

LIBERTY LOAN BONDS —PATRIOTIC AND SAFE

GOOD INVESTMENT FOR ALL

Subscriptions or Any Desired Information May be Had at Any Highland Park Bank

There is a great campaign for thrift being conducted all over the United States—thrift in production by the farmers and other producers, thrift in economy in use and consumption by all persons, and thrift in saving. This thrift campaign is nation-wide. Not only have business, manufacturing, agricultural, and other associations and individuals taken up this campaign, but it has been carried into universities, colleges, and schools.

In connection with the last aspect of this thrift campaign, that of saving, the Liberty Loan Bonds of 1917 offer an ideal investment of savings for small investors. No other small investment, or large one either for that matter, has quite the advantages that the Liberty Loan Bond has. Savings invested in a Liberty Loan Bond are just as safe as it is possible to make them and will constantly draw interest. While the interest is only 3 1/2 per cent, the bonds being nontaxable makes the investment the equivalent of a 5 or 6 per cent interest-drawing investment in ordinary securities.

Not only is the investment absolutely safe but it is practically as readily converted into money as a United States Treasury note. To dispose of one of these Liberty Loan Bonds may require the owner to go to a bank instead of passing it over any counter. Yet this is an advantage. The trouble and time required to convert the bond into cash will give the owner time for thought and reconsideration, and it is not improbable that in many instances the result will be that the savings invested in a Liberty Loan Bond will be preserved intact where savings in money would be spent, in part if not in whole.

There is one other incident to be considered in regard to the purchase of a Liberty Loan Bond. The investment has a nature which should appeal to every American citizen. It is backing our Government, helping the winning of a victory for America in war. This has no money value, but it has a value not to be measured in dollars and cents.

Prompted by patriotic motives and with a view to giving the public all the desired information and all the services possible in connection with subscriptions to the Liberty Loan, the Highland Park Banks jointly and severally volunteer their services and facilities.

Other War Loans Compared to That of Ours

Great Britain's estimated wealth is \$85,000,000,000; she has made three great loans since the commencement of the war, aggregating \$10,000,000,000. Her last loan which was the greatest single loan ever floated in the history of the world, it was taken up in 30 days, 5,289,000 individuals subscribing to the loan. One person in every 11 inhabitants of the United Kingdom subscribed to this loan, and the average subscription was \$950, though a great many subscribers took only \$5. The great number of subscribers to this loan is pointed out as evidence of the patriotism of the British people.

Germany's wealth is estimated at \$80,000,000,000. Germany has put out five loans since the commencement of the war, aggregating \$11,750,000,000. In Germany's latest loan 1 person in 12 of the population is reported to have subscribed, and the average amount taken by each subscriber was \$700.

Taking into consideration these figures, the \$5,000,000,000 loan of the United States with an estimated wealth of \$20,000,000,000 and a population of over 100,000,000 seems almost small. With a wealth nearly three times as great as that of Great Britain it is trying to borrow less than one-half of what Great Britain has borrowed. With a population one and one-half times as large as that of Germany our loan is much less than one half of the amount that Germany has borrowed.

America's Liberty Loan is less than one-sixth of the bank deposits in our country. An ordinary borrower does not think he is ruining himself when he borrows 40 per cent of the value of his property. The United States is borrowing less than 3 per cent of its wealth.

NORTH SHORE ASSOCIATION HOLDS REGULAR MEETING

Samuel M. Hastings Re-elected President. Heads of Park Boards to be taken in Membership

At the regular meeting of the Association of North Shore Municipalities held in the city hall last Friday evening, the following were unanimously elected as officers of the Association for the fiscal year: Samuel M. Hastings, president; W. W. Pearce, vice-president; E. A. Warren, secretary; F. W. Penfield, treasurer; Samuel S. Holmes, counsel.

The treasurer's report showed that the membership fee of \$25.00 had been paid in by ten cities belonging to the association making a total of \$250.00, together with an expenditure of \$139.50. An executive committee consisting of F. W. Penfield, W. D. McKenzie and Keene H. Addington was appointed to whom will be referred such matters as may come to hand for immediate consideration, between the monthly meetings.

The City Clerks of the eleven municipalities in the association were appointed assistant secretaries to cooperate with their mayor in the work of their committees.

Upon a motion of F. W. Penfield a resolution will be presented at the next meeting which would permit the Presidents of Park Boards of the eleven municipalities being members of the association.

The next meeting of the association will be held at the Moraine Hotel on Monday, June 18th.

DEERFIELD HOLDING ITS OWN IN ATHLETICS

Track Meet With Oak Park on Saturday Gives Local High School Good Standing

Deerfield Shields High School is closing the athletic events for the year, and in review of the work, Mr. John L. Rothacher, the coach is much pleased with what the boys have done.

On Saturday the track team went to Oak Park and won second place in the Suburban League in Junior and senior track. In the senior events Harold Plagge won the mile, with 9 points to his credit, Seward Baldwin won third place in hurdle, Wallace Kimball tried for individual honors, and with 13 points to his credit won first place in the broad jump, first place in the high jump, and second place in the hurdles, Clarhew Morgan won first place in the shot put, and third in broad jump. Both Lee Jackson and A. Ritter won places in hurdle events with the scores, 220 and 650. The last five mentioned fellows played Junior events.

There is to be a national Inter-scholastic Track Meet at the University of Chicago, Saturday afternoon, teams from all over the country participating. Harold Plagge from Deerfield will be entered in the half mile and mile events. It is hoped that Plagge will repeat some of his good work.

LINCOLN SCHOOL PUPILS AND ALUMNI BANQUET

Parents and Teachers Give Charming Affair at School House, Saturday

The Parents and Teachers of the Lincoln School gave a delightful party on Saturday evening to the members of the alumni of the Lincoln School who are still in the High School and the members of the eighth grade class. The banquet table was artistically decorated in red, white and blue; tulips being the flowers used. Favors were also given, the girls receiving pamphlets telling the story of Betsy Ross Flag and the boys receiving the story of a man without a country. Mrs. Freeman acted as Toastmistress and Mr. Wright was master of ceremonies. The presidents of the classes which graduated also gave short speeches. After the banquet, dancing was enjoyed.

DISTINCTIVE CHANGES AT MORAINÉ HOTEL

SODA FOUNTAIN INSTALLED

European Plan Inaugurated. First Dinner Dance of Season Saturday Evening June Ninth

A number of changes have been effected in the arrangement of the Moraine since last season. The office has been changed over to the North side of the lobby which gives the clerks and management a much larger working space, as well as concentrating the telephone switchboard and letter boxes all in one room.

The most important change is in the style of managing the house which is transferred from an American plan hotel to one on the European plan. Under the new arrangement quotations will include rooms and breakfast only, giving guests the choice of having luncheon and dinner table d'hote or a la carte, signing a separate check for each meal. When required, rates on the straight American plan will be made, but the European plan as modified is the plan that seems to meet with most favor.

A soda water fountain has been purchased and is now being installed in the new tea room. This department will also handle gum, candies, salted nuts, etc.

The first dinner dance of the season is announced for Saturday evening, June 9th, and there will thereafter be a dinner dance Tuesday and Saturday evening during the season.

The hotel is having a large business with the officers training camp at Fort Sheridan and during the dinner hour almost any day there is a decidedly military air about the house. The training these young men receive at the post seems to strengthen their appetites as well as their muscles.

DR. H. B. ROBERTS RECEIVES PATENT

Improved Telephone Bracket Which can be Pulled out, Invented

Doctor, Lawyer, Merchant, Chief—Let's add inventor to this string of professions, all in honor of Dr. H. B. Roberts, who has just received from Washington, D. C., papers in which he has been given proper credit for the invention of an improved telephone bracket.

The ordinary telephone bracket which allows a telephone to be pulled out, from the wall or desk, was all well enough for other people, but Dr. Roberts decided that he wanted one which could be raised up at different heights. There was no such thing on the market, so he set to the task of inventing one. In one week he had completed the idea, and now after proper legal proceedings the patent has been issued and he has one of his telephone brackets attached to his office desk.

C. W. BUCKLEY RED CROSS SHOP BUSY

Meetings are Held Four Days a Week and Those Attending Turn Out Much Work.

Enthusiasm and interest are both manifest in meetings which take place, Monday, Tuesday, Thursday and Friday of each week at the C. W. Buckley home. Mrs. Buckley has turned over her gardener's cottage into a most attractive Red Cross Shop and there the meetings take place. Mrs. Buckley gives the instruction, and those who do not care to take the instruction, may do sewing instead. Surgical dressings are being turned out, and everyone who attends the meetings is very interested and is showing the correct spirit. Mrs. Buckley extends a cordial invitation to any one who cares to come and sew, or take the instruction.

This Red Cross Shop has been in existence since last July and with the Central Red Cross Shop located at the Elm Place school, turns out a great deal of work.

COUNCIL TAKES ACTION ON METER READING

PLAN CITY HALL ADDITION

Retaining Wall to be Built for Protection of Water Works Located on the Beach

Inasmuch as the Water Department is required to do a great deal of extra work in connection with the turning on and off of water services, and in making special reading of meters for owners renting and tenants occupying houses, during the summer months, the council, at its regular meeting Friday, resolved that the Water Department be instructed to discontinue the special reading of meters for owners renting and tenants occupying houses, except upon the payment to the City Collector of one dollar to cover the cost of making each special reading of their meters, and that before any special reading of meters is made that the owners be required to sign a written guarantee, that in the event that their tenants do not promptly pay to the City of Highland Park their bill for water rentals and the extra charge of one dollar for each special reading of their meters, they will pay the same upon written notice given by the City Collector.

This action was considered necessary, as in a great many instances, the owners and tenants have differences of opinion regarding the liability and payment of water rentals, which have delayed collections, and, in some cases, resulted in a financial loss to the city.

The application to the council of Anna R. Bloomfield to drive or operate a motor vehicle was granted.

A voucher for \$300 was ordered drawn in favor of Mrs. J. C. Morrison, treasurer of the Visiting Nurse Association, that amount being one half of the amount appropriated as salary for the Visiting Nurse for the fiscal year.

Upon a motion of Commissioner Hitchcock the annual appropriation bill was ordered amended by adding \$2500 for the purpose of building a retaining wall, or other suitable protection for the water works located on the beach, at the lake front park, said ordinance to be amended to remain on file in the City Clerk's office, for public inspection, until its final passage.

Commissioner Bahr moved to pass an ordinance providing for the construction of a concrete cement sidewalk on the north side of Bloom street from St. Johns Avenue to Logan Street, said ordinance to remain on file in the City Clerk's office, for public inspection for one week. Motion prevailed.

Commissioner Haber moved that the plans and specifications for an addition to the City Hall, as submitted by Brown and Walcott, architects, be accepted and approved and that the City Clerk be authorized to advertise for bids for the construction of same. Motion prevailed.

Plans for the proposed addition are on file in the office of the City Clerk.

The council in a resolution adopted, stated that the City of Highland Park, has not accepted any of the streets, alleys or highways set forth in a certain plat and subdivision described as a "Subdivision of a part of Block 1, Exmoor Addition to Highland Park, in the west 1/4 of the northwest 1/4 of Section 23, Township 42, North, Range 12, East of the Third Principal Meridian, and parts of lots 1, 8, and 10, in Block 36, in Highland Park, Illinois, in Lake County" and has not accepted a certain strip of land dedicated by Charlotte Lewis for the purpose of a public street and highway, being a 10 foot strip in lots 9 and 10, in block 36, Highland Park, Lake County, Ill., as shown by certain Deeds of Dedication made by Charlotte Lewis and recorded in the Recorder's Office of Lake County, Illinois, on the 20th day of January 1916, in Book G of Corporations on page 132, as document No. 152872.

CHANGE IN PLANS

Due to late change in plans the motion picture show, advertised under the name of Kaon Bros., appearing on page two, has been postponed. Further announcement will be made later.

ELM PLACE SCHOOL HOLDS EXHIBITION

Every Grade Appears in Interesting Affair at the School Thursday Evening Last Week

On Thursday evening Elm Place Grammar School opened its doors to the public for an exhibition of school work. Materials used in the school room work done by the pupils, and practical lessons were all part of the exhibit. In each room, from the lowest grades up to the highest each demonstrated their different subjects showing interesting specimens of each.

Much enthusiasm was shown in the butter making, the stories of the different flags, the illustration of the Colonial days, with the spinning wheel, which tells of many a pretty romance, the different process of food manufacture, the electrical exhibition, and the numerous other attractions, all of which, bespoke a keen insight into every detail which was displayed.

A number of the children appeared in costume, lending much atmosphere to the affair.

The teachers all must have worked very hard and untiringly on this interesting entertainment and much credit is due them for the splendid showing made.

"THE VALENTINE GIRL" IN MOVIES, SATURDAY

Charlie Chaplin in "The Cure" to be Given at Local Theatre on Thursday

The following program of motion pictures will be given at the Highland Park Theatre next week, Sunday, "Broadway Jones," with Geo. M. Coban, and a comedy, Monday, vaudeville and four reels of pictures; Tuesday, "The Page Mystery," with Carlyle Blackwell and June Elvidge; Wednesday, "The Night Workers," and Patria; Thursday, "The Cure," with Charlie Chaplin; Friday, "The Lonesome Chap," with House Peters and Louise Huff, and a Mr. and Mrs. Drew Comedy; Saturday Margoerite Clark in "The Valentine Girl."

DR. H. B. ROBERTS RECEIVES COMMISSION

Is Made First Lieutenant of Medical Section of United States Army, Officers Reserve

Dr. H. B. Roberts has received a commission from the United States Government making him first lieutenant in the medical section of the Officers Reserve Corps of the U. S. Army. The commission is dated May 19th, and Dr. Roberts is prepared to go as soon as the call is given. No one knows when or where those who receive commissions will go.

COMMITTEE APPOINTED FOR 4th CELEBRATION

ASK ROOSEVELT TO SPEAK

High School and Ravinia Pla-
toons of Home Guards to
Assemble in Business
District Monday

The fourth meeting of the Highland Park Defense Council was held Tuesday evening, May 29, in the Council Chamber of the City Hall. Reports were made by the chairmen of the various committees.

At a meeting of the Patrol Committee on Sunday afternoon a general committee was appointed to take charge of the Fourth of July celebration.

Hon. S. M. Hastings, Mayor, Executive Office.

Mr. Geo. A. Mason, President, Highland Park Home Defense Council.

Mr. Earl W. Spencer, Chairman, Patrol Committee Home Defense Council.

Mr. Geo. F. Bock, President, Highland Park Business Men's Ass'n.

Capt. O. H. Morgan, Representing G. A. R.

Mr. Geo. O. Fairweather, President (Continued on Page 5)

REGISTRATION DAY TUESDAY JUNE FIFTH

POLLS OPEN FROM 7 TO 9

All Men Between the Ages of 21 and 31 Must Register Under the Selective Draft Law

Tuesday, June 5th, from seven a. m. till nine p. m. has been designated as the day when all men between the ages of 21 and 31 must register under the selective draft law. Sheriff Griffin and County Clerk Hendee have completed plans for the register in Lake County, having spent a busy week in securing polling places and obtaining volunteers to act as judges and clerks.

It is absolutely compulsory that every man between 21 and 31 years, register no matter if he is not a citizen of the United States, he must register. A jail sentence is in store for those eligible to register and fail to do so, also for any who intentionally give wrong or misleading answers to the questions asked.

As accuracy is the important feature of the registration, the registrars request those eligible to familiarize themselves with the questions to be asked, so the work can be gotten through with as quickly as possible. A copy of questions to be answered will be found posted at your polling places, which should be carefully read and studied before June 5.

Deerfield township has five precincts, with registration places as follows:

First precinct in charge of E. S. Gail and John Oliver at Highland Park Trust and Savings Bank.

Second precinct in charge of A. W. Himmler and W. F. Hogan at City Hall in Highwood.

Third precinct in charge of John L. Udell and J. J. Brand at Fire Station, Highland Park.

Fourth precinct in charge of A. E. Smith and J. E. Conrad at Highland Park Press Building.

Fifth precinct in charge of E. W. Schumacher and R. W. Hawkins at 43 S. St. Johns Avenue, formerly Purdy's Hardware Store.

Following is a list of questions those registering will be asked:

1. Name in full.
2. Home address.
3. Date of birth.
4. Are you a citizen, etc.
5. Where were you born.
6. What country subject of.
7. Present occupation.
8. By whom employed, where employed.
9. Anyone dependent on you.
10. Married or single.
11. What military service.
12. Do you claim exemption. On what grounds?

The government has estimated that 7,000 may register in Lake county and the allotment of blanks was based on this estimate. It is considered hardly probable, however, that more than 3,500 will register in the county.

There has been quite a lot of discussion as to what will constitute an exemption, whether a married man will have to register, and many others.

For those in doubt, we have looked up the law and find that any male person who was born between June 6, 1886 and June 5, 1896, both dates inclusive, must register.

Marriage, if between the above ages, will not be accepted as an excuse for not registering.

If crippled, deaf, dumb or blind, one must register regardless.

Two ways are provided—first, by appearing in person at the polling place of home precinct; second, by mail—if sick, or the person expects to be absent from home on June 5th. In either case go to the clerk of the county, where you happen to be, at any time before June 5th—and follow his instructions; if too sick to do this, send a competent friend. The Clerk may deputize him to prepare your card.

After the registration is completed, names will be drawn by lot by the fairest system that can be devised. Persons whose names are drawn and other persons interested will be given an opportunity to present claims for exemption, exclusion, or discharge from the draft and to support such claims by evidence.

The determination of whether a particular claim for exemption, exclusion, or discharge shall be granted will be made by boards to be appointed.

(Continued on Page 5)
