TRINITY CHURCH

A very beautiful stained glass window, representing Christ blessing little children, has been placed in the church by Mr. Joseph L. Fearing in memory of Mrs. Iola Munroe Fearing, and was blessed at the early Eucharist last Sunday morning. This window was made by Hoaton, Butler and Bayne, the famous English makers, and should have been in place last Christmas, but was delayed by difficulties in transportation.

At the same service there was also blessed an unusually beautiful copy of Leonardo da Vinci's Last Supper, given by Mr. and Mrs. George McBean in memory of Madam McBean, by whom the picture was purchased in Italy.

The preacher at the service on Wednesday evening, March seventh, will be the Rev. Professor Theodore B. Foster, of the Western Theological Seminary.

HIGHLAND PARK M. E. CHURCH

Regular services are held in this church as follows: Sunday, Sunday school at 9:45; Junior League at 2:30; Epworth League at 6:30; Wednesday prayer meeting at 7:45, and choir rehearsal at 8:45 sharp.

Owing to a sprained ankle Rev. Tetreau will not be able to attend to his duties for a time, and in his place Sunday evening, Rev. R. Calvin Dobson will preach.

The cottage prayer meetings took place this week as follows: Tuesday, Mrs. Charles Boyd, Wednesday, at the church, tomorrow evening, Mr. Greismeyer.

In another part of the paper will be found a notice of a mandolin recital to be given at the church this evening.

PARENTS AND TEACHERS ASSOCIATION

The South Division Parents and Teachers Association will meet on Wednesday afternoon, March seventh at three thirty o'clock. Miss Louise Montgomery of the University Settlement will speak on "The Meaning of Vocational Training." This is to be an open meeting and it should be well attended.

The constantly enlarging interest in the comprehensive work of the Parents and Teachers Association movement was demonstrated at a well attended meeting of the Illinois Congress of Mothers on Tuesday in the Board of Education Room, Tribune Building, Chicago. The delegates from the Elm Place division were, Mesdames William Bletsch, Herman Denzel, John S. Bell, Thomas Clements, John Reesman and John D. McDougal.

EXILE ATHLETIC CLUB

The Exiles split their double header on last Saturday, the lights losing by three points and the heavies winning by six. These were two of the closest games of the year, both games being undecided until the last minutes of play. The lightweights were unable to locate the basket near the end and the Badgers were leading 29-25 at the close.

The heavies got the best of Seward Park and the basket shooting of F. Gallagher were the only features.

The score ended 35-29. On next Saturday the lights will play the Naomi A. C. and the heavies will tackle the Mystic A. C. in the biggest game of the year. Games are at 8:00 p. m. at the D. S. H. S. gym.

OSSOLI CLUB

Dr. Herbert L. Willott spoke to the club on Tuesday afternoon at the Highland Park Club on the subject "The Changing Orient."

The next regular meeting of the club will take place Tuesday afternoon, March thirteenth. There will be a discussion of the proposed plan to devote the time and energy of the club to philanthropic and patriotic work.

Today the club is holding a regular study class. Franklin Snyder of Northwestern University will complete his series of talks on Contemporary Fiction.

Today's subject is "The Short Story Today."

Buick Valve-in-Head

You have often heard that the Buick is the most powerful motor. The Buick Valve-in-Head arrangement is the reason for that great power. If you are interested, call us up and ask for a demonstration. We just received five car loads of Buicks and immediate delivery can be had, on any model you choose from this lot. Now is the time to place your order. When better cars are built Buick will build them.

ADDITIONAL SOCIETY

Mr. and Mrs. William Bletsch, the newly-weds, received a startling and noisy surprise, Wednesday last, when a goodly party of their friends descended upon them like a band of Apache Indians with drums, horns, whistles and cow-bells. But they differed from the aborigines in so much as they fetched along a bountiful supper, which they generously shared with their captives.

The W. T. G. M. Club entertained at a very unique party on Tuesday evening at the home of Mr. and Mrs. Carl Kulst. A novel program of original stunts by the boys was given and "old fashioned" games and dainty refreshments completed a very enjoyable evening.

Mr. and Mrs. John D. McDougal were host and hostess at the Blackstone Hotel, Chicago, Saturday evening, at a farewell party for Mr. and Mrs. Hal Tyler, who have been their guests recently, and who are now en route to New Mexico.

Miss Bessie Waterhouse entertained several friends on Tuesday evening at a miscellaneous shower for Miss Elsie Laegler, whose marriage to Mr. H. V. Nichols, will be an event of the early spring.

ADDITIONAL LOCALS

Miss Elsie Lawrentz and her fiancé of Racine, Wis., were the Sunday guests of Mr. and Mrs. Richard Lawrentz.

Miss Helen Gourley was a weekend guest of Miss Gladys Tucker of this City, who is a sophomore at the University of Illinois, at Champaign, Ill.

Word reached here last week of the burning of the Ewart property in Santa Fe, Isle of Pines, West Indies, recently. Mr. Harry Ewart and family are well known here, having made their home here for many years.

Mr. Clark G. Wright is in Winslow, Ill., where he was called on account of the serious illness of his father.

Mr. and Mrs. George McFadden of Bloom St. announce the birth of a baby girl, Friday, February twenty-third.

H. P. WOMAN'S CLUB

The next meeting of the club will take place Tuesday afternoon, March sixth at Witten Hall. The business meeting will take place at two o'clock, and will include the nomination of officers.

The regular program will begin at three o'clock. "Canberra, the Federal Capitol of Austria" will be the subject, with Mrs. H. Medora Long speaking.

ELM PLACE SCHOOL

Mr. Smith left on Tuesday evening for Kansas City, Mo., to attend a meeting of superintendents.

Miss Jones, a member of the Elm Place staff has gone to her home in Bloomington to recuperate from an attack of the grippe.

Some of the teachers of Lake Forest were visitors at Elm Place during the week.

GARDEN CLUB

Mrs. Robert Smith will be hostess to the club on Tuesday afternoon at two-thirty. "Preparation of the Soil" will be the subject, discussed by Prof. Wade McNutt of the Science department of the Deerfield-Shields High School.

Oshkosh, Wis.

Enclosed Reo Fours \$1025

The great demand for "all-weather" bodies has rendered it impossible for us to supply all who wanted enclosed Reos, but the factory is working overtime and gradually catching up.

So if your order—an actual, bona fide order—not merely an "I think I'll have one when you get them in"—we can't call that an order when there's a long line of buyers ahead of you—

We repeat: If your order for an enclosed four-cylinder Reo is in our hands at once, we can promise you a fairly prompt delivery.

This enclosed Reo is ideal from every standpoint.

In the first place the price is within your reach—and the quality is Reo.

The value is "The Gold Standard."

Then, it's convertible into a fully enclosed, cozy, draft-proof winter car; and for summer, into an ideal touring car.

The top is permanent—80 per cent of owners never drop their tops we find—and the "Jiffy" curtains which we supply serve for rainy days.

In winter the glass—in summer the Jiffys with celluloid windows—closed or opened in "a jiffy" as the name implies. So you see you really get two cars in one in this enclosed Reo Four and at a price you can well afford—\$1025 f. o. b. Lansing.

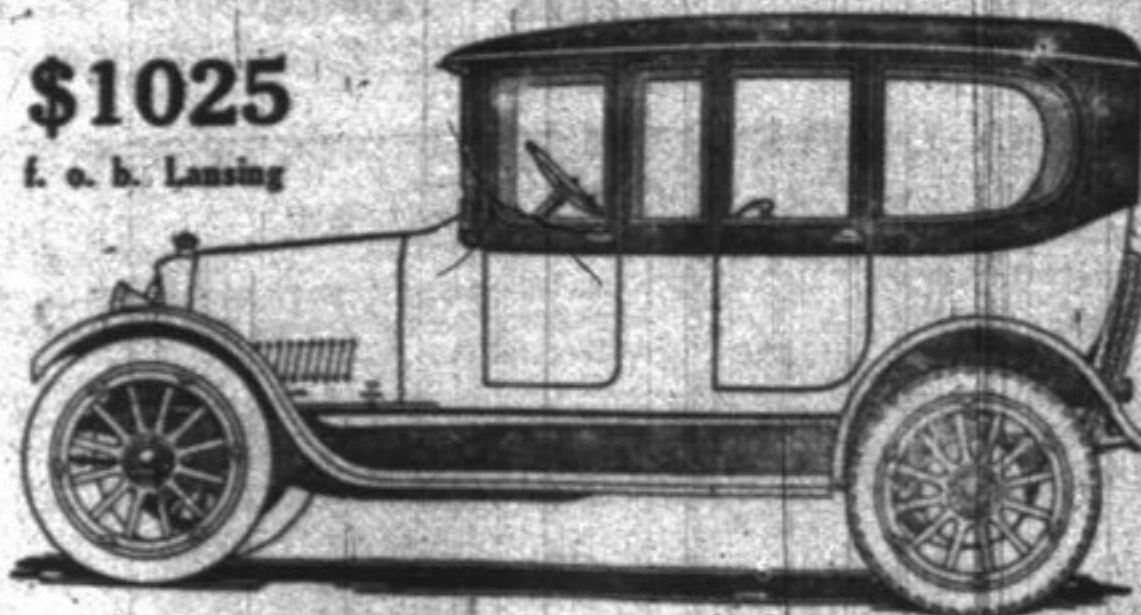

Let us remind you again however, that the date of delivery depends entirely on the date your order is in our hands—and too many orders mean the old chronic condition "not enough Reos to go round."

So let us have that order now—today won't be a minute too soon.
