Mr. Bryan is dead set against Democ-rye-cy.

If some people were to speak their minds it wouldn't take them long.

If this high cost of living thing continues much longer Boston soon won't know beans some more yet.

Many a self-made man looks as if he might have been greatly improved with a very little outside assistance.

Billy Sunday hasn't yet got to telling Boston that even the streets are crooked.

Lots of men would be unable to borrow trouble if they had to give security.

One thing about this high price of turkey—the price has always been too low as measured by quality.

Some people may not believe it, but there have been delightful old-time dinners pulled without having the menu written in French.

CARD OF THANKS

We wish to thank the friends and neighbors for their sympathy and thoughtfulness in our recent bereavement.

Sincerely,
Wm. McClory and Family.
