**Stewart
Kitchen
Heater**

Please mention that you saw it in
"The Highland Park Press"

Its the very best Kitchen Heater that we can obtain. It has reversible duplex grates, an extra deep fire box, easy to keep fire over night, and will keep a good sized kitchen warm with very little fuel. It burns coal, coke wood or rubbish. It can be attached to the end of your gas range and therefore takes up very little room.

Those Safety Cups**

They are found in our store on the only tires representative of our quality and service standard—Pennsylvania Oilproof

VACUUM CUP TIRES

These cups act on the only principle by which rubber projections can grip a smooth, wet surface—suction.

Because of this absolute non-slip effectiveness, Vacuum Cup Tires are guaranteed not to skid on wet, greasy pavements even after reasonable trial—returnable at full purchase price.

In point of service, they are unequaled—our warranty tag attached to each casing—

If better tires could be brought we'd handle them.

The Yellow and Blue Vacuum Cup Signs distinguish our store.

Use Minutes "Between Trains"

THE telephone enables traveling salesmen to employ the time "between trains" to good advantage. Many customers can be reached quickly in this way.

Bell toll lines also afford a means for making appointments along the route, thus conserving time and saving fruitless trips.

Deviled Mutton
Cut the cold mutton in rather thick slices, dip each in a "deviled" mixture of vinegar, French mustard, salt, pepper and a dash of sugar. Turn over the slices in the sauce several times; dip in rather thick batter, and fry as you would fritters. Drain off the fat and serve hot.

Liver Balls
Fry the liver ten minutes in butter, press through a sieve and one-half teaspoonful of finely chopped parsley, salt and pepper and one egg yolk. Shape in very small balls. Egg and crumb them and fry in deep fat.
