On Preparedness

Nations as well as individuals should be prepared for emergencies.

Are you prepared? Suppose your glasses are broken; have you another pair to take their place until they are repaired or must you go without them and suffer annoyance and headaches? Is it worth while to suffer even for one minute?

If you will consider it carefully you will readily see the necessity of having two pairs of glasses. The second pair, for use in emergency only, can be put up very reasonably.

Please call and talk the matter over, and let us adjust your glasses at the same time.

DEERFIELD NEWS ITEMS

One of the leading and prettiest events in the social season of Deerfield occurred when Miss Clara Louise Pyle, daughter of Mrs. Amelia Pyle, was married to Mr. Edward James Bingham of Chicago, on Labor Day, September third. The wedding ceremony was performed in the Holy Cross church with an eleven o'clock mass, Rev. James Ryan officiating. The church was beautifully decorated with roses and asters. The beautiful voice of Miss Gladys Easter of Chicago, added very wonderfully to the occasion. Rev. Ryan spoke most complimentary of the bride who has been a well known resident of Deerfield for a number of years. Each guest received a place card representing a bride and a groom and a favor in the form of a suitcase, signifying the departure of the bride and groom.
