A Greater Business—A Greater Store—and Better Service

THIS GREATER PROGRESS SALE, with its multitude of matchless economies, has been planned in keeping with the spirit of progress which at all times dominates the promotion of this store.

It is the result of our present growth and development. It is the result of an ambition to increase our business to a much greater volume—to build this into a greater and better institution, for the more we grow the more we can save on our purchases, thus enabling us to make lower prices to our customers.

It is a sale actuated by an ambition for greater progress, offering money-savings which are doubly interesting, because of the steady advance in the price of all lines of merchandise.
