milk

Produced out in a garden spot of country right on the edge of Pewaukee Lake, bottled there and brought here thoroughly cool, clean and pure you can have such milk on your breakfast table and all day tomorrow and every day.

First United Evan. Church

Corner of Green Bay Road and Laurel Ave. C. G. Unangst, pastor.

The services at the church last Sunday were of special interest. In the absence of the pastor the pulpit in the morning was acceptably filled by Mr. Elmer Gleaser. At 7:30 p. m. Rev. Galkins, missionary to India for 10 years addressed the audience. These messages were both instructive and edifying.

The C. E. meeting was largely attended and the earnest message from Mrs. Dr. Hugh Linn of India was very helpful. The male quartette furnished special music.

The pastor will preach at the regular hours of public worship on next Sunday. At the morning service he will address the people on missionary work in China. He will also give a report of his work at Woodbine, Ill., where he assisted in meetings over last Sunday.

The men of the church will have a special part in the evening service. They will sing and some of them will speak. The pastor will preach a short sermon.

The following is the program for next Sunday:

9:30 a. m., Sunday school, lesson on "A Plot That Failed." Acts 23:14-24.
10:45 a. m., Missionary sermon.
6:45 p. m., Christian Endeavor meeting, subject, "Consecrated School Life." Prov. 4:1-13.
7:45 p. m., Church service. Men will speak and sing. The pastor will preach a short sermon. Come and bring your friends. A cordial invitation is extended to all.

Trinity Church Notes

Trinity Church Sunday School, as it is better called, "The School of Religious Instruction," reopened last Sunday after the summer vacation under the leadership of the Rev. Frederick Louis Gratiot, who as an expert in religious pedagogy, has been placed in charge of the school under the rector.

A new system of instruction known as "The Christian Nurture Series" has been introduced. This series is the result of years of study and experiment on the part of the Board of Religious Education. It has been tried out in typewritten form during the past year in seven hundred schools and has just been issued in printed form.

Next Sunday, October 1, is Rally Day, and all who are interested in the work are invited to visit the school.

The kindergarten, Junior and Senior departments, will begin their work, but the adult classes will be organized later.

The courses offered will be announced next week.

The school opens with a short service in the church at 9:45 o'clock to which all are invited.

At the eleven o'clock service in the church the Rev. Mr. Gratiot will preach the sermon, in which he will tell of the work he is beginning.

Much interest has already been manifested in the new undertaking and the active co-operation of parents and children is earnestly requested.

High School Notes

By The Students.

Football Outlook

The practice has been under way since September 6, and although the candidates are comparatively few in number, to all appearances the old-time "pep" will be there when Deerfield hits the line at our first game with Kenosha, September 30, here.

The letter men of last year, who are still with us on the gridiron are: Smith, Captain; J. Bell, Weber and Baldwin. Others of last year's squad who did not grab the coveted "D" are: Gordon, Cowie, Geraghty, Wallace, Kimball, Stubbs, Russell, Carr and McIntosh. Holmes, Rosenhagen, H. Bell, Lamoureux, Burridge, Fitzgerald, Morgan, Stevens and Carlson, are new material. Of these Burridge, Bell, Carlson and Holmes are beginning to give evidence of more than ordinary ability.

Although the squad is markedly lacking in weight, chances are good that Deerfield will have a fast, snappy team in the field when the season begins.

Coach Rothacher has been considerably aided in his work with the squad by the addition of Mr. Corsant to the coaching staff.

The schedule for the season as it now stands is as follows:

Sept. 30 Kenosha, here; Oct. 7, Chicago Heights, here; Oct. 14, Oak Park, there; Oct. 21, La Grange, here; Oct. 28, Thornton, here; Nov. 4, Proviso, there; Nov. 18, New Trier, here; Thanksgiving, Alumni, here.—Truman Metzler, Manager.

The gymnasium and swimming pool will be open on Saturday mornings for all grammar school pupils in the fifth, sixth, seventh and eighth grades.

The schedule will be as follows:

Girls—Gymnasium class, 9:00-10:15; swimming, 10:15-10:45. Boys—Gymnasium class (5th and 6th grade boys), 9:00-9:45; swimming (5th and 6th grade boys), 9:45-10:15. Gymnasium class (7th and 8th grade boys), 10:15-11:00; swimming (7th and 8th grade boys), 11:00-11:30.

Monday, fifth period, has been set apart for the regular general assembly. Programs and general announcements are planned for this period.

September 25, Miss Elizabeth Southwick gave a reading, "The Man in the Shadow." Miss Southwick held the closest attention of every boy and girl; needless to say she reads exceedingly well. Dr. Newhall, too, spoke on "Going Away to College." He urged all to choose their colleges now, and directed this advice particularly to the Freshmen. Direct to the point, he spoke of the need of real study in the high school as a preparation for college studies and duties. The last part of the period was given to election of officers for the Athletic Association: President, Seward Baldwin; vice-president, Esther Conway; secretary, Frank Geraghty; treasurer, Truman Metzler.

Two organizations, Garrick and Forum, are showing signs of activity. Garrick, which meets ninth period in the English Club Room, every other Friday, beginning September 22, has as its officers for this year: Hamilton Quayle, president; Rachel Heckettsweiler, secretary and treasurer; Bowen Schumacher, vice president.

The first program proved very interesting. Miss Southwick coached a one-act play, "Spreading the News," by Lady Gregory. With Hamilton Quayle as Bartley Falon and Rachel Heckettsweiler as Mrs. Falon the audience caught the spirit of the Irish peasant class.

Forum alternates with Garrick. This week, September 29, the subject for debate is, "Resolved that the Adamson law is just." Bowen Schumacher is president of this organization.

The High school considers itself unfortunate in losing Miss Edmundson, of the Domestic Science Department, who leaves this week for Kankakee, Ill., where she takes the position of Advisor for the Kankakee County Home Improvement Association. Her successor is Miss Caroline Morton who comes splendidly recommended by the High school in Topeka, Kan., where she held the position as head of the Domestic Science Department.

Lincoln School

There are 136 pupils enrolled at Lincoln School, including the kindergarten. Both the seventh and first grades have twenty-two pupils. There are twelve pupils at the West Ridge School.

Miss Sophie Gibbling who has taught singing at Hull House has been engaged to fill the vacancy made by Mrs. Falch. Miss Gibbling started work this week and will also teach English.

The school work is going on nicely and everything is well started.

Young Men's Club

The Young Men's Club held its monthly meeting Tuesday evening to elect the following officers: President, Alan Flynn; first vice president, Edward Gourley; second vice president, J. W. Harrison; secretary, Harry Elchler; treasurer, Arthur McCaffrey; captain of crew, George Brand, and F. P. Hawkins as rector.

I wish to Announce that on October first I will start my season's work on Ladies' Suits, Coats and Evening Gowns.

Will work in your home at \$4.00 per day.
