Shower bouquets of holly were carried by the maids of honor at the wedding of Miss Marion Louise Mason daughter of Mr. and Mrs. Alexander Osborne Mason of Highland Park, to William Frederick Peter, Jr., which took place New Year's Day at five o'clock in the Presbyterian church. The maids of honor were Miss Blanche Mason and Miss Priscilla Carver and the matrons of honor were Mrs. Carleton M. Vail, Mrs. Sellar Bullard, Mrs. Fred A. Preston, and Mrs. Samuel S. Holmes. The bride was gowned in white satin trimmed in old Breton point lace and pearls and she wore a coronet veil. She carried a shower bouquet of white roses and lilies of the valley. The maids of honor and matrons of honor all wore white georgette crepe trimmed with brown fur, and wore brown tulle hats. After a two weeks honeymoon trip in the south, Mr. and Mrs. Peter will be at home at 946 Margate Terrace, Chicago.

To Mr. and Mrs. William R. Tapper, the former, president of the Highland Park Club, and Mr. and Mrs. Carleton M. Vail great credit is due for the magnificent success of the Masquerade party held on Saturday evening. Upwards of one hundred and thirty couples took part, entering into the spirit of the evening, with great enthusiasm. The costumes were of the most varied, and nearly every nationality was represented. The judges had a most difficult task in awarding the souvenirs. Especial mention must be made of the Dutchmans Party, with their wooden clogs, creating much amusement by their antics during the Grand March. The Childrens Party on Monday afternoon was a delightful entertainment, the little tots having the time of their lives in romping and dancing.

Over three hundred people gathered at the Moraine Hotel Thursday evening at a reception and dance given by Mr. and Mrs. F. W. Cushing, to meet their son-in-law and daughter, Mr. and Mrs. Robert Trimble, Jr. The affair, one of the biggest of its kind during the season, called out many of the older towns folk, friends of the host and hostess.

Campbell Chapter Guild will meet this afternoon at the home of Mrs. Richards of Vernon Ave., Glencoe.

Mrs. Robert B. Gregory of Chicago and her daughter Mrs. Raymond E. Durham of Winnetka will be at home at 1638 Prairie Ave., Chicago, on January ninth from four to six, to meet Miss Harriet Blackstone. Both Mrs. Gregory and Mrs. Durham are well known in Highland Park and have included in their guest list a number of people from this city.

Miss Mona Bahr was hostess to twelve of her friends on New Year's eve, at a costume party. The house was prettily decorated in Christmas greens and roses. Dancing was the feature of the evening.

The fourth annual banquet of the Luther League of the Lutheran church was given on New Year's eve, in the Assembly Room. Mr. Harry Eichler acted as toastmaster.

Miss Daggert entertained thirty of her friends at her home on New Year's Eve. Sleigh riding, games, dancing and refreshments were the pleasures of the evening.

Mrs. Fred Tucker will entertain the euchre club this afternoon.

Mrs. E. T. Skidmore entertained at dinner on New Year's day. There were twelve guests present.

On Thursday December twenty-eighth the Mystic Workers gave a card party in Wittens Hall. A large number of people attended the party.

Miss Florence Holbrook of Ravine Ave., entertained twenty friends at an informal dance at her home on New Year's evening.

**Woman's Civic Club**

The next regular monthly meeting of the club will take place at the Village House, Ravinia, on Wednesday afternoon, January tenth.

The program will be a musical in charge of Mrs. Emily Parsons Hunt, pianist of Evanston, a former Highland Park resident.

The children of the Clean Hearts' was the subject of Rev. C. K. Orsborn's Sunday morning sermon to the children. The last Beatitude was the theme of the regular sermon, the text "Blessed are they who are persecuted for righteousness sake, for theirs is the Kingdom of Heaven."

His farewell sermon in the evening was on The Christian Watchman from Ezekiel 3:17. Rev. Orsborn's beautiful English, faultless in pronunciation, has been the delight of his congregation. He has preached a strong and sane religion, broad, but not deviating from the fundamental principles of Christianity. He has

**Here's That Reo One-Rod Control**

EASE OF OPERATION is one of the cardinal qualities of Reo the Fifth—"The Incomparable Four."

THAT QUALITY, perhaps more than any other, commands this car to women.

BUT THAT SAME quality—ease of operation—is responsible for many other things that only owners of Reo the Fifth cars fully appreciate.

FOR, NO MATTER how expert you may be in handling a car—in clutch control and gear shifting—nevertheless you do miss once in a while, you know.

AND THE DAMAGE to your pride and your nerves is only a small part of the real damage—that which has resulted from the clashing of gear teeth and shock to bearings and other parts will show up later in the repair shop and the maintenance bill.

THAT REO CONTROL—the original "one rod" control; the original "center control"—is the biggest money saver the Reo engineers have ever been able to offer Reo buyers.

THE VERY FACT that instead of two hand levers, there is only one in Reo the Fifth, is important—one hand on the wheel, the other on the control, gives you confidence and vastly simplifies the operation.

BUT THERE'S ANOTHER fact that is not so apparent on the surface; one that all engineers appreciate and most owners; but one the buyer does not always grasp beforehand.

THAT IS THE CO-RELATION of all the parts in that Reo clutch and transmission.

THE REO ENGINEERS have done all your gear shifting for you in designing Reo the Fifth. It is scarcely necessary for you to think—just move the single lever to the position indicated on the index plate and without a sound, the right pair of gears slip in place.

SILENCE MEANS absence of shock to the gears; absence of undue strain to shafts; absence of injury to bearings.

ALL THESE YOU GET in Reo the Fifth, "The Incomparable Four"—known the world over as "the simplest car to control."

AND AS WE'VE shown, the same engineering that has produced that result that you can see, also produces another that you don't find out till later (unless you talk with an owner of Reo the Fifth), namely, that this is also the cheapest car of its size in the world to operate and maintain.

THE PRICE IS STILL \$875 f. o. b. factory, Lansing, Michigan, despite the present higher cost of both labor and materials.

BUT THAT ISN'T to be taken as a promise that the price of this "Incomparable Four" will always remain at \$875. It may be absolutely necessary to raise it.

BUT MEANTIME, if your order is in you will get your Reo the Fifth at the present price—and just now we can give you a fairly prompt delivery.

ABOVE IS SHOWN the Reo Thief-Proof Locking Device—a feature that is made possible by the unique Reo design. This enables the driver to lock simultaneously the steering device, the transmission and the floor boards. Starting device is made inoperative at the same time that the transmission gears are locked in neutral position. And to make assurance doubly sure, the floor boards are locked down so it is impossible to get at the parts.
