

# \$1.00 Great Suit Special \$1.00

The first of our Annual Dry Cleaning Specials. Nov. 13 to Nov. 18.

# \$1.00 Men's Suits Dry Cleaned and Pressed for \$1.00

It cannot be urged too strongly: the advantage of having your family laundry work done by a power laundry.

Your laundry work is called for regularly and delivered to you far better than washerwomen can possibly do it. Your laundry is absolutely sanitary, being laundered in well-lighted sanitary buildings instead of some-body's basement and there is no disappointment of your washerwomen failing to be there when expected. When prices are high it is a great saving to have your laundry work rough dried or finished complete at our special rates. You will find it to your interest to send us all your laundry as the greater the number of pieces the lower the rate is.

Let us have a trial family wash to show you how well we do laundering. We promise you will be satisfied.

The club meets every second and fourth Tuesdays in the month.

### Y. W. C. A. News

Hallow'en was celebrated in the Y. W. C. A. headquarters by many festivities. The rooms were decorated appropriately in yellow and black. Pumpkins, black cats and witches were found in every conceivable corner and added much to the merriment of the scene. The following clubs entertained during the week. The Friendship, the Bluebird, the Asteif. The Friday night, Each member invited a friend and thus many were privileged to enjoy the rooms. The new gymnasium is proving very attractive for the many social affairs connected with the association.

The dancing classes Monday afternoon and evening are growing perceptibly. But there is still room for more.

The Central Field Y. W. C. A. comprising Illinois, Indiana, Michigan and Wisconsin is holding a Leaders Council in Chicago this week, Thursday, Friday and Saturday in the Central Eleanor club Stevens Building. Many from the local association are in attendance.

The Y. W. C. A. board will have its monthly meeting Tuesday, Nov. 14 at ten o'clock.

Mrs. Craig of Chicago, visited her daughter at the association Tuesday.

### High School Notes

(By the Students)

Friday, as this hard-worked scribe prophesied, we beat Thornton High School by a score of 14-3. The game was marked chiefly by its great number of fumbles. The touchdowns were gathered in by Burridge and Smith and the goals were kicked by J. Bell.

Next Saturday morning, the eleventh of November at 10:00 a. m., we take on Waukegan at Lake Forest College field and we absolutely guarantee a victory. We strongly urge the football devotees of Highland Park, Lake Forest and Lake Bluff to witness this contest because we can assure you it will be something worth seeing.

Truman Metzler.

The review held at Fort Sheridan last Saturday in which the High School Cadet Corps and Auxiliaries took part, was a complete success. The boys and girls "fell in" at the High School at one o'clock and were taken up to the Port in automobiles kindly furnished by the Lake County Motor Club. The organizations were formed up with the sailors from the Training Station at the right, then the band, two companies from Deerfield-Shields High School and one from the Waukegan High School, the First Aid Volunteers, and autos from the Northwestern Military and Naval Academy of Lake Geneva.

The first regiment was inspected by General Young and then the companies passed in review. The precision of the well trained seamen who led the column set the example to our cadets who outdid themselves and went through the required movements without a single mistake. The First Aid Volunteers also did splendidly. The High School Band did so well that it compared favorably with the band from the Training Station. There was a large crowd present. Many of the national guardsmen who were present were heard to comment favorably upon the showing made by the Cadets. Much credit is due Mr. Vail for the success of the affair.

The following is the basket ball schedule for the Chicago-Suburban High School Conference. The schedule includes both the heavy and light weight teams:

Eugene Tremaine, a member of the Freshman class, has appendicitis, and is at present in the Streeter Hospital, 2646 Calumet Avenue, Chicago. Eugene is very popular with his classmates and all wish him a speedy recovery.

Monday, November 6, from 4:30 to 5:30, the grade teachers from all the surrounding districts met at the High School to discuss reasons for failures among the Freshmen.

Under the direction of Mr. Perrine, registration was held Thursday and Friday, of last week. Tuesday the polls were open for voting.

Miss Jessie F. Edmundson, formerly of the Domestic Science Department here, spent the week-end in Highland Park, visiting her many friends. She is now holding the position of County Advisor for the Kankakee County Home Improvement Association, with headquarters in Kankakee.

Mr. Sandwick is teaching the Sophomore class for two weeks. He is using his own text "How to Study and What to Study". Sophomore teachers and pupils, alike, are profiting by his excellent methods.

Monday afternoon the school was invited to see Mr. W. E. Longfellow, Field Agent of the American Red Cross Life Saving Corps, demonstrate methods of life saving in the gymnasium tank. With the assistance of Mr. Rothacher, he gave some effective demonstrations of how to rescue a drowning person. Mr. Longfellow supplemented his performances with the wittiest jokes and remarks, making his talk entertaining as well as instructive.

On Monday night Mr. H. W. Gentles, who represents the First Aid Department in Chicago, and Mr. Longfellow spoke in the English Club Room on First Aid and Life Saving Corps work.

### Elm Place School Notes

Last Friday nearly all of the Elm Place teachers went to the meeting of the East Northern Division of the State Teachers Association at Elgin. Miss Guiney spent the day in her home town at Charleston, her mother being ill and needing her presence.

Mr. Phil Oberg of Champaign, has come to act as substitute in Manual training until Mr. George Green, the regularly appointed teacher of Manual Training secures his release from army service on the border.

The upper grade teachers of the grammar schools in the High School district met with the teachers of the High School Monday afternoon to talk over the work for the year and lay plans for the future.

Mrs. Robert O. Samuelson has presented Elm Place School with a very large hand colored photograph of one of the characteristic bits of scenery in Glacier National Park. It is very attractive picture and very highly appreciated.

A little circular giving suggestions for planting bulbs either out of doors or for forcing has been printed for the school. A copy of this will be given to any one making application for it.

### The Weight of a Kinglet

A golden-crown kinglet flew into the kindergarten room of the Elm Place School October 24. It flew around the ceiling, vainly striving to get out. After some trouble it was caught and placed in a paper bag. It was put on the scales and found to weigh 12.5 grams. The bag weighed 5.9 grams, thus the bird alone weighed 6.6 grams.

Since a gram is 15.432 grains and our avoirdupois pound equals 7000 grains it would take about sixty four kinglets to make one pound, or in exact figures 64,800 kinglets.

John Winters  
Elm Place School  
P. S. The bird was let go to fly away with its friends.

### Ravinia School Notes

Mr. Henry E. Legler, librarian of the Chicago City Library, spoke to the children in the general assembly on Friday. Mr. Legler told of the evolution of the book from the time of the discovery of printing up to the present time. His talk was very interesting and was much appreciated by the children.

### SWEDISH LUTHERAN CHURCH

Highland Park, Congregation

Finnetta, at which there were Echoes of the Convention." Bishop Griswold, of the Missionary District, of Salina, who was elected suffragan Bishop of Chicago, at the recent convention, has accepted his election, subject to the approval of the Bishops and Standing Committees, and if confirmed will come to Chicago early in January to take up his duties.

Interest in the Sunday School continues to grow. The total enrollment now is 138 and the classes, particularly in the primary department, are so large that the present equipment is inadequate.

The school parties given a week ago were very successful and the parish house was filled with a merry crowd of little ones in the afternoon, and in the evening with the young people of the junior and senior departments and their friends.
