## What is Pasteurized Milk?

Pasteurized Milk is Good Clean Milk heated to approximately 145 degrees Fahrenheit and held at that temperature for 30 minutes, then cooled suddenly.

This process in no way destroys the nutritive value of the Milk. It does however, destroy harmful germ life that Milk may contain.

We say "may" because there is always a chance that Milk "may" contain harmful bacteria no matter how carefully handled before it reaches us. So to Safeguard you we Perfectly Pasteurize it--then cool it--then automatically bottle and cap it. So it comes to you untouched by human hands.

One of Fred Berkman's horses got loose in the barn Sunday night and kicked two of the other horses. Dr. Guske, D. V. S., of Wheeling was summoned and took seven stitches in one of the horses and four in the other. Both are valuable horses; one is a family driving horse.

The next moving picture show will be Friday, Feb. 2, featuring William Crane in "David Harum".

Mrs. George Vetter of Chicago is visiting her parents, Mr. and Mrs. A. H. Mulke.

Miss Martha Karch entertained a few of her friends at a "Bunco" party followed by a six o'clock dinner Sunday afternoon. Covers were laid for nine, the place cards were very attractive, being the hand painted work of the hostesses' sister, Miss Laura Karch, who is an exceedingly clever artist.

A number of people from Deerfield attended the Farmers Institute which was held at Libertyville last week.

Mr. and Mrs. Frank Supple and infant daughter of Austin were the guests at Suppledale Farm last week.

Miss Christy McMahan of Waukegan was the week end guest of Mrs. J. A. Reichelt, Sr.

#### Parent Teacher Association

The progressive dinner which was given Saturday evening brought out about fifty couples and the occasion was not attended with the widest interest as was expected by the promoters. Those who did not attend missed a delightful sleigh ride, a delicious three course chicken dinner and a jolly social hour at the school hall. A great deal of credit is given the President, Mrs. Supple and the committees, also those who offered the use of their homes. The affair was a wonderful success socially and those who attended enjoyed it very much. The committee is arranging for a Valentine party to be held Wednesday evening, February 14th.

#### Presbyterian Church

J. H. Cochrane of Chicago preached in the morning on "The Christian Race". No services were held in the evening on account of the storm.

The January meeting of the Woman's Missionary Society was held at the home of Mrs. Fred H. Meyer Thursday afternoon. Mrs. Frank Peterson and Mrs. R. E. L. Holmes sang "The Master is Calling for Reapers Today." The president, Mrs. Reichelt,

Sr. appointed Mesdames Reichelt, Jr. Otto Knaak and Ira Gardner as nominating committee for annual meeting. Mrs. Beebe of Chicago, gave an interesting talk on "The Mountaineers," their history, characteristics, and occupations. Mrs. Beebe denounced worry as the greatest sin of the Christian, injurious to body, as well as to soul. Mrs. R. Mott's exposition of the twenty-third Psalm was read. Mrs. Peterson sang "Dear Lord Forgive". The offering was sent to pay for a scholarship in the Party Stockdale Institute which was followed by the usual social hour. Twenty five were present.

When Mathew Horenberger was adjudged insane and committed to the Elgin asylum a year ago where it was expected under treatment he would be blessed with the return of memory and would be able to tell what happened to \$10,000 that he lost a few months before his conditions became alarming. It is feared that he was swindled out of this money. A resident of Deerfield who visited him at the asylum a few weeks ago said he didn't think he would ever leave the asylum because he is suffering from insanity as well as another disease which means that he will never regain strength of body as well as of mind. He has taken on much flesh since his stay in the asylum, but attendants there admit that there is no hope of recovery. Mr. Horenberger served Deerfield as supervisor for many years and he was regarded as a most efficient servant of the people. His friends and relatives have given up the search for the money which he either squandered, lost in deals or to thieves.

Mrs. A. E. Sherman is visiting relatives in Chicago.

The school children enjoyed a sleigh ride party to Suppledale Farm Tuesday afternoon.

Mr. Alvin Meyer who is attending the University of Illinois, has received first prize, a silver loving cup and certificate for being an expert judge of live stock.

Miss Mary Barrett of Wilmette is the guest of Miss Sadie Galloway.

James Lowman, twenty-three years old, a driver in the Middle Fork mines at Benton, was crushed to death by being caught between two cars.

The recent dry weather, followed by the cold spell, killed hundreds of thousands of hickory shad which abound in Horseshoe lake at Granite City.

Merchants of Pecatonica and the farmers of the vicinity, will unite in holding a winter fair, Feb. 8. The school children will have a prominent part.

Free mail delivery has been petitioned, and there is reason to believe the request will be granted by the department within a few months at Polo.

After spending the last ten years of her life in a log cabin, the exterior a replica of her birthplace, Mrs. Carrie Phelps, aged 80 and wealthy, died at Lacon.

Homer J. Clark, editor of the Pontiac Daily Leader, died at Washington Boulevard hospital, Chicago, following an operation for diabetes trouble.

The Flat Branch Oil company, owned by the Phillip Schaefer heirs, brought in its first well on the Joseph Knier farm, eight miles north of Carlyle.

## Chicago Police Department Chooses Pennsylvania Oil Proof Vacuum Cup Tires

ALL tires purchased by the Chicago Department of Police throughout the year 1917, will be Pennsylvania Oil Proof VACUUM CUP tires. They will be used exclusively on all Department machines and about 700, 5-inch tires will be required. Chicago's motorcycle squad--the largest police squad of its kind in the world-- will also be equipped with the justly famous VACUUM CUPS.

## Contract Awarded on Merit

All the so-called standard makes were pitted against the VACUUM CUP Tires. Final decision to use the VACUUM CUP was based on their Lasting Quality and Perfect Safety. The City Finance Committee decided to economize in all City Departments during 1917. Therefore the Police Department found it necessary to take into consideration the ultimate tire cost which is the actual cost per mile. After a most thorough investigation of the various merits of all other standard makes the Pennsylvania Oil Proof VACUUM CUP tires were positively chosen.

## Why not YOUR Choice?

You are without the facilities of properly and fully adjudging the value and safety of a tire. However, you here have the benefit of the judgment of an institution that makes it their business to get the greatest value for the money spent.
