SQUARE TALKS

No. 4

Some men need a lot of arguing and coaxing before you can get them to see something that you see—and then they won't see! Just let him alone, you can't push this kind of a fellow, but some day you may notice him coming out of church (whither he went that day because he had an especial excuse as a reason) looking just as if he didn't give a cent if you had seen him also happy. He had sung and prayed and donated and had listened to something real, and—well, you have done the same thing, and you know how he felt; though if you have forgotten (almost), there is just one way to get it back for yourself, GO TO CHURCH Sunday, and if you find this talk isn't so, we will refund the amount you put in the plate.

MR. ANY MAN:

Do your woman folk do the church stunt for the family? Too effeminate or soft for you? Jesus Christ was a man. Or perhaps you are awful tired on Sunday morning, really tired. Or some other poor excuse? But if you become really ill and tired, probably you will insist on going to church. Why? Why scared, and you know it—and somehow or other, it doesn't seem to figure out well. This last minute way isn't fair anyway, even if God does forgive us, and—

Besides did you ever come out of a church without a little feeling of having really done something? You were happy, had heard the purest language in the world, sweet music of praise and thanksgiving. Felt calm and rested, too?

Look at the faces of the next men you see coming out of church, you won't feel sorry for them either.

SWEDISH LUTHERAN

SWEDISH LUTHERAN CHURCH

Highwood Congregation

Last Thursday afternoon the ladies of the congregation made an unannounced call on Mrs. P. L. Carlson at her home in Lake Forest. By this call the ladies wished to express their appreciation of the faithful work that Mrs. Carlson has done in the Sunday-school. Refreshments were served and a very pleasant afternoon spent.

Tuesday evening the boys of the Luther League entertained the League in the church. After the program, the Chinese delicacy, Chop-suey was served. The girls of the society will render the program and serve the refreshments at the next meeting which will be next Tuesday evening.

The Ladies Aid Society will serve an oyster supper in the church next Saturday evening. Immediately after the supper an adjourned meeting of the congregation will be held. Among the new business then to be taken up will be the election of a delegate to the Jubilee celebration which will be held in Rock Island this coming June.

ELM PLACE SCHOOL

Yesterday afternoon Mr. Howard Townsend spoke to the Elm Place P. T. Association in the kindergarten annex on "World's Peace and Military Training for Boys of Grammar School Age."

Mrs. John D. Niess, a prominent social worker of St. Charles, Ill., spent Monday and Tuesday visiting the schools.

Owing to the holiday of last week, because of the teachers' institute held on that day, the schools were not closed on Lincoln's birthday, but all the pupils of the school in five different groups were given lantern lessons on significant facts in the life of Lincoln.

The pupils are being carefully drilled on standard patriotic songs in compliance with the proclamation of Governor Lowden.

The sixth, seventh and eighth grades were the guests of the high school on Monday afternoon to hear Miss Harding's reading of "A Man Without a Country."

On Friday of last week the last of the pots containing bulbs for forcing were dug out of the cold frames in front of the coal rooms. In spite of the severe cold weather the tulips and hyacinths were in fine condition in under the layers of fine leaves. This is sure of a supply of blossoming plants for the next four or five weeks.

H. P. WOMAN'S CLUB

The next meeting of the Highland Park Woman's Club will take place February twentieth at Witten Hall at two-thirty o'clock.

All will be glad to know that Mrs. Clarence Thayer will read "A Kentucky Cardinal," by James Lane Allen, and that Miss Carver will preside at the piano.

On Wednesday, February twenty-first, the club members will take a special car at Central Ave. at ten forty-five a. m. to the Armour plant. There they will be entertained at luncheon, inspect the plant (killing rooms excepted), hear a talk on meats, different cuts and their food value.

D. A. R. NEWS

The next regular meeting of the North Shore Chapter D. A. R. will take place on Monday afternoon at the home of Mrs. E. A. Bourneque on E. Central Ave. "Our Navy" is the subject on which Lieutenant McMail, executive officer of the Naval Training Station will speak. Capt. W. A. Moffet was to have spoken, but is unable to be present.

There will be an important board meeting at two o'clock, the program starting at two thirty.

It is hoped that there will be no trouble to prevent Lt. McMail from coming.

Buick Valve-in-Head

You have often heard that the Buick is the most powerful motor. The Buick Valve-in-Head arrangement is the reason for that great power. If you are interested, call us up and ask for a demonstration. We just received five car loads of Buicks and immediate delivery can be had, on any model you choose from this lot. Now is the time to place your order. When better cars are built Buick will build them.

Help Build Up This Community by Paying Your Bills So That Other Folks Can Pay Theirs

None will deny that willful indebtedness is wrong. Nothing will hurt a man's standing in the community more than the habit of contracting small debts and letting them run on indefinitely. It is the little things, after all, that are the real test of character.

There are very few persons unable to pay almost at once the little debts they owe. When they neglect these debts they put themselves in the class with the fellow who won't pay—and few of us desire to be in the "He-Won't-Pay-His-Honest-Debts" class.

We are going to have a Pay-Up Week in this community.

In order to promote friendship, good feeling, business credit, be one of the folks that settle all bills during this period. You will be better off—even if you have to economize sharply for a short time afterward—those you pay will be better off because you will help them meet their bills, and the whole community will profit.

Start the habit during Pay-Up Week of paying your bills promptly. Such a habit will establish greater credit for you. Why, any banker will tell you a man doesn't have to be wealthy to secure a loan when he needs it. The poor man who has the reputation of paying what he owes has a better credit at the bank than the man who has greater resources but won't Pay-Up. Remember the Slogan—

I'll Pay My Bills so You Can Pay Yours

Pay-Up Week February 19-24 1917

Highland Park Business Men's Association

BE SURE TO PAY UP

To promote good feeling among your neighbors and acquaintances, hunt up those whom you owe money and square the account during Pay-Up Week. Don't wait on the other fellow. See him first—and liquidate.

Afterward, meet your obligations the first day of each month. If you owe more than you can pay all at one throw, pay what you can. Let your creditors know that you haven't forgotten your debts. It's only fair to them—and it's valuable to you. You are a fortunate man if your credit is A No. 1.
