With reference to an Electric Washing Machine, the proposition is, that all you have to do is watch it. The machine does the rest.

Its the lowest paid drudge you ever heard of.

It demands for the electricity sufficient to run it, while doing a week's wash for a family of six, about five cents.

HIGH COST OF LIVING MAY BE PARTIALLY CUT

Continued from page 1  
 form of recreation and rest from the routine of their daily labor, in office or shop or mill or mine, and who might easily find the time for it.  
 With some intelligent direction, these school children and older boys and girls and men and women might easily produce on the available land an average of \$75 each in vegetables and fruits for their own tables or for sale in their immediate neighborhood; fresh and crisp thru all the growing months and wholesomely canned and preserved for use in winter. This would add \$750,000,000 to the best form of food supply of the country without cost of transportation or storage and without profits of middlemen.  
 In addition to the economic profits there would be for the children health and strength, removal from temptation to vice, and education of the best type; and for older persons, rest and recreation in the open air and the joy of watching things grow.

EXILES ATHLETIC CLUB

The Exiles won another doubleheader on last Saturday night. The lightweights, playing their usual fast and clever game handed the Olympic Club of Evanston, a surprise by defeating them 44-17. The defensive work of Sam Martin proved the feature of the game while Duffy and Phelan ran up the score.  
 In the heavy game the Exiles played rings around Waukegan but owing to weak basket shooting made only 33 points. Waukegan was clearly outclassed and only scored four baskets. Fast and accurate passing by the Exiles featured the game which ended 33-9.  
 The largest crowd of the year turned out and all were more than satisfied with the two games. Next week the lights play the Training A. Y. W. C. A. NEWS

The movie of Snow White given at the Highland Park Theatre Saturday afternoon and evening for the benefit of the Y. W. C. A. was a success from every standpoint. The beautiful story was told in the most attractive form by pictures and music that were most charming. Every seat was filled at each of the three performances and all who witnessed the production were loud in their praises of the performance. The courtesy and interest of Mr. and Mrs. Pearl and the assistance given by the Y. W. C. A. girls and members of the Board and other ladies who disposed of the tickets is greatly appreciated by the Association. We cleared a little over \$100.00 by the effort.
