HIGH SCHOOL NOTES

By the Students

Monday was the annual Visiting Day for the members of the Parent-Teachers' Association. All the usual classes were held and the fourth period was given over to moving pictures, with music by the High School orchestra. About sixty mothers were our guests for luncheon, and about one hundred and fifty were in attendance for Mrs. Hefferan's talk on "What the Home can do for the School and What the School can do for the Home". After this meeting the Domestic Science department served apricot ice and wafers.

Mr. Sandwick spent last week in Kansas City, attending the Superintendents' meeting of the N. E. A. At the teachers' meeting on Tuesday, he gave an interesting account of the proceedings.

Senior Forum met on Friday, March 2, in the English Club Room. After a heated debate, it was decided that "The Pen is mightier than the Sword."

The next regular meeting on Friday, March 16, will be a Mock Congress. The Senators from the various states were elected Friday, and expect to debate on the new Armament Bill. It is rumored that the Senators from Wisconsin and Iowa are planning another filibuster. May the gods forbid!

The Senior girls defeated the Sophomores in a very exciting basketball game last Friday with the close score of 8-6. It was played in the boys' gym and was followed by the Waukegan game. There was an enthusiastic crowd which spurred both sides on and as a result of the Seniors' victory, the Sophomores have challenged them to play again.

The Long French Bread

you read about in novels is here in reality. To realize how different it is from ordinary bread you have got to try it. Crisp, light and toothsome it is considered by many the finest bread made. Try a loaf and we feel confident you will always have it on your table hereafter.
