

Y. W. C. A. NEWS

The play given by the Aster club of the Y. W. C. A. at the Elm Place auditorium Tuesday evening called out a very appreciative audience. The play was especially appropriate for Highland Park at this time as it dealt with the quarantine problem and the "Voice of Authority" kept the girls in camp until all danger from contagion had passed. Their dismay at experiences were exceeded...

A First Aid class was organized Monday evening at the association. Dr. Ullmann will have charge of the instruction. Two lessons will be given each week, Monday and Thursday at 7:30 p. m. There are still a few vacancies as the plan is to have a class of twenty, so if you are interested call up 675. The first lesson will be Monday, April 30.

HIGHLAND PARK M. E. CHURCH

Regular services are held in this church as follows: Sunday, Sunday school at 9:45; Junior League at 2:30; Epworth League at 6:30; Public worship at 7:30. Wednesday prayer meeting at 7:45 and Bible Study at 8:15. Choir rehearsal 8:45.

On Monday evening, the Epworth League held a business meeting. The S. M. B. club met on Tuesday evening.

The adult Bible Class was organized Sunday and is going to be a very successful feature of the church work.

On Tuesday evening, May first, the annual all church gathering will take place at the church.

OSSOLI CLUB

The annual luncheon of the club will take place Tuesday, April twenty-fourth at the Highland Park Club house. Luncheon will be served at twelve thirty and at three thirty. Mrs. Joseph M. Cudahy, vice chairman of the Chicago Chapter, Hospital Supply Committee, American Red Cross will speak. Mrs. Herbert R. Smith will sing. Luncheon reservations should be sent by Saturday to Mrs. William Ruffner. The election of officers for 1917-18 will take place.

A most interesting meeting took place at the Ossoli Club last week when Suffrage was the topic of the day. Miss Grace Packard spoke of the suffrage amendment to the present state constitution. Mrs. Sippy spoke of the Federal Amendment, and Miss Katherine Porter told of the Illinois equal suffrage amendment which would give full suffrage to every woman in Illinois. Mrs. Martin K. Northam, president of the Tenth District spoke also.

PURCHASING POWER OF A SINGLE PENNY

Applied to Electric Bill it Will Purchase Twice as Much as Ten Years Ago

What is the most that may be purchased for a cent? This is the question uppermost in the mind of the average householder as he contemplates the monthly bill and notes that matches, shoestrings, and numerous small articles which used to sell for the lowest bit of American coinage are now placed in the nickel class. Household accessories formerly exhibited on the penny counter are now sold as the "Five and ten," while many goods formerly displayed in the last named stores have been graduated to the department store.

Put to certain uses a penny is indeed a helpless bit of coinage. Yet when a Lincoln penny is applied to the electric light bill it will purchase fully twice as much light, heat and power as a similar amount spent only ten years ago. Fifteen and twenty cents per kilowatt hour were the usual rates but a decade ago, while nowadays the Mazda lamp, the improved electric motor, and the modern electric range make the same amount of electricity go much farther than it used to, while the rate of eight cents per kilowatt for lighting service is now fairly common. Taking eight cents per kilowatt hour as a standard, one cent will purchase enough electricity to:

Light a 25-watt (23 candle power) Mazda lamp for 5 hours.

Make ten cups of coffee in an electric percolator.

Heat milk in a nursery warmer three times.

Make 300,000 stitches on an electric sewing machine.

Heat an electric chafing dish for a quarter of an hour.

Warm a heating pad for two hours.

Make ten slices of toast on an electric toaster.

Heat an electric flatiron for ten minutes.

HIGH SCHOOL NOTES

By the Students

The Deerfield-Shields High School presented the best entertainment ever given at the school last Saturday night, April 14, when the Juniors gave everyone a fine time by having a successful Prom. Nothing was lacking in it this time. The music was so full of "pep" that even some of the faculty could not keep from dancing.

The Junior Forum met Thursday, April 12 to debate on the question—Resolved the D. S. H. S. should have a school paper. The affirmative was taken by Alice Sheer and Eleanor Shea, the negative, by Gottfried Arns-wald and Max Engelhart. The affirmative won. The subject for the next debate is—Resolved, that capital punishment should be abolished.

The baseball game played in Oak Park last week was lost by a score of 5-2, due to the crippled condition of our team. Oak Park won the game through errors, all of which were made by substitutes, which shows quite conclusively that, had the entire team been present we would have won without difficulty.

The team has two games scheduled next week. The first is on Tuesday with New Trier on the local grounds, the second is with Proviso on Friday, also at home. We expect to win both these by a large score.

The spring vacation to which students and teachers alike are looking forward, begins the end of this week and continues until April 30. The following members of the faculty are planning to spend the vacation out of town: Miss Krieger, Peoria and Champaign; Miss Morton, Evanston and Chicago; Miss Anthony, Beryyn, Illinois; Miss Grandy, Louisville, Kentucky; Miss Noyes, Lockport and Beryyn; Miss Ames, Madison, Wisconsin. Miss Griswold will attend a meeting of the Association of Modern Languages to be held in Indianapolis, after which she will visit in Ottawa, Illinois. If Jack Frost succeeds in getting a passport for the arctic regions by Friday of this week, four of the teachers are planning to answer the call of the road and take a walking trip. Walking sticks and knapsacks are all ready to leave for the Wisconsin hills. Weatherman, bring on some warm days, so that Miss Chamberlain, Munson, Reid, and Southwick may sing: "Oh it's good to be out on the road again."

Going one knows not where. The celebration of Paul Revere's midnight ride will be held at the high school this evening at eight o'clock. The following program will be given:
