

Do You Know

That we serve the best home made ice cream.
 That we serve dainty luncheons?
 That we serve delicious dinners?
 That we want you to *prove*, by a trial, that what we say is true?

Your Patriotic Duty—Buy a Liberty Loan bond.

Your Patriotic Duty—Buy a Liberty Loan Bond.

We cannot endorse the roof-garden; farm vegetables are high enough.

There is no harm in a man's posing as a genius if he is self-supporting.

A few small countries now have a monopoly of a great mass of neutrality.

While no fear is felt that the people of this country may be reduced to a diet of asparagus, the food situation is serious, nevertheless.

Having earned the enmity of the world is not likely to cause the Teutons any regret, if they can only win. The good ship Mongolia chose a very effective method of making her nationality plain.

The greater part of the world is now engaged in continuing what is heartily wished was ended.

Many unexpected things have taken place in the present war, but it does not seem likely that Germany will ever sue for a separate peace.

German soldiers are likely to experience some envy of the superior rations of those comrades who were made prisoners by the enemy.

Sarah Bernhardt continues to surprise the world by physical as well as intellectual vitality.

The volunteer system is not without its temptations to stand aside and let the other man bear the burden.

Literature circulating pacifist apologies for slackers has done more to reconcile thoughtful citizens to a curtailment of the freedom of publication than any other influence of the present time.

Now is the time every patriot should do his "bit" and if he is a farmer, by raising a bumper crop of grain and potatoes, and if he is not a farmer, then raise a garden in his back yard. Every little bit helps.

The metropolitan dailies are raising a "howl" because of the censorship of the papers. The big dailies want to not only tell us about our military movements but the "enemy's" as well. Congress should pass the rigid censorship law even if it does displease a few big publishers. We can afford to have our liberties curtailed for a short while if we are enabled to defeat our enemy the quicker thereby.

FIRST UNITED EVAN.

The attendance at both services last Sunday was large and the sermons were especially good.

"The Importance of the Recognition of God in the Life of the Nation," Since it has been ordained that "the ultimate victory belongs to God, independent of human failure, and service," if you think by policy and diplomacy to maintain your strength without recognizing God, you are doomed to disaster—the only way to reserve a place in His final victory, in fact, the only "need of the hour, is humiliation, confession of sin and surrender to God." This in answer to the question, "Does America need Christ?" was the sum of the pastor's Memorial sermon on Sunday morning.

Next Sunday at 9:30 the Sunday school will resume their study of "Jesus—Betrayed and Denied," John 18:1-18.

During the morning worship at 10:45 the pastor will enlarge upon the subject "Abiding in Christ."

K. L. C. E. meets at 8:45 for a monthly consecration meeting and will discuss the topic "Confidence and How to Get It."

A week from Sunday, Children's Day services will be held in this church. Special exercises are being planned for both morning and evening.

EBENEZER EVANGELICAL

Sunday Services:

Sunday School, 10 a. m.

Morning Worship, 11 a. m.

Evening Worship, 7:45 p. m.

German Prayermeeting, Wednesday, 8 p. m.

English Prayermeeting and Teachers' meeting Thursday, 8 p. m.

Rehearsal for Children's Day, Saturday afternoon at 4:00 o'clock.

E. M. Umbach, Pastor.

GARDEN CLUB

The next meeting of the Highland Park Garden Club will take place Tuesday morning, June fifth at ten o'clock in the morning. The subject will be "Understudies in the Garden," given by Miss Katharine Beebe. The members are asked to bring luncheons, and after luncheon the club will visit different tulip gardens in town.

WEST RIDGE SCHOOL

On Tuesday evening the pupils and their teacher, Miss Bessie Baker, entertained friends of the school at a May Party. As no May Party is complete without the pretty May pole dance, the children frolicked about a May pole, trimmed with flowers and colored ribbons. The remainder of the program consisted of songs and recitations by the pupils. Interpretative dancing to American airs was an attractive feature of the occasion. Ice cream and cake were sold for the benefit of the piano fund.

PRESBYTERIAN CHURCH

The Rev. John William Haman, D. D., Ph. D., from the Woodland Park Presbyterian Church of Seattle, Washington, will fill the pulpit on Sunday, June 3rd, at the eleven o'clock morning service. Dr. Haman who was a commissioner to the Presbyterian General Assembly recently held at Dallas, Texas, is an able speaker and comes with a strong message on "The Cross of Christ in the Light of the Modern World Crisis." Surely, this subject is pertinent and while attention is being just now focused on the Red Cross, it should be remembered that the "Cross of Christ" always precedes and makes possible this humanitarian work. It is well to be reminded of these things and all should endeavor to hear this message. Sunday morning service at 11 o'clock with Sabbath School just preceding, starting at 9:30 o'clock.

The usual Wednesday evening prayer meeting will be omitted this week and in place a congregational meeting is called for that evening in accordance with the following notice:

In accordance with the Rules of the church, governing in cases of this kind, notice is hereby given that there will be a meeting of the congregation and members of the Highland Park Presbyterian church on the evening of Wednesday, June 6th, 1917, at eight o'clock, for the purpose of selecting a congregational Pastoral committee to consider the vacancy in the pulpit of this church and to recommend steps to fill the same and for the transaction of any other business which may properly come before said meeting.

By Order of the Session
 May 18, 1917.
 Rev. J. G. E. McClure, D. D., Moderator.
 A. W. Vercoe, Clerk.

HIGH SCHOOL NOTES

By the Students

A meeting of the girls was held at noon Monday, at which officers were elected for the General Canning Club. Evelyn Foote was elected president, Mary Fay, vice-president, Elizabeth Keough, secretary, and Henrietta Shreve, treasurer. The committee for constitution was appointed, together with nominating committees of three from each local club. The work of each club is to be supervised by a graduate of the school or by some one who is studying at a school of Household Arts.

Senior examinations were held on Wednesday of this week. The rest of us wish ours were over!

Friends of the school are cordially invited to attend the commencement exercises which are to be held Friday night, June first, in the high school building.

The most exciting game of the baseball season was staged on Saturday of last week when the team went to Proviso. Although they were defeated by a 6-5 score it took nine whole innings to do it and quite a bit of luck on Proviso's part. Both teams, however, played good baseball and the winners worked hard for their victory.

ALFRED TYSON, MEMBER INVENTOR'S INSTITUTE

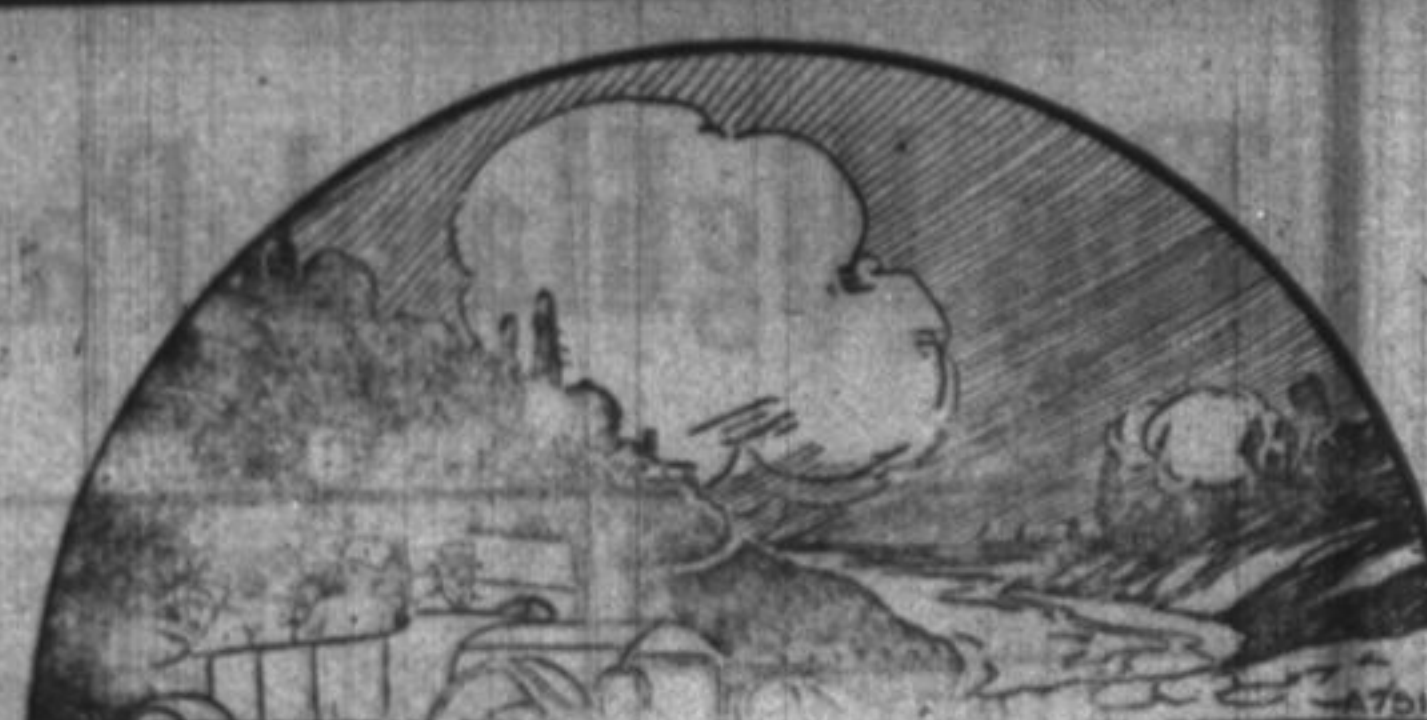

Honor is Bestowed on Local Man Who Invented Turf Ventilator For Lawn Improvement

Alfred Tyson of Glenview, and the inventor of the Turf Ventilator for the improvement of lawns and golf greens, for which he holds U. S. patent No. 1217245, has been further honored during the past week by being invited to become a member of the National Institute of Inventors. He will have a prominent part on the Agriculture board of that body, which is national in scope, and will in all probability be assigned to territory in this district. Mr. Tyson is at the present time in charge of the construction of the new Bob-O-Link Golf Ground near this city, which plot he has transformed from a rolling prairie to a beauty spot in a remarkably short time.

FIRST CHURCH OF CHRIST, SCIENTIST
