**Highland Park Club**

On the evening of Thanksgiving Day there will be a Thanksgiving dance at the club starting at eight thirty.

On Friday evening of this week the young people will hold a dance at the clubhouse.

Saturday's motion pictures will be "When the Mountain Calls," which is a thrilling adventure with the hardy mountaineers playing the roles. The hour is seven forty-five.

On Tuesday evening at eight fifteen Mr. Julian B. Arnold will give an illustrated lecture on "The Awakening of Africa." Sir Edwin Arnold, the father of the lecturer was one of the originators of the expedition in the search for Livingston and was a personal friend of Sir Edwin M. Stanley, who explored the Congo. Mr. Julian Arnold assisted in the expedition and he comes able to tell of his experiences and recollections in a very vivid way. It is hoped that every member who can do so will be present on this occasion.

There will be a card party on Thursday evening, December seventh at eight fifteen.

**High School Notes**

By the Students

Seamus McManus, the famous Irish poet and story-teller, took us for a brief half hour on Monday across the seas to happy Ireland and there, gathered around the dancing post fires, we heard of "How the Fairies came to Ireland" and of "Jack and the King who was a Gentleman." Once before, a couple of years ago, snatches of Irish folk-lore came to us through Mr. McManus when he told us of "Little Donald of the Hump" and the good work of the "little people." This inimitable storyteller greatly rejoices that "the beautiful belief of the Fairies—the little men and the little women—is still existent in Ireland." After hearing Mr. McManus and his tale we, too, rejoice—and believe.

On Tuesday, November 20, Miss Chamberlain gave the girls a talk on "How to Dress." Miss Chamberlain's plan was to give the girls practical ideas about clothes. Through the courtesy of Mandel Brothers, who sent some serviceable articles of clothing for exhibition, the lecture was well illustrated and very effective. There were also designs of some of the girl's dresses which they are making. Miss Chamberlain also showed some simple designs of Lady Duff Gordon's and gave some of her principles of costuming.

The Senior rings and pins have arrived and after much delay have been given out. The design chosen, it is generally conceded, is very good looking and quite in keeping with the usual good taste and judgment of the Senior class. The Lamp of Knowledge, which forms the center of the design, is considered a peculiarly fitting emblem for the class of '17.

Le Cercle Francais s'est reuni lundi apres-midi. Mlle. Bolan a chante d'une maniere tout a fait charmante, et Mlle. Dorothy Mason a joue du violon. On a servi des rafraichissements convenables. La prochaine reunion aura lieu au mois de decembre.

**Public Library Notes**

This is the second year the library has been located in its present quarters. Last year three large library tables and eighteen chairs composed the furnishing and this year one table and six chairs have been added. The total number of volumes is 2800. The library is open from eight-thirty in the morning until four-thirty in the afternoon, thus giving everyone an opportunity for using it.

A few words of commendation are due our librarians, Miss McKenzie. She is obliging at all times and is always "willing to help some of us "lesser lights" in looking up references. Some of us may not think so, but she really does appreciate our attitude toward the library. Miss Wilhelm, the assistant, is also an invaluable asset to the welfare of the D. S. H. S. library.

The basket ball squad will be called out for practice on the Monday after Thanksgiving.

Several members of the faculty are spending the Thanksgiving vacation out of town. Miss Griswold, Miss Ames and Miss Reed are in Chicago; Miss Anthony is at home in Berwyn, Illinois, and Miss Munson is in Michigan City, Indiana. On Friday Miss Ames will attend the Home Economics session at the meeting of the Science and Mathematics Association to be held at the University of Chicago.

On Tuesday evening Miss Grandy left for New York City to attend the annual meeting of the National Council of Teachers of English to be held there in the Astor Hotel, Nov. 30th to Dec. 2nd. At the Saturday morning session Miss Grandy will give a paper before the High School section on "Building up the High School Library." En route she will spend Wednesday in Buffalo where she will attend the meetings of the New York State Teachers' Association in session there.

The library will be closed on Thanksgiving Day.

**TO CUT COST OF LIVING**

Women of Waukegan Considering Making Personal Purchases, Abandoning Telephone

Women of Waukegan are considering joining in the high cost of living week movement, when all housewives will personally supervise the purchase of their meats and vegetables instead of ordering over the telephone and letting the grocer choose. Members of the Federation of Women's Organizations and the Woman's club who have been interviewed expressed themselves as in hearty favor of the idea.

The high cost of living can be reduced more than 25 per cent thru intelligent buying on the part of the housewives according to one of the women. This phase of the problem may be presented to the organizations their next meeting.

**EXMOOR ELECTS PRESIDENT**

At the twentieth annual election of officers of the Exmoor Country Club which took place Saturday evening, at the Chicago Athletic Association the following election took place:

President—F. Edson White.  
Vice-president—Percy B. Eckhart.  
Secretary and Treasurer—James L. Martin.

Board of governors—A. P. Van Schalk, Allan M. Clement, Walter H. Miller, T. R. Wyles, R. H. Hunter, Richmond Dean.

Mr. White succeeds Robert F. Carr, who has held office for two terms. Under his guidance the club has reached its period of greatest importance. Mr. White is a member of Old Elm, South Shore, Chicago Club, and Chicago Athletic Association.

During the twenty years of existence the club has made wonderful progress, it being estimated that the club holdings have increased 500 per cent since the property was acquired. This, coupled with substantial yearly profits, has made the organization strong financially.

Mr. Carr was presented with handsome Dutch silver candle sticks by the members, showing their appreciation.

**Guaranteed Tire Vulcanizing**

It Pays, Mr. Owner

Reasonable attention to your tires will often double the mileage ordinarily received. Cuts, blow-outs, fabric breaks, stone bruises, if not repaired promptly, gradually get more serious and have but one ultimate result—costing more to fix and requiring the inner tube to be repaired as well. One day of prompt attention will eliminate weeks of expense and trouble.

Satisfaction or your money back.

Let us help you—for oil heaters are different—some are better than others. The one sure best for 20 years—the one that produces the most heat for the least cost, is the one with this trade-mark. Heats a cold room in a jiffy—no the roomest corners. The heat is clean and odorless. Costs only one cent an hour, to see.
