DO NOT NEGLECT YOUR EYES

If they in any way bother you, consult an eye specialist.

IT IS DANGEROUS TO WAIT.

Optometry means eye service. The optometrist not only makes a careful and scientific examination of your eyes, he also furnishes and adjusts your glasses—all for the one price. And because he knows your eye needs he understands just how your glasses should be made and fitted. This means a safe, satisfactory service at a reasonable cost, \$3.50, \$5 or more according to the quality of the lenses and mountings you select.

FIRST UNITED EVAN.

Corner of Green Bay Road and Laurel Avenue, C. G. Unangst, Pastor. Here, as in other churches, Parents Day was duly considered. The pastor pointed out the duties and privileges of the fathers and mothers in implanting the right kind of ideas and habits in their children, for after all the home is the first school. The boys and girls also were inspired to a greater appreciation and consideration of those who in the end prove to be their best friends on earth.

Such days as this make us stop and ask ourselves "Are We Honoring Our Parents by the lives we live?" The services were very well attended. The program for next Sunday will be:

Sunday School at 9:30. Lesson found in Isaiah 28:1-13. "The Importance of Self Control." (Temperance Lesson). 10:45 Pastor's sermon on "Wrong Estimates of Christ."

K. L. C. E. at 6:45 (notice the time) Topic "Growing as Christ Grew." Luke 2:41-52, led by one of the younger members, Bernice Botker.

At 7:45 (also notice the time) the evening service opens with good music and good spirit. It closes that way, too. Rev. Unangst will preach on "God's Call to the Heroic." Does that mean go to war? Come and see.
