LOCAL CHAPTER D. A. F. IN CHICAGO PARADE

TO AID BRITISH RECRUITS

Seven Cars Drive to Chicago from Highland Park on Thursday Last, and Made a Gay Showing in Busy Loop

On Thursday morning of last week seven girls of the Barbara Fritchie Chapter of the Daughters of the American Flag and some of their friends went into Chicago to help in the big parade for Great Britain's recruiting week.

In the first car rode George Washington and General Morris (Lea and Lemar Fearing) watching Betsy Ross (Evelyn Oliver) at work upon the first American flag, Barbara Tapper (as the child of the well known picture) was in this group, also Pocahontas (Elizabeth Morrison) in her beaded dress and long black tresses-suggesting America's heritage of romance from her early dark hued daughters. Mrs. J. C. Morrison also rode in this car, the banner of which read, "Betsy Ross making the First American Flag."

In the second car rode the officers of the chapter, Captain, Grace Carqueville; treasurer, Frances Holbrook; Betty Shields, the secretary found it impossible to be present; Catherine Carqueville and Evelyn Foote, and Mary Kimball also rode in this car with Mrs. C. N. Kimball, Mrs. Joseph Holbrook and Mrs. Ross J. Beatty, while Barbara Fritchie, (Frances Buell) loyally waved her flag as of old, and girls believe many a son on the streets vowed to "Save his Country's Flag." The banner with this car read, "Barbara Fritchie Chapter D. A. F." also "Illinois," in honor of our glorious state and its loyal daughter Mrs. Alfred Martin, head of the Daughters of the American Flag of Illinois.

On the third car the banner read "The Daughters of America and the British Isles join hands."

Here rode Columbia (Miss Dorothy Brown) with her white and red roses of England on either hand (Mrs. Alice Rockey of Devonshire and Miss Grace Bricknell of Somersetshire; Eng.) also Mrs. Annie Worth of Devonshire as the Ivy of England, Miss Euphemia Scott of Dundee, Scotland, Miss Anna Carson from Belfast, Ireland, and Miss Maud McPadden whose relatives have been gallantly fighting with the famous Canadian regiment. As this group found its way thru the streets of the loop thronged with Uncle Sam's sons and daughters "seriously appreciative of it all, the English girls threw out their roses, white and red, and the Irish girl potatoes from her heavily loaded basket and many an anxious face peered out from among the banks of faces and smiled. Then came the car with the banner "The Girls of America stand behind their English brothers" and who better than Mrs. Earl W. Spencer to honor this group. Here Wilbur Chapman of Berkshire, Eng., found his place with the enthusiastic young daughter. Continued on Page 4

MISS CUSHING IN WAR EMERGENCY WORK

Gets Appointment from Chattanooga, Tenn., Y. W. C. A. Leaves Local Association Tuesday Evening

Miss Margot Cushing left Friday evening for Chattanooga, Tenn., to take charge of the War Emergency work for the National Board of the Young Women's Christian Association. The offer came to Miss Cushing entirely unsought and unexpected and it is a great compliment to her to be selected for so important a work as the Training Camp at this place cares for over six thousand men with absolutely no Y. W. C. A. worker in the field. The need is very great and in assuming this responsibility Miss Cushing has the best wishes of her many friends who feel that she is fully able to cope with the situation. The local association where she has been one of the most faithful of the Volunteer Workers regrets her departure but is unselfish enough to see the broader field ahead. The Bluebird club whose leader she has been for the past two years gave a farewell party for her Thursday evening and presented her a beautiful bouquet.

UNIFORMS AND RIFLES FOR HOME GUARDS

Local Organization to Become a Unit of the State Military Training Corps

Tuesday evening a plan for a permanent organization of the Highland Park Home Guards was presented and approved by the Highland Park Defense Council. Enrollment blanks are being printed for the men to sign. As soon as a sufficient number join the organization it will be recognized by the State Council of Defense as a unit of the State Military Training Corps and will be permitted to drill with guns and in uniform. The matter has been thoroughly canvassed and the plan adopted is in successful operation in Oak Park, River Forest and Evanston and is the only plan of organization which the state will permit to drill in uniforms and with rifles.

From the form of enrollment below it will be noted that the organization is entirely voluntary and no one will be obligated for service outside of the City of Highland Park:

1. I hereby apply for membership in the Highland Park Military Training Corps, which is to apply for membership as a unit of the Volunteer Training Corps of the State Council of Defense.
2. I agree to obey the rules and regulations established by constituted authority for the government of the Corps, and to submit to military orders and discipline when on duty.
3. I agree to give two hours a week to drill and instruction and to attend drills regularly and promptly unless excused by proper authority.
4. I agree to be responsible for all State or United States property which may be placed in my hands and to pay for all damage done to same through my own carelessness or fault.
5. I understand that enlistment in the Corps does not relieve me from the draft for the Federal Service and that this agreement does not obligate me to serve in any National Guard, Regular Army, Draft Army or other military or naval force. I understand that the obligation here taken is for military training and for active service only on call of the civil authorities of the City of Highland Park. Any service outside of the City of Highland Park shall be entirely voluntary.

CHARLIE CHAPLIN IN "THE IMMIGRANT" MON.

Mary Miles Minter in "Environment" Friday, Evelyn Nesbit and her Son, Saturday

Next week's motion pictures will include the following: Sunday, "The Silent Master," and a Fox Comedy; Monday, Charlie Chaplin in "The Immigrant," and "The Double Cross;" Tuesday, Susan Grandaise, the sweetest girl in France, in "When True Love Dawns," Pathe News and a comedy; Wednesday, Jack Gardner, in "The Range Boss" and Mary McAllister in "Do Children Count," Thursday, Earle Williams in "The Soul Master," Friday, Mary Miles Minter in "Environment" and a Mr. and Mrs. Drew Comedy; Saturday, Evelyn Nesbit and her son, Russell Thaw in "Redemption," a photo play from life.

THIEF GETS GEMS OF OPERA SINGER

Robs Carolina White of \$10,000 at Russell Hall Sunday Morning. No Clew to Thief

Early Sunday morning Miss Carolina White, who is singing at Ravinia Park this season, was robbed of \$10,000 worth of jewelry. Miss White and her husband who live at Russell Hall had returned from the opera late Saturday evening and upon retiring opened their windows. About 2:30 Miss White was disturbed and upon waking saw the figure of a man disappearing through an open window. Her husband notified the police department and began a chase. No arrests have been made as yet, though both Highland Park and Chicago police are working on the case. Miss White offers \$1,000 as a reward for the recovery of her jewels.

ARMY-NAVY CENTER NEEDS YOUR SUPPORT

CAN YOU SPARE 50 CENTS?

This Organization is the Best of its Kind in the U. S. According to Authority. Help the Boys

About a week ago the Finance Committee of the Army and Navy Center sent out some thousand neat and appealing little cards, asking for pledges of from fifty cents to a dollar a month, payable to Mrs. George R. Jones, Treasurer of the Army and Navy Center. After a slight but sobering interval a dozen or so of those cards came back.

The Army and Navy Center-with great circumspection and economy-can be run on a hundred and fifty dollars a month-not less. It is a very careful institution. The past month has taught the committee frugality. And the committee had no leanings toward extravagance, in the first place.

The Army and Navy Center belongs to no club. It belongs to no one committee of women or men. It belongs to Highland Park. And Highland Park, it does you honor. Mr. Adams-the chaplain of the R. O. T. C.-says that the Center is the most practical, democratic and altogether successful bit of war relief work that has been done in or near any of the training camps in the United States.

And in this rather startling assertion Mr. Adams has been seconded by a man of national weight, a man who has been delegated to investigate conditions about the camps, who has visited our center and who announces that it is practically the only constructive organization for the benefit of the soldiers that he has seen. That man is travelling on now, spreading the doctrine of the Highland Park Army and Navy Center and trying to establish other similar institutions in the neighborhood of other camps.

All of this, Highland Park, has cost you very little trouble or money. The work has been done by a small group of ladies and an even smaller group of very patriotic and generous Highland Park tradesmen. A. W. Yowell is one of them. He decorated the whole Center free and got special permission from his union to work on Saturday and Sunday in order to finish in time for the opening. Frank Siljestrom is another. Every day, regularly and faithfully, he fills the Center ice box with ice. Tillman Brothers, with equal goodness, provide all the water that the soldiers care to drink and that, on a recent hot Sunday, ran to about twenty gallons in one day.

Every day upwards of a hundred soldiers come into the Center. They are boys from all over the country, boys who are working hard to get ready to fight for us and who have every day-an hour or two for their own amusement. They come into the Center on page 8

ANNIE L. MCKENZIE RESIGNS POSITION

To Take Effect September First. Accepts Library Work at Deerfield Shields High School

Miss Annie L. McKenzie has accepted the position as librarian at the Deerfield-Shields High School, and after September first will devote all her time to her new position.

Miss McKenzie has, for the past three or four years, been dividing her time between the high school and the local public libraries, but on September first her resignation which has already been tendered, will take effect.

Miss McKenzie has served as librarian since 1913, and previous to the time held the position of assistant librarian for six years. Miss McKenzie's service has always been a marked feature of dependability at the library, and her friends all wish her the best of success in her work at the high school.

In her place comes Miss Ruth Judd, a graduate of the University of Syracuse, New York. Miss Judd who is at the present time at the library of the University of which she is a graduate, has done similar work in Waterbury, Connecticut, and comes to Highland Park with a thorough knowledge of her work.

DEFENSE COUNCIL IN IMPORTANT MEETING

TWO COMMITTEES CREATED

Mayor Addington of Lake Forest to be Asked to Address the Next Meeting of the Council

The Highland Park Defense Council met Tuesday evening at 8 o'clock in the City Hall. Two new committees were created: first, the Women's Committee, Miss Margaretta Brown, chairman, Mrs. W. J. Fyffe and Mrs. Robert Trimble; second, a committee on Food Production and Conservation, Burridge Butler, chairman, Richard L. Sandwick, Jesse L. Smith and William R. Ruffner. The Women's Committee will put the Defense Council in touch with the local women's activities and with the women's committees of the State and National Councils of Defense. The committees on Food Production and Conservation will be a point of contact between the Defense Council and the Patriotic Food Grower's Association, which is doing a splendid work in Highland Park.

Mrs. W. J. Fyffe was appointed chairman of the Publicity Committee in place of Mrs. Robert F. Carr who will, however remain a member of the committee.

Earl W. Spencer, chairman of the Patrol Committee, recommended a re-organization of the Home Defense Guards on permanent lines. The plan of enlistment follows somewhat the plans successfully worked out in Evanston and Oak Park. The Council adopted the report and ordered the chairman of the Patrol Committee to have the necessary registration and enlistment blanks printed. When the guards are re-organized on a permanent basis they will select their own officers.

West Point Cadet Paul B. Malone, who drilled the battalion for two weeks, has left the city for a month and has regretfully announced that he will not be able to assist further in the training of the men. Another competent drill master will be secured.

Mayor Addington of Lake Forest will be asked to explain to the Council on page 8

COUNTRY FAIR DATE SET FOR SEPT. 1ST

All You Patriotic Food Growers Double Your Efforts to Make This a Great Success

The Country Fair which the Highland Park Garden Club is managing will be held at the Highland Park Club House Saturday, September first. There will be prizes for all sorts of different features and already the various committees have been at work a long time perfecting their plans.

This new feature promises to be most interesting and if the same interest continues to exist in the next month as in the past weeks, Highland Park will make a good showing among other "Patriotic Food Growers."

Be sure to bear this date in mind, and all you food growers, double your efforts so as to make your "last bit" your "best bit."

PRIZES AWARDED TO SUCCESSFUL BABIES

Last Evening at Pearl Theatre Mayor Hastings Presents Two Little Folk With Gifts

Last evening at the Pearl theatre prizes were given to the successful babies of the recent baby campaign. Janet McCaffrey, daughter of Mr. and Mrs. John McCaffrey has been the most perfect baby for two years, and Carl Stranger, son of Mr. and Mrs. Halden Stranger has made the best improvement since the examinations were held last.

The babies were presented with little gold pins by Mayor Hastings who made an address.

In addition to the presentation of the prizes Mr. Pearl showed very interesting pictures along Baby Welfare lines. The pictures were explained by Miss Karey who is doing work among babies in Chicago.

PATRIOTIC VESPERS TO BE HELD EVERY SUNDAY

Everyone is Invited to Come to Lake Front Park for an Hour Between 7 and 8

Announcement is made of a series of patriotic vesper services, to be held at Lake Front Park every Sunday evening from seven to eight o'clock until further notice. Next Sunday will see the first of these services which will be given under the direction of Chaplains Gilkey and Adams. At a further service Father Vattman and other Roman Catholic dignitaries will have charge. The program for the first service will include a prayer, a solo, addresses by Mayor Hastings and the two chaplains, and a song service. A cornetist from the Fort Sheridan band will lead the singing.

The services are given under the auspices of the Army and Navy Center with the following ladies in charge, Mrs. Robert B. Gregory, chairman, assisted by Mrs. George Jones, Mrs. W. A. Alexander, Mrs. Richmond Dean, and Mrs. McGregor Adams.

Everyone is welcome to any or all of these services. Go to the services, give the boys a friendly hand shake, and enjoy the wonderful opportunity of singing with them.

HOME DRILL CORPS. ATTENTION TO ORDERS

Monday, August 6th, Election of Permanent Officers Will be Held By Order

As the members of this Drill Corps have understood that their officers have been appointed to their positions as temporary officers and as the consensus of opinion among the members of this Corps is found to favor an election of permanent officers, it is hereby ordered that all present officers are reduced to the ranks, that on Monday, August 6th, 1917, this volunteer Drill Corps will proceed to the election of permanent officers. The following men: Messrs. Sandwick, Thayer, Van Schaick, Purdy, Booth, Spencer and Carqueville are to comprise the nominating committee that will proceed to make two nominations for each of the following offices: Major, two Captains, two First Lieutenants, two Second Lieutenants, and one Adjutant. The officers elected will constitute a board of officers to nominate non-commissioned officers the same nominations to be confirmed or rejected by the Major.

Members of the corps are requested to meet at the flag staff, corner of Central Ave. and Sheridan Road Friday evening at 8 o'clock.

By order of L. A. Hine, Acting Major.

BATHING BEACH IS OPENED UP AGAIN

Water Analysis Shows that Normal Conditions Have Returned. Do Not Swallow Any Water

Analysis of the water at the bathing beach shows that conditions have returned to normal and that the beach is now open for bathing. Bathing is cautioned however that the water is fit for bathing only, and that they must not swallow any of it. Permits for the use of bath houses and lockers may be obtained from the city clerk at the City Hall. It is suggested that residents boil all lake water for drinking purposes.

CHRISTIAN SCIENCE LECTURE TOMORROW

Mr. W. D. Kilpatrick, C. S. to Speak at Church Edifice, Hazel Avenue

A free lecture on Christian Science will be given tomorrow evening under the auspices of First Church of Christ, Scientist, Highland Park, at the church edifice at eight o'clock. The lecturer is W. D. Kilpatrick, C. S., a member of the Board of Lectureship of the Mother Church, the First Church of Christ, Scientist in Boston, Mass. The public is cordially invited to be present.

POLICE DEPARTMENT ASKS COOPERATION

WOULD MAKE TRAFFIC SAFE

Warning to be Given to Automobile Drivers on First Offense for Speeding. Second Offense Means Arrest

The Police Department of Highland Park are asking automobilists to cooperate with them in making traffic safer in Highland Park, and to that end are adopting a new feature in their handling of offenders of ordinances governing speeding and parking of automobiles.

A very neat and unique card embodying the nature of the offense is filed out by an officer and handed to you, if you are breaking the law, and primarily is to serve as a gentle reminder that if you do it again you will be arrested and fined.

Below is a copy of the card given to offenders:

CITY OF HIGHLAND PARK Warning to Automobile Drivers

This notice is the first warning to you.

Your number is filed with the Police Department.

If we find occasion to stop you a second time, you will be fined the full limit of the law for reckless driving.

It is our desire to treat you courteously and if you cannot reciprocate in the same spirit, you will have to suffer the penalty of arrest and fine.

Parking of Cars

Parking station is between Green Bay Road and Sheridan Road on Central Avenue.

Ordinance prohibits parking of cars on any other streets in Highland Park exceeding one hour.

Please observe these rules; otherwise you are liable to arrest and fine.

Month	Day
Hour	Year
Name of Owner	
Name of Driver	
Make of Car	Color
State License	
Wheel Tax No.	
Street Timed Over	
Miles Per Hour	
Officer Serving Notice	
Remarks	

Highland Parkers and visitors to Highland Park using automobiles should be careful not to drive recklessly and also observe that the parking district is on Central Avenue between Green Bay Road and Sheridan Road. This parking space has been set aside chiefly for those driving to the Lake Front Park or Beach. However, the law is that you cannot park your car on any other street longer than one hour.

Out of town picnics and beach parties are restricted in the use of the park and bathing beach.

HOSPITAL BOARD MEETS ON SUNDAY EVENING

Advisory Committee Decides on More Economical Plans. Subscriptions Continue to Arrive

The advisory board of the Highland Park Hospital Association consisting of Mayor Hastings, Messrs. Richmond Dean, D. S. Boynton, and E. V. Price, met at the residence of Mr. Price on Sunday evening together with the architect, Mr. Roy E. Pingrey, Mr. W. H. Baldwin, chairman of the building committee and Mr. Kirschberger.

The latest plans of the hospital were gone over thoroughly, and after careful consideration it was decided to have the plans all revised, making more economical changes. The advisory board is determined to build a complete hospital, but the cost will positively be within the limits of its resources. The committee has been quite successful in obtaining additional subscriptions and within a few days will complete its canvass of those citizens who have as yet not contributed. Information concerning the hospital activities will appear from time to time.
