CITIZENS MASS MEETING

Continued from Page 1

when our country calls, it is for us to respond and show our appreciation of what our country means to us, whether we are foreign born and have adopted America as our own, whether we are American born of American parents, or whether we are American born of foreign parents, as I am, this call appeals to us equally as citizens. Highland Park will respond to this call of the Mayor and we will set an example of patriotism that will shine forth throughout this state."

At the conclusion of the speaker's remarks all those present at the meeting pledged their active and hearty co-operation in the work by rising vote and adopted the following resolution.

WHEREAS, at this critical period in the history of our nation, it is desirable that we record our judgment of the acts of President Woodrow Wilson and the Congress of the United States and pledge our support to the President in the great war in which we are engaged;

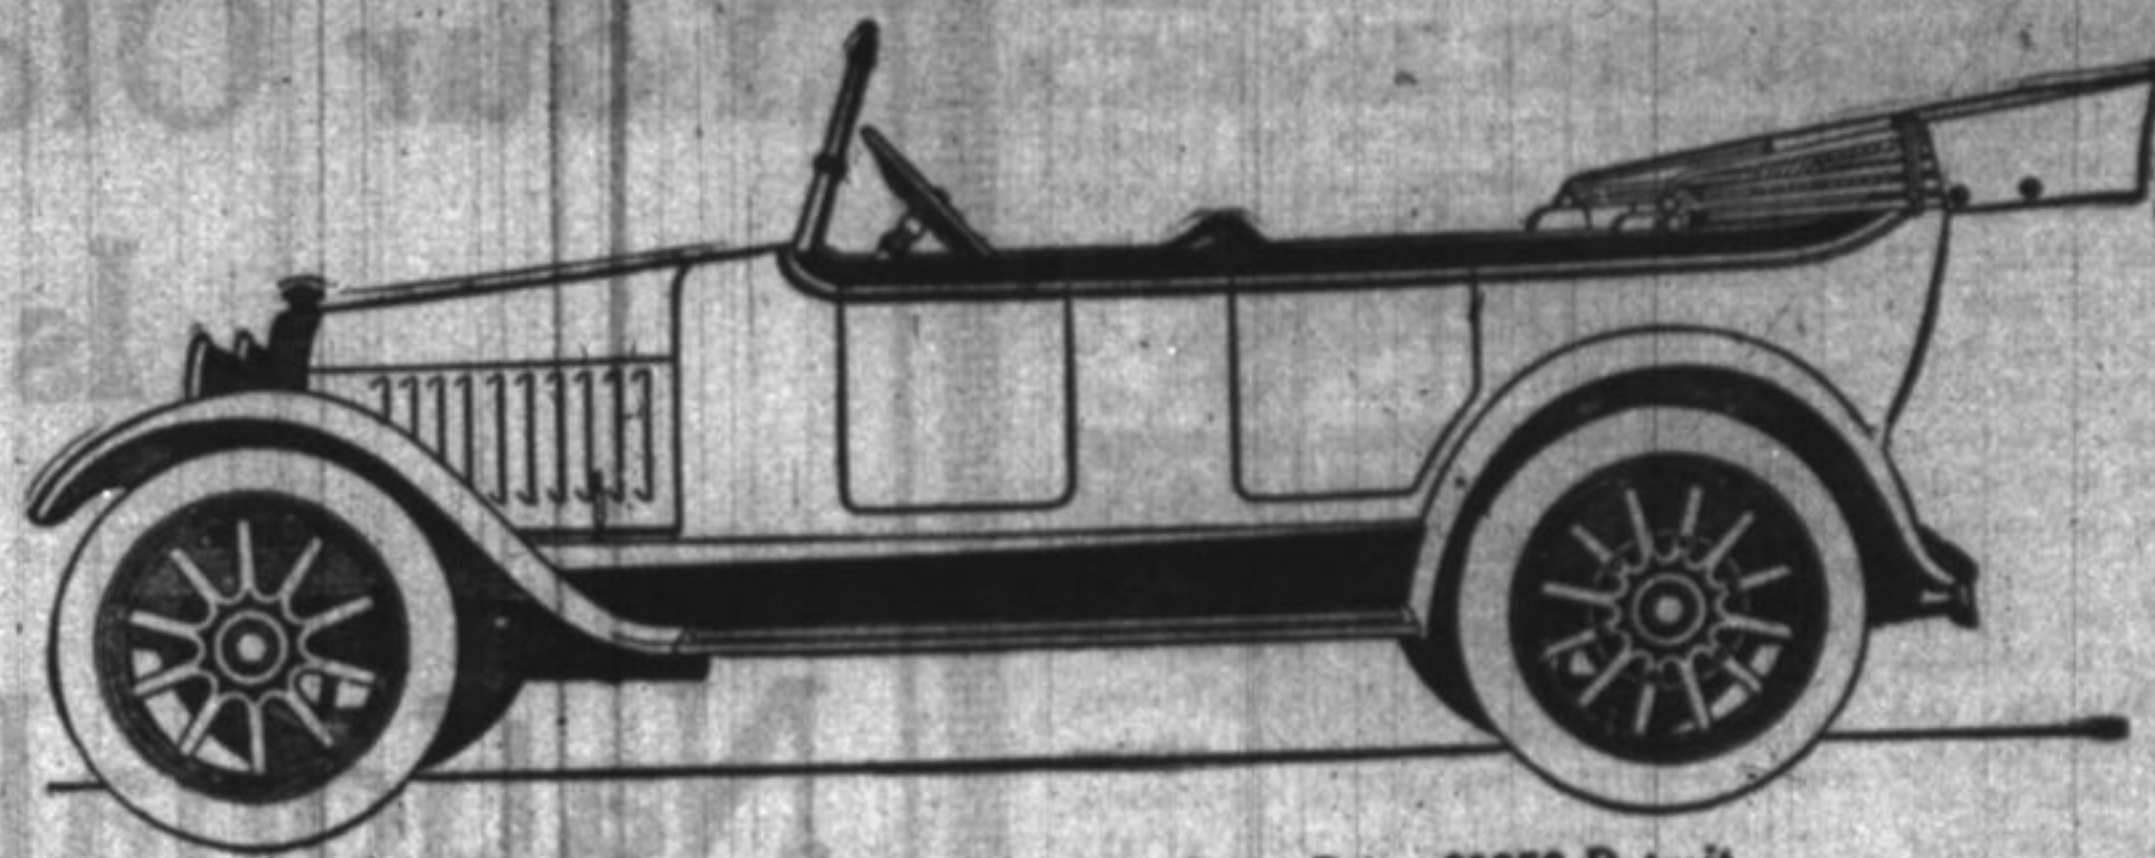

THEREFORE BE IT RESOLVED, That the citizens of Highland Park, in mass meeting assembled do hereby express our hearty approval of the steps taken by President Woodrow Wilson and the Congress of the United States in prosecuting the war against Germany, and we hereby pledge our unwavering support to the president, and we hold ourselves in readiness to do whatever lies in our power to bring this war to a successful termination.

BE IT FURTHER RESOLVED That we endorse the movement to organize a chapter of the American Red Cross in Highland Park and we pledge if our support during the continuance of the war.

BE IT FURTHER RESOLVED, That we approve the movement to increase the food supply of the United States, and we pledge ourselves to this movement in every way that lies within our power.

WOMAN'S CIVIC CLUB

The next meeting of the Civic club will take place at the Ravinia Village House, Wednesday afternoon, May ninth at two thirty. The election of officers and the reading of reports of the different chairmen will take place. This is the annual meeting for members.

Chalmers 7-Passenger Touring Car—Price \$1350 Detroit

Unequaled Performance By Chalmers 7-Passenger—Sets All Motorists Talking

Motorists everywhere are talking of the startling feat performed by a Chalmers 7-passenger touring car in Chicago. Something new has been discovered in motor-car achievements. Something never before attempted, never before done by an automobile. To set a mark of 586.8 miles through Chicago's busy streets was a feat in itself. But to do it all on high gear. To make it a non-stop motor run. To carry four passengers. And to show 14 miles to the gallon of fuel. Adds the cap sheaf of surprise.

When Chalmers started out to attempt the feat they said: "Let us make this complete. Let us omit nothing that can add to the difficulty of performance. Let us leave nothing for the future." The Contest Board of the American Automobile Association certifies that these statements are true.

It has set its seal upon the facts. You can have this flexibility, this economy, this consistent, solid satisfaction in your car. We have on our show-room floor the twin brother of the car that did this. It was a standard, stock 7-passenger Chalmers in all details.

Come and see the car. Come and learn WHY this unheard of feat was possible. Come and drive the car yourself. Feel the charm of a Chalmers.

Table listing car models and prices: Touring Car, 7-passenger \$1350; Touring Sedan, 7-passenger \$1850; Limousine, 7-passenger \$2550; Touring Car, 5-passenger \$1250; Roadster, 3-passenger \$1250; Town Car, 7-passenger \$2550.

A. G. McPHERSON, Highland Park, Ill. 111 East Park Ave., Phone 140

HIGHLAND PARK CLUB

A very pleasant affair was held at the Highland Park Club Saturday evening. A dinner dance with cards and other features wound up the club's social year. The election of officers was as follows: as President, Mr. Carleton M. Vall; first vice president, Mr. Herman Thomas; second vice president, Mr. Robert F. Carr; treasurer, Mr. Frank L. Cheney. For Directors, Mr. Irving Randall, Mr. Roland Hastings, Mr. Ralph Bard, Mr. E. B. Metzler, Mr. Eugene S. Wilson.

MEN TO FORM UNIT FOR MILITARY INSTRUCTION

Meetings to be Held Every Monday Night in Boys Gymnasium at High School

As a part of the scheme of General Preparedness, which is being carried on all over the country, it is proposed to form a unit in Highland Park, of men of all ages who do not belong to any military organization.

The plan is to hold a meeting every Monday evening in the boys' gymnasium of the High School for instruction in the rudiments of military tactics and for drill.

The first meeting which was to have been held last Monday night, but was postponed on account of the mass meeting, will be held next Monday night at eight o'clock. All interested are urged to be present.

PROMINENT CLUBS URGE POTATOLESS MONTH

Scarcity of Supply for Planting is Reason Given for Ending Table Use

A nationwide campaign for a "potatoless month" during May, in order to save the present supply for seed, was begun Tuesday by the Hamilton club of Chicago, which rushed thru plans to carry its urgent appeal to every club, hotel restaurant, grocery and home of America. A bureau for agitating the campaign has been established by the National Defense committee of the organization, in charge of its chairman, Albert N. Marquis. The nature of the campaign planned was revealed Tuesday by Mr. Marquis.

"Our emergency committee is meeting daily," he said, "to consider every means possible for pushing through the national movement to abstain from the use of potatoes until the new crop comes in. Potatoes have already been eliminated from the menu of the Hamilton club, and the Union League club and the Illinois Athletic club notified us to-day that they would join us in the move. We expect every other club in Chicago will take similar action soon."

Table Use "Next to Crime"

"We have also sent personal appeals to our 2,500 members urging them to abstain from the use of potatoes in their home during this season. Already the potato supply has been diminished so much that authorities tell us there is not now a sufficient supply for planting. Therefore, additional table use of them is now next to a crime."

"We are sending out appeals to-day to the business men's association of the 824 cities in the Chamber of Commerce of the United States asking them to urge similar action upon all hotels, restaurants and home owners of their respective cities. We are also asking the mayors of the cities to issue proclamations calling on the people to abstain from potatoes in these critical times."

HIGH SCHOOL NOTES

By the Students

From "The Music News" of Chicago: "Thursday evening, April 18, the Chorus, Orchestra and Mandolin Club of Deerfield-Shields High School of Highland Park, under the direction of Arthur Randolph Fraser, gave a concert that was thoroughly enjoyed by the large audience. Mr. Fraser has been in charge of the music at the school for this year and the concert heard last Thursday evening was proof enough that he has worked hard and accomplished labors worthy of enthusiastic commendation."

"The Wreck of the Hesperus," by Longfellow-Anderson, was the choral offering of the evening and it was a pleasure, indeed, to hear the fresh, young voices of this enthusiastic body of singers. They sang splendidly, too, with a good body of tone and fine regard for the rhythms and phrasing that made the chorus offerings a delight to hear. The solo parts were well done by Florence McGrath, Soprano; S. N. Newhall, tenor; and Rollin Pease, Baritone.

The orchestra does some good playing; in fact, they compare well with other high school organizations heard during the season. The Cadet Band gave some rousing numbers and the Mandolin Club was much enjoyed.

"Highland Park has the talent and they have the right man to bring it out."

Certificates in efficiency in typewriting have been awarded to Helen Scholz, Ruth Frank and Leonard Friebele for writing at the rate of forty words or more a minute, for ten consecutive minutes; on the Underwood typewriter. Ruth Frank has also been awarded a card-case by the Remington Typewriter Company for writing at the rate of forty-one words a minute, for ten consecutive minutes, with not more than five mistakes. Several other students are hoping to pass the May tests which are issued by the Underwood and Remington Typewriter Companies.

The school's crack wall scaling squad went to Ottawa on Friday of last week, and in an evening contest with the Ottawa cadets, had little difficulty in annexing the honors. The time was 9-45. The squad was not pushed by their opponents, or the time would undoubtedly have been faster. Ottawa's best time was 10-5. Captain Geever has promised to assign our cadets to the Tenth Regiment of High School Volunteers and to make them color squad, a most honorable position.

On Tuesday of last week the baseball team played Evanston on the latter's field. The contest resulted in a runaway for Evanston. The score was 15-2. This was a great surprise to the local team, but may be attributed, in a large degree, to the fact that Deerfield's best twirler was on the sick list that day. Had he been in the game the result would have been different.

The team went to play La Grange at La Grange Saturday, but when train time came around, only seven men could be found. As a result of this the game was forfeited to La Grange.

Many student gardens are already planted. Mr. McNutt is growing tomatoes, cabbage and other vegetables for distribution among the students.

The Hiking Four are agreed that taking a hike is an ideal way of spending a vacation. They found splendid sunshine and balmy breezes in the Wisconsin hills, and returned as sunburned and tanned as Indians. Misses Chamberlain, Southwick, Reed, and Munson took to the highroad at Waukesha, stopping at Watertown, Oconomowoc, and Madison enroute to Kilbourn, Wisconsin.

Although the season had not yet begun, an old river man was inveigled into unearthing a dust-covered launch, disclosing all the beauties of the great Dell country with its canyons, gulches, whirpools, and rapids. It was a refreshing experience, guaranteed to remove all cobwebs from tired brains! We recommend such a trip to all of you who do not know how glorious it is to be able to say: "A cool and light-hearted I take to the open road."

Healthy, free, the world before me. The long brown path before me, should went to Ottawa on Friday of last week, and in an evening contest with the Ottawa cadets, had little difficulty in annexing the honors. The time was 9-45. The squad was not pushed by their opponents, or the time would undoubtedly have been faster. Ottawa's best time was 10-5. Captain Geever has promised to assign our cadets to the Tenth Regiment of High School Volunteers and to make them color squad, a most honorable position.
