TO OUR CUSTOMERS

Highland Park, Glencoe, Ravinia, Highwood, Lake Forest and Lake Bluff.

Beginning Saturday, February 10th, 1917 the retail price Bowman Rich Cream will be 12c per half pint.

This is the first advance in the retail price of Cream in over seven years in spite of the fact that the prices of other food articles have risen repeatedly during that time.

We regret very much that this raise is necessary but hope you will believe that our higher milk cost makes it quite unavoidable, if we would maintain our high fat content in the cream. As it is against the policy of this Company to lower the quality in order to reduce the costs, we trust the necessity of this increase of two cents a bottle will be apparent to you. Thanking you for past consideration,
 We are yours very truly,

Bowman Dairy Company
