The Gospel team from Northwestern University comprised of Mr. Bels and Mr. Norton, arrived Saturday afternoon and in working in co-operation with the S. M. B. Club began a work which gives a wider view of life to the young men and women in Highland and North Highland Park. Calls and personal interviews put the workers in closer touch with those among whom the work was to be done. On Saturday evening there was a reception given for the team by the boys in the basement of the church and a typical boys' entertainment was held. Refreshments were served and "stunts" were indulged in to the delight of all present. The work of the team took in a very helpful meeting Sunday evening, when the visitors gave bits of personal experience which proved of great benefit to their listeners.

### PARENTS AND TEACHERS

The next meeting of the Elm Place Parent-Teacher Association will take place on Wednesday, May 14th at two o'clock. Mrs. Helen Harrington Downing of Armour's Domestic Science Department who is a graduate of the Boston School of Domestic Science and has taken special work at Simmons College, has been secured to lecture on "Applied Food Economics." This question being the paramount issue of the day, we hope that a large attendance will benefit by the timely subject.
