

Guaranteed Tire Vulcanizing WILL IT PAY?

It Pays, Mr. Owner
Reasonable attention to your tires will often double the mileage ordinarily received. Cuts, blow-outs, fabric breaks, stone bruises, if not repaired promptly, gradually get more serious and have but one ultimate result—costing more to fix and requiring the inner tube to be repaired as well. One day of prompt attention will eliminate weeks of expense and trouble.

Satisfaction or your money back.

Choose An Oil Heater Wisely

Let us help you—for oil heaters are different—some are better than others. The one sure best for 20 years—the one that produces the most heat for the least cost, is the one with this trade-mark. Heats a cold room in a jiffy—to the remotest corners. The heat is clean and colorless. Costs only one cent an hour, to use—

A Two Weeks Selling Event

Things you should buy NOW and why

This Mid-Season Event is without a counterpart in merchandising. The offerings of such immense proportions of merchandise that cannot be reordered except at greatly increased cost—articles you are bound to purchase sooner or later at any price—should prompt you to fill your needs for the coming winter season NOW.

In anticipation of constantly rising cost of materials and scarcity of merchandise we have secured the most advantageous purchases. The values are remarkably great and quite unexampled in any similar mid-autumn event within our memory. We invite you to derive the benefit of our successful efforts.
