EVERY WOMAN URGED TO JOIN RED CROSS

Forty Five Register at New Workshop at Elm Place Auditorium Yesterday

The American Red Cross Workshop located in the northeast corner of the Elm Place school auditorium opened yesterday with an enrollment of forty-five, in the morning. The women are busy making comfort bags for the sailors and also making and rolling bandages. The knitting machines will be here Friday and the making of socks will be started. Funds are needed to purchase supplies and it would be greatly appreciated if checks would be sent to Mrs. W. J. Fyfe, treasurer of the society.

Every woman is urged to join the Red Cross and do her part for her country at home. It is planned to have the workshop open evenings next week so that those who find it inconvenient to attend during the day may do so at that time.

The shop is open from nine a. m. to four p. m. every Monday Wednesday and Friday, and every one is invited to come and do what he can.

"MRS. TEMPLE'S TELEGRAM" AT RAVINIA PARK, MAY 19

D. S. H. S. Alumni Association to Put on Three Act Farce. Plan to be There

"One for the money
Two for the show
Three to get ready
And four to go!"

The money isn't much, but the show is great. Be sure to get ready and don't fail to go to the Deerfield-Shields High School Alumni play to be given on Saturday evening, May nineteenth at Ravinia Park Theatre. "Mrs. Temple's Telegram," a farce in three acts, written by Frank Wyatt and William Morris, and coached by Mr. Charles Mather of Lake Forest is the play, and is said to be the best one ever put on by the Association. The action is quick, the story clever and judging from the successful rehearsals, Ravinia Park will be a most popular place on Saturday evening of next week, and those who go, are sure to enjoy the occasion.

Those who have parts in the play are, Harry Eichler, Adelalde Inman, John Gallagher, Emmett Duffy, Ernest Knudson and Edward Goeley from Highland Park and Loretta Kress, Clara Pyle and Dorothy Beecham from Deerfield.

The proceeds will benefit the Students Assisting Fund, and seat coupons can be procured from members of the association and exchanged at either Schumacher's drug store, here or French's drug store in Lake Forest.

Y. W. C. A. NEWS

The different clubs of the Association are busy sewing these days and the hum of two machines can be heard almost any day, besides the merry chatter of those sewing by hand, thus doing their bit for the country at this time. Besides the work for the Red Cross and Navy League they are covering comforts for the Association.

Mrs. Powell entertained the Visiting Nurse Association of the North Shore Wednesday evening at the Y. W. C. A. Nurses were present from Lake Forest, Glencoe, Winnetka, Wilmette, Highland and Highland Park.

The Annual Rummage sale of the Y. W. C. A. will be held May 24, 25, and 26. Location and particulars will be announced later.

The monthly meeting of the Mother's club was held Tuesday evening, May 8th. Mrs. John O'Connor former president of the Chicago Woman's club gave an address on Conservation that was brimful of good things. She advocated intelligent conserving of food, energy, clothes and time and not the sporadic attempts that the American people are in the grip of at the present moment. The necessity of more time and thought being put upon every day living is highly desirable she advocated in order to get the best out of life just at this time, when uncertainties of every nature stare us in the face. Mrs. O'Connor is a great lover of nature and closed her address with a plea for the Dunes, showing blue prints of the flora of that interesting spot. She also had several mounted birds from our own locality and told of their value to us in conserving grain, trees and shrubs from the attacks of insects. The Association was enabled to hear Mrs. O'Connor thru the courtesy of Mrs. H. J. Thayer, and it is hoped that she will be able to give us another meeting next fall. Mrs. W. T. Meyers sang two very pretty songs. She has a voice of rare sweetness and her encore, "The Song My Mother Sang" appealed very strongly to her hearers. Mrs. W. E. Brand accompanied her. The next meeting of the Mother's club will be Tuesday, June 5th, and will be the last meeting of the season.

ELM PLACE SCHOOL

Miss Irene Jones, who has been undergoing treatment with specialists in Bloomington is very much improved and has resumed her work in the third B grade.

Mr. L. H. Maynard a veteran missionary from the northern provinces of India gave a lecture on Tuesday evening on his twenty-five year's work in India. He talked very entertainingly about his experiences there.

The children of the 5 B-room entertained a live ruby crowned kinglet on Tuesday, which had had an injury to its wing but was otherwise quite lively. It was imprisoned temporarily in a small paper bag and the bag and its contents weighed on delicate scales. The total weight was eleven and six tenths drams. The empty bag was afterwards found to weigh five drams, which showed the little bird weighed six and six tenths drams or a little more than the empty bag. As an ounce is a little more than twenty-eight drams, the pupile figured it out that the kinglet weighed less than one quarter of an ounce. A very interesting fact in connection with this is that these tiny birds winter as far south as Central America and though weighing considerable less than an ordinary letter sent thru the mails, they have the power to travel hundreds of miles to the northern regions of the United States and Canada where they build their summer homes.

The 8 A class had a field trip on Monday to study the city equipment and the work of the officials of the city hall. The next field trip of the civics class will be to Waukegan to study the work of the county government. This same group had a trip to the Art Institute under Miss Giffie's direction.

Miss Jones of the Elm Place school resumed her work there on Monday after an absence of five weeks.

EBENEZER EVANGELICAL

"Mother's Day" one of the glorious days in Sunday School activities will receive due recognition in both Sunday School and morning worship. Aside from the study of the regular lesson (Jesus the true Vine, John 15: 1-16), there will be features of special interest to the mothers of the scholars who attend Ebenezer Sunday School. At the close of this service the pastor will deliver a short address on a theme vitally connected with "Mother, the Queen of the Home." A cordial invitation is extended to all to whom this day is of importance.

The evening worship begins at 7:30. German prayer meeting Wednesday, 7:30.

English prayer meeting and Teachers meeting, Thursday, 8:00.

E. M. Umbach, Pastor.

BUSINESS MEN'S BOWLING LEAGUE

This is the last week of the Business Men's Bowling League and the last games are going to be hard fought, the leaders, Larsons Stationers being only one game ahead of the Majestics, and two ahead of the Reliable Laundry.

Lencioni of the Majestics proved to be "there with the goods" last Friday night when he rolled a 700 series. This is high individual series for the League.

Larsons are leading with high team series with 2833, and the Majestics high team game with 1010.

Although the teams are comprised of the pick of the bowlers, they do not seem to be "hitting 'em" as the scores are barely above those rolled by the winter league, which included the "slower" bowlers. The Palace Cash Market had extremely hard luck in getting the pins to fall, and they bid fair for the "tail enders".

The following is the standing of the clubs:

	Won	Lost
Larsons Stationers	16	11
Majestics	15	12
Reliable Laundry	14	13
Highland Park Press	12	15
Palace Cash	10	17
