Ebenezer Evangelical

For those interested in the contest which is being carried on at the Ebenezer church we wish to report that we have just received a wireless message from the captain of the steamship Aquitania, which reads as follows: "We are out about two thousand eight hundred miles from New York and have on board the happiest passengers I have ever had the pleasure of guiding on the deep. In other words the steamer cannot be excelled. Will send second message Sunday, November nineteenth, at ten o'clock a. m. Yours, Captain of the Aquitania."

We invite you to come and be with us at the Ebenezer Sunday School to enjoy the reading of the second message.

"Hail" to the breeze, her head is on, though the wind may blow and the breakers roll. Her keel is steady in the ocean. The Mauratania spells "Safety First". Leave it to the purser and the crew—they are true. Now it is time to come and join us. Remember the home coming will be grand. Come now while there is room and listen to the music.

Captain Mauratania.

The big contest in the Sunday School is still "on". Each Sunday the "Aquitania" and the "Mauratania" put more miles between them and America. Their destination is Palestine, and steadily and majestically they are steaming eastward, each anxious to reach the port of Belirt. Come and join us for the finish.

Sunday School begins at ten o'clock. Morning worship at eleven a. m. Evening services seven thirty. Choir practice on Thursday evening at eight thirty.

A Sunday School Workers conference will be held on Friday evening at seven forty-five. Rev. F. Schwartz of Chicago, will be the speaker. Many important topics relating to Sunday School work will be discussed. All are invited to be present.

YOUNG MEN'S CLUB

The regular monthly business meeting of the club took place on Tuesday evening. Mr. Warren Harrison of the House Committee, Mr. Edward Gourley of the entertainment committee, and Mr. James Harrison of the boat house committee submitted very interesting reports on the prospective activities, and it is hoped that the club will have another good year under the leadership of Mr. Alan Flinn as president. As a reward for the loyal service rendered by Mr. Flinn at the boat house this past summer he was given a gold ring.

A typewriter had been voted on to be installed in the club headquarters.

Highland Park Club

Irving Bacheller, the author and lecturer, proved to be all that he was expected to be and "then some". Mr. Bacheller is certainly great and his "keeping up with Lizzie" amused a good crowd of club members, Thursday evening.

Tomorrow evening there will be informal dancing at the club. Tuesday evening the regular monthly card party will take place.

On Saturday evening, the eighteenth, Henry W. Longfellow's "Hiawatha" will be shown in motion pictures. Those children who are studying this story in school at the present time will enjoy seeing this picture. The story of Hiawatha should be known by every child and this picture is very good.

Presbyterian Church Notes

Everything is in readiness for the bazaar to be given on the twenty-third of the month, at the church. Miss Charlotte Yoe and her assistants are working hard on the final plans, and a successful affair is looked for.

The following hours have been decided upon: 10:00 to 6:00, with luncheon served from 12:00 to 2:00. The affair is open to the public.

Next Sunday morning, by special request, the pastor is to preach a sermon on the theme "The Child in the Home; his religious training." This is in conjunction with the work of the Bible School, and parents of children in the school are especially invited to be present.

In response to the appeal of the Church Extension Board, which is the Home Missionary agency in Chicago of the Presbyterian churches of this vicinity, the campaign in this church for the raising of its share of a special fund of \$100,000 for the Board's work is progressing satisfactorily. A number of the people of the church have voluntarily responded in reply to a letter explaining the plan and the need of the fund; and it is hoped that the necessary funds will be raised in this way. Highland Park church has always shown her willingness and readiness to do her part, and is measuring up to her responsibility in this.

Highland Park Woman's Club

The next regular meeting of the Highland Park Woman's Club will take place on Tuesday afternoon at Witten's Hall, at two o'clock. There will be a business meeting followed by the program at three o'clock. Mrs. Henry S. Vail will give "An Afternoon in Sicily" assisted by Mrs. Herbert R. Smith.

Evangelical Church

The Ladies Aid Society was very successful in the bazaar and supper held at the church Thursday evening. The sale of fancy work and candy and the novelty booths were a very good financial feature of the evening. There were separate tables for the children and for the adults, at supper. The different booths were attractively decorated in appropriate colors. The success of the affair is due to the hearty cooperation of the public. The society too, deserves much credit for the splendid way in which the evening went off.

TRINITY CHURCH

The Boy's Club will have its first meeting for the year tomorrow, from 5:30 to 7:30 p. m. and not on Saturday as was announced. There will be an indoor picnic and games. Any boy wishing to join should come to this meeting.

What is Pasteurized Milk?

Pasteurized Milk is Good Clean Milk heated to approximately 145 degrees Fahrenheit and held at that temperature for 30 minutes, then cooled suddenly.

This process in no way destroys the nutritive value of the Milk. It does however, destroy harmful germ life that Milk may contain.

We say "may" because there is always a chance that Milk "may" contain harmful bacteria no matter how carefully handled before it reaches us. So to Safeguard you we Perfectly Pasteurize it—then cool it—then automatically bottle and cap it. So it comes to you untouched by human hands.
