Guaranteed Tire Vulcanizing WILL IT PAY?
It Pays, Mr. Owner Reasonable attention to your tires will often double the mileage ordinarily received. Cuts, blow-outs, fabric breaks, stone bruises, if not repaired promptly, gradually get more serious and have but one ultimate result—costing more to fix and requiring the inner tube to be repaired as well. One day of prompt attention will eliminate weeks of expense and trouble.

Satisfaction or your money back.

The Mother's Club of the Y. W. C. A. met Tuesday evening in the Association Assembly Room. The evening program was given by Miss Orva Stine of the Elm Place School who gave a number of pianologues in a most charming manner. Her engaging personality, and attractiveness showed her to be a decided favorite with her audience from the very first. The final number of the program was an original sketch depicting a personal experience of Miss Stine's in the far west when she entered a pony race with an Indian woman and came out victor. The local coloring and the intensity with which she took her audience through the exciting adventure showed her to be possessed with rare talent.

Many new members were present and a great deal of enthusiasm was shown by the mothers in the Association work. Cake, ice cream and coffee was served, followed by a social time.

The Junior boys club of the Highland Branch held a Thanksgiving party at the Headquarters. Friday evening that gave a great deal of pleasure to the boys and girls fortunate enough to be invited. The games of organized play under their leader, Miss Craig were greatly enjoyed.

Cocoa cake apples and candy were served and all went away happy.

Mrs. Max Herring and children, Ruth and Roy of Chicago, were guests of the former's sister, Miss Craig at the Association Friday and Saturday.

The Y. W. C. A. bazar will be held Saturday, Dec. 16th in the Assembly room of the Association, from 10 a. m. to 10 p. m.

Besides needle work there will be on sale, cakes, jellies, preserves, candy, ice cream cones, tea and wafers. Come and help the summer camp.

Highland Park Club

The dances on Thursday and Friday evenings of last week were great successes in the history of the club, large numbers attending both affairs.

Tomorrow's motion pictures will be Bernard Shaw's "Arms and the Man," and "The Chocolate Soldier."

Next Tuesday is Ossoli evening, a playette is being arranged.

Crepe De Chine and Georgette Waists

Many of these waists, beautiful in style and unusual in design, are to be had at prices quite low. Made in white, flesh color, navy, Burgundy, green, etc. While we have enjoyed a reputation as fine waist dealers we are more than ordinarily proud of our present stock. Few gifts can so well express in practical beauty the spirit of the giver.

CHEER UP!

A bad beginning does not always imply a bad ending. The kicking over of a lantern by a cow made Chicago one of the greatest cities of the world. A man with a gun in a melon patch often sends the boys to a better one. Also a fellow on the river Styx often gets the wrong boat and is carried to the Elysian fields instead of the infernal regions. Therefore there is still a chance for most of us.

Officer: I don't know why the men grumble. This soup is really excellent.

Sergeant: They wouldn't grumble, sir, if the cook would admit it is soup. He insists that it is coffee!"—Bystander.

Knicker: Railroad men are demanding an eight hour day.

Bocker: Suppose stockholders only consented to hold stock eight hours?—The Sun.

What is Pasteurized Milk?

Pasteurized Milk is Good Clean Milk heated to approximately 145 degrees Fahrenheit and held at that temperature for 30 minutes, then cooled suddenly.

This process in no way destroys the nutritive value of the Milk. It does however, destroy harmful germ life that Milk may contain.

We say "may" because there is always a chance that Milk "may" contain harmful bacteria no matter how carefully handled before it reaches us. So to Safeguard you we Perfectly Pasteurize it—then cool it—then automatically bottle and cap it. So it comes to you untouched by human hands.
