

**Guaranteed Tire Vulcanizing** WILL IT PAY?

**It Pays, Mr. Owner**  
Reasonable attention to your tires will often double the mileage ordinarily received. Cuts, blow-outs, fabric breaks, stone bruises, if not repaired promptly, gradually get more serious and have but one ultimate result—costing more to fix and requiring the inner tube to be repaired as well. One day of prompt attention will eliminate weeks of expense and trouble.

Satisfaction or your money back.

Dr. C. G. Trumbull, the able editor of The Sunday School Times, is helping many Christians by his teaching on "The Victorious Life." First of all it is necessary for us to know our present state and then the way out into a larger and better life must be made plain to us. To aid toward that end the pastor will preach on "The Wilderness State in Spiritual Experience," at 7:30 on next Sunday evening.

We were pleased to note the presence of a number of strangers at our services on last Sunday. There were some who communed with us for the first time.
