The Welfare Club gave a farewell Friday evening to two of their members, The Misses Pauline and Lucille Rhinehart, who leave soon with their parents for their new home in Torrington, Wyoming. The evening was filled with pleasure commencing with a hayrack ride of over an hour followed by a substantial lunch and games at the Association Headquarters. The Club regrets very much the necessity which compels them to part with two of their popular members and the best wishes of all go with them to their new home.

The gymnasium opens Monday, Oct. 16. Classes for children, according to ability, at 3, 4 and 5 in the afternoon. The adult classes in the evening at 7:30 and 8:30. For registration or further information call up the Secretary.

There is a plan to open up a new department, an information bureau to which strangers may go when in need of help. Anyone helping in this work will be aiding a good cause.

Trinity Church Notes

Courses of instruction offered in the "Christian Nurture Series."

I. Kindergarten Department. (Children 3 to 5 years of age.)
"The Fatherhood of God."
(Course No. 1.)

This course emphasizes, by means of simple stories from the Bible and from Nature, the child's relationship to God. God is the All-Loving Father, the Creator and Protector of all.

II. Primary Department. (Children 6 to 10 years of age.)
"Trust in God."
(Course No. 2.)

This course, based upon the Apostles' Creed, leads the child in simplest fashion to a fuller knowledge of the three-fold nature of God—"God the Father, God the Son, God the Holy Spirit." The emphasis is upon God's Revelation of Himself in Jesus Christ, our Lord.

"Man's Response to God."
(The Christian Application of the Ten Commandments.)
(Course No. 4.)

The child has reached the age when his life among his fellows requires more definite moral guidance, and when he can learn to respond to the love of God through his relationship with others. The underlying moral ideas of the Ten Commandments are used as guides to conduct; Church Loyalty is emphasized.

Courses for the Junior and Senior departments will be given next week.

Visitors are cordially welcomed to the school which holds its opening service in the church at 9:45 a. m. If new pupils will please report to the Secretary or Principal at 9:30 they can be registered and assigned to the proper classes without interrupting the course of the lesson.

High School Notes

By The Students.

A new course has been started among the girls under the direction of Miss Reid, including first aid work and military training. This is a volunteer course and has proved a very popular one, as we have an enrollment now of one hundred very enthusiastic and wide-awake girls. At the last meeting two companies were organized, Company A with Rachel Hecksweiler as its captain, and Company B with Evelyn Foote as captain.

Each company meets once a week, and the first plan is to start with the military drilling and later to take up the first aid work.

Last Tuesday the girls had the privilege of hearing Miss Catherine Sullivan of Highland Park, who has recently returned from the war zone in France, tell of her experiences there as a Red Cross nurse. Her talk was most interesting to all present.

The High School Cadet Corps, consisting of a battalion of two companies and the band, has been organized for the ensuing year under the direction of Mr. Rothacher. About one hundred boys have enlisted and there is a great expectation for a successful year. An experienced band master, formerly of the regular army, has been engaged to teach the band. The following temporary officers have been appointed by Mr. Rothacher to act until the election of officers on October 19:

Company A—Captain, Seward Baldwin; First Lieutenant, Robert Cowie; First Sergeant, Raymond Russell; Quartermaster Sergeant, Hamilton Quayle; Sergeants, Wallace Kimball and Joseph Wadsworth; Corporals, Walter Nitschke, Truman Metzler and Robert Sedgwick.

Company B—Captain, Frederick Hine; First Lieutenant, Gordon Buchanan; Second Lieutenant, Rodney Mason; First Sergeant, John Betty; Quartermaster Sergeant, Harold Carr; Sergeants, Frederick Schumacher and Calvin Aynsley; Corporals, Barret Sleeman, Bowen Schumacher, Clerihew Morgan and Frank Joy; Color Sergeant, Walter Henderson.

Uniforms are now being given out and the guns will soon be issued. Athletic competition between the companies and various squads in wall scaling, soccer, swimming, etc., will be a feature of this year's work. It is expected that more will be accomplished this year than last because of the early start and because of the experience which many of the cadets have had.

The game with Kenosha High School on our field, which we announced in the last issue of the Press, resulted in a final score of 27 to 13 in Kenosha's favor. Undoubtedly if Captain Smith had been able to play our team would have given a better account of itself. The two touchdowns which we scored were made by the Bell brothers, Harry and John. Holmes and J. Bell were easily the stars of the day.

Next Saturday we play our first league game with Chicago Heights High School on our field. Chances for a victory for the Blue and White are excellent.

We urge Highland Park and Lake Forest townpeople to come to the games. We have an interesting schedule and the nominal charge is not objectionable.

Friday morning, September 29, the High School was given a special treat in hearing Mr. W. F. Borrmann, principal of Soo Chow Academy, Soo Chow, China. Mr. Borrmann told innumerable stories of life in a Chinese school; his words and his actions suited the stories so well that all his audience was held in eager attention. He also gave a short sketch in Chinese, much to the delight of the boys and girls.

Monday noon, October 2, the program for assembly was under the direction of Mr. Fraser. A new organization, the Mandolin Club, made up of eight prominent leaders in the school, played two selections very well. The orchestra played one piece with old time vigor. Then the special feature of the program came when Master Charles Hughes, from Grace church choir, Oak Park, sang three songs. Master Hughes, a lad of about fourteen, surprised and pleased all with a wonderful soprano voice. He sang three songs: "Keep the Home Fires Burning"; "A Perfect Day"; and "A Gypsy Love Song."
