 Deerfield P. T. A.
 The regular meeting of the Parents and Teachers Association took

place Friday evening, February 9, at 8:00 p. m. at the school house. After the business meeting Mrs. Supple introduced Mrs. Phillips Schuyler Doane, the speaker of the evening. Mrs. Doane is the chairman of hospital supplies of the Chicago Chapter American Red Cross and is in complete charge of the Red Cross Shop 67 E. Madison street. Mrs. Doane talked principally of base hospitals, their manner of starting, their equipment, and their use to the government. The Red Cross is the official relief organization of the United States government and it is our duty as patriotic Americans to join this association. The fee for one year is only one dollar. Mrs. Doane appealed to the ladies of Deerfield to start sewing classes for Red Cross work. Chicago has to equip four base hospitals, the money has been raised and

a great quantity of work has been pledged, but there still is a great deal to do, so if the ladies of Deerfield wish to join this work, materials will be sent to them. First aid classes may be started. Further information on the subject will be given in the next issue of the Highland Park Press, or if interested, phone Mrs. E. B. Jordan.
