HIGH SCHOOL NOTES

By the Students

On Thursday, January 11, the Deerfield-Shields Light and Heavyweight Basketball teams will play the Riverside High School teams. This is the first Home Suburban League game and promises to be a lively one. The games will be played on our floor at three-thirty. Admission will be twenty-five cents. On Saturday, January 13, Deerfield-Shields plays Bloom High School at Chicago Heights. This is also a League game. Our team is looking forward to a hard game to be played with New Trier, our rival, on Tuesday afternoon, January 16, at New Trier.

It was with great regret that the school learned on Monday that Mrs. Allison has resigned her position as a teacher of English in Deerfield-Shields. Mrs. Allison has been so strong a member of the faculty and so much a favorite with the student body that her loss is keenly felt by all. Her place, however, is being filled by Miss Genevieve Dennison, who for the last few years has been teaching in Batavia, New York. Miss Dennison comes most highly recommended, and is already winning her place with the students.

ELM PLACE SCHOOL

Captain W. P. Moffett, who is with General Pershing's army in Mexico sent the Elm Place School a Christmas present in a form of a crate of stone ware, some of it doubtless of Aztec origin. The collection includes bowls, axheads and stone mortars for grinding food. This makes a very much appreciated addition to the school collection.

Mr. John H. Behrens of Honeyburg, Ind., sent a branch of a redgum tree with a fine bunch of mistletoe, full of fruit that grew out of the branch of the tree. It seems that mistletoe is more or less abundant in Southern Indiana, from which this specimen came.

Miss Bertha Cramer of the fifth grade and Miss Louise Boswell formerly of Elm Place and now on the staff of the Normal School of DeKalb, spent Christmas vacation in Atlanta, Ga., as the guest of Miss Cramer's aunt.

Mr. J. L. Smith attended the annual meeting of the State Teacher's Association at Springfield, Ill.

The Port Clinton bus began its daily run on Monday and will be in operation during the next few weeks of inclement weather.

EXILE ATHLETIC CLUB

It is evident from the string of victories which have been credited to this organization that they are really playing championship basket ball. Last Saturday night at the High School the heavyweight team easily defeated the Olympic Athletic Club of Evanston by the score of 38 to 5, while the lightweight team put up such a wonderful tussle with the Olympic Athletic Club lightweight team that they were defeated by the narrow margin of 20 to 17. Manager Shreves is doing his utmost to select the very best competetion he can find and has a very fine schedule for Saturday night. After having watched the class of basket ball played by the First Presbyterian church of Evanston he has arranged with them to play a game with the heavyweights on Saturday night and another game by the lightweights with the Ogden Park sharks.

HIGHLAND PARK CLUB

Motion pictures of "Quo Vadis" will be given this afternoon at four and this evening at eight o'clock. Tomorrow evening pictures of the rescue of the Stefanson Artic Expedition will be given at seven forty-five.
