

NORTH SHORE CEMETERY

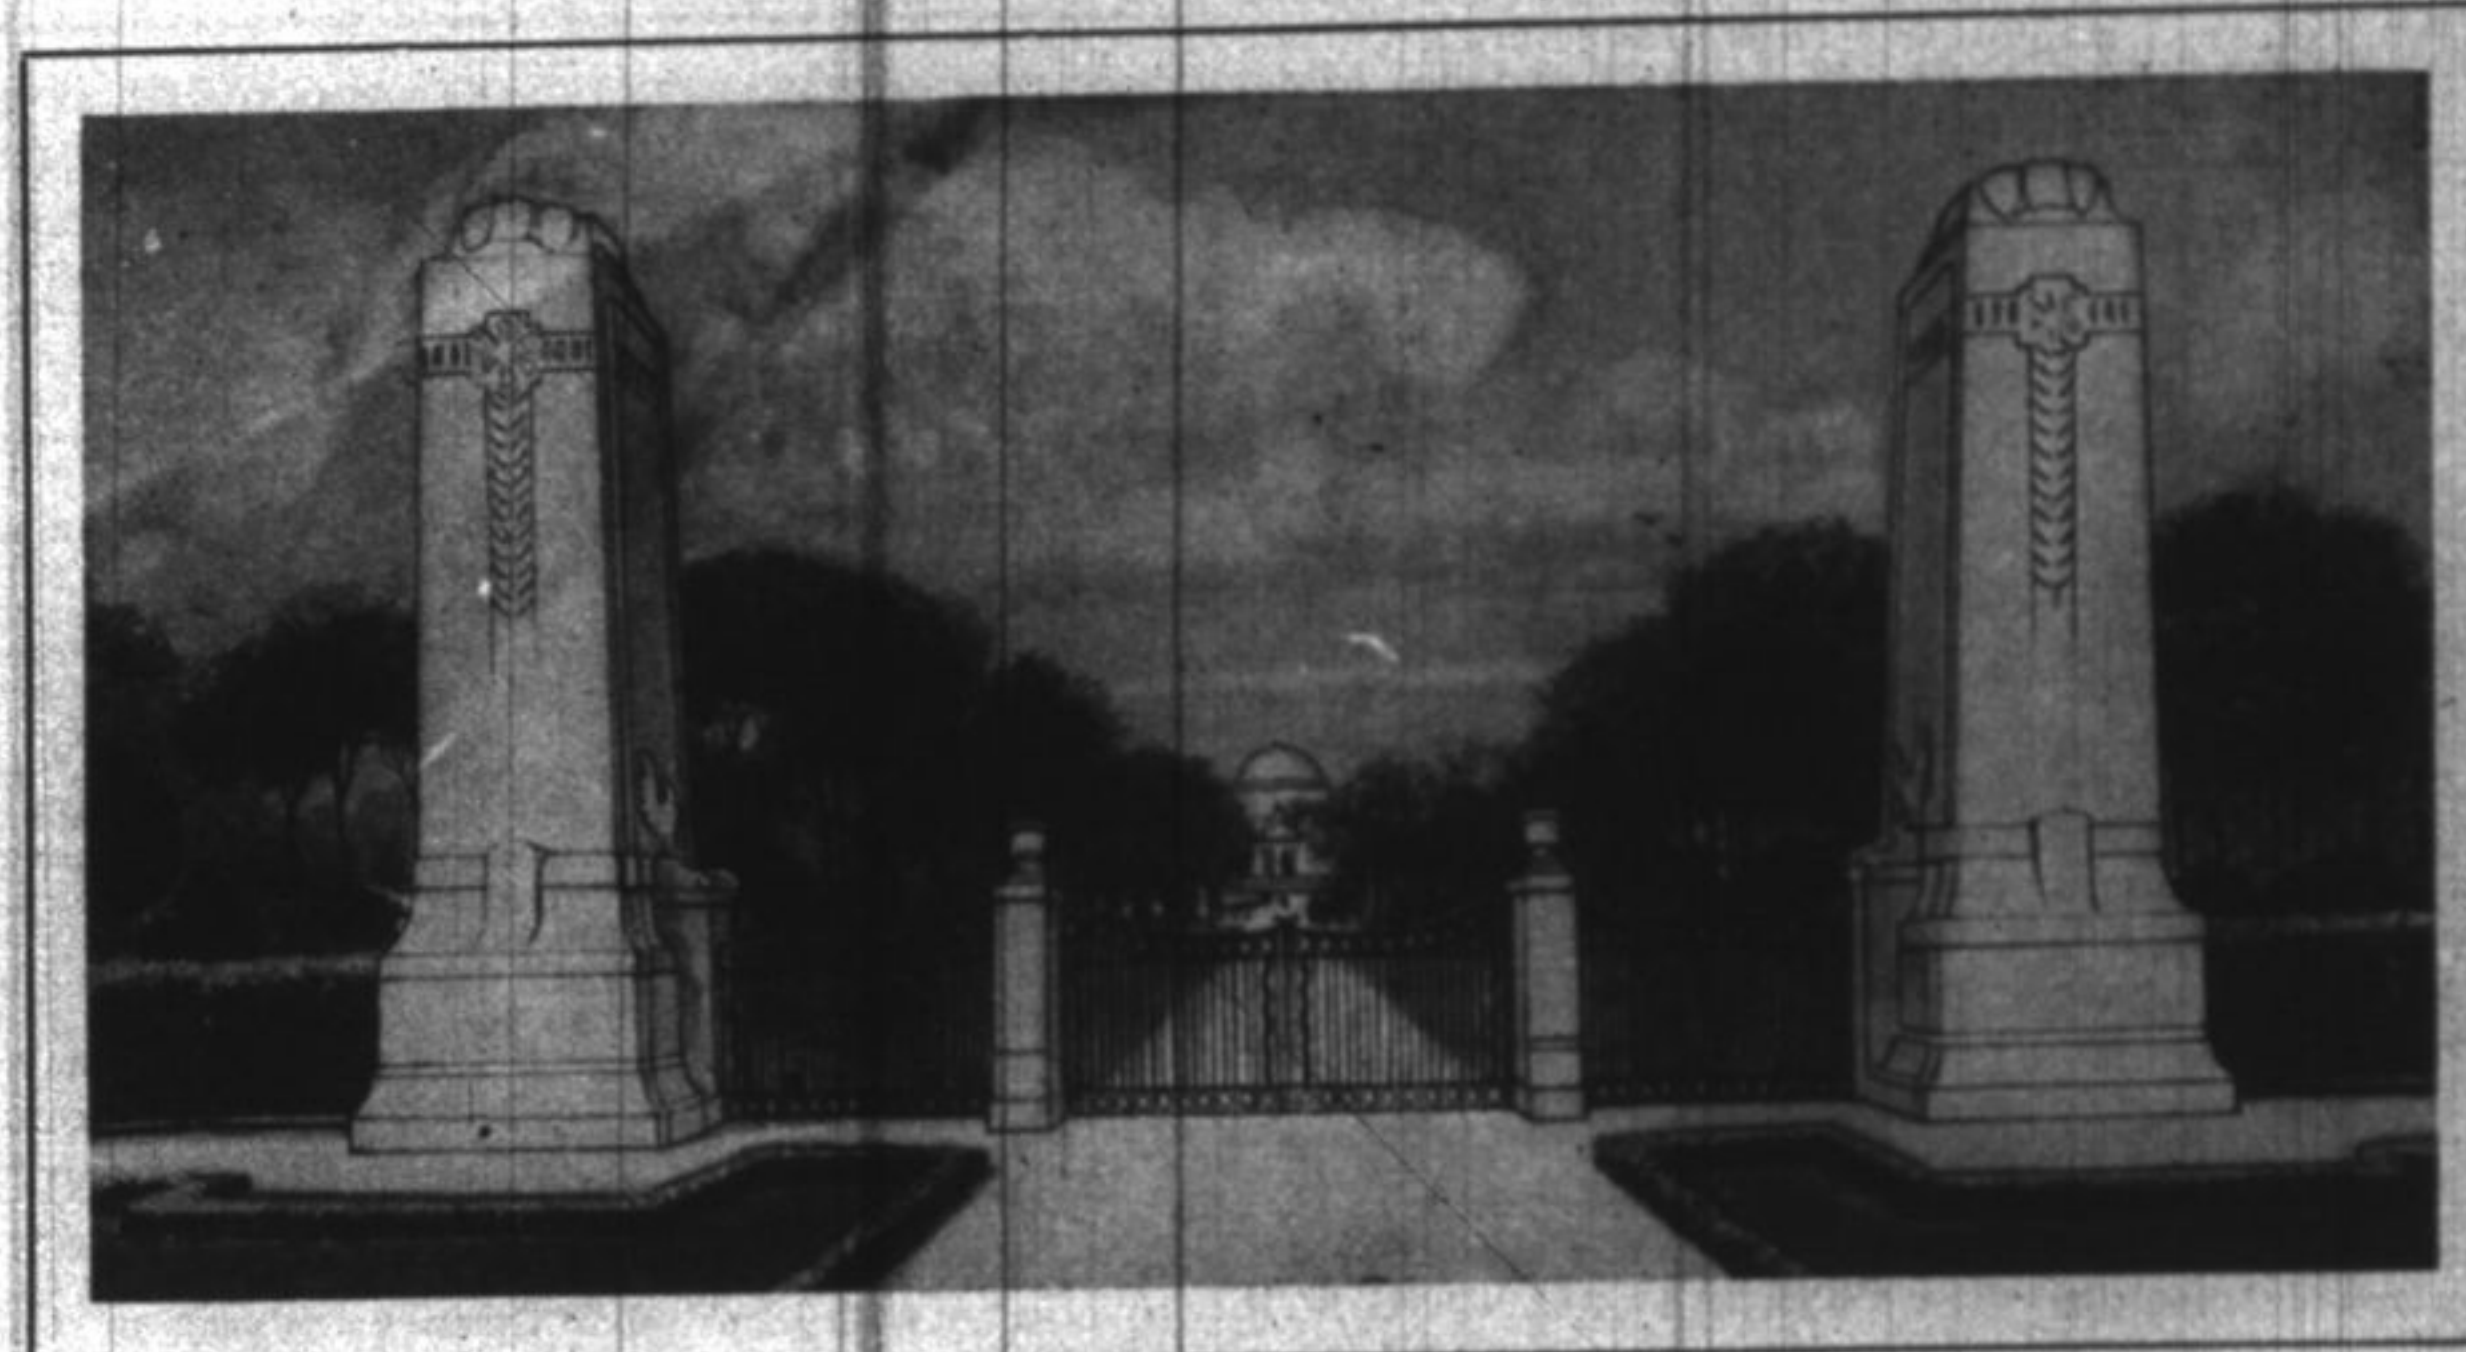

CHICAGO AND THE NORTH SHORE'S NEWEST AND
MOST MODERN PERPETUAL CARE INTERMENT PARK

Now being developed on the Green Bay Road, north of Lake Forest

Lots in this cemetery will be cared for without expense to lot owners for all time to come. A fund, created through the sale of lots will maintain the cemetery alike throughout without ever assessing any lot owner for the same. The Chicago Title and Trust Company are the Trustees of this fund and they guarantee its investment.

Perfect drainage is being laid. North Shore Cemetery will be the most perfectly drained cemetery in the entire country.

Columns on each side of the main driveway will rise to the height of 30 feet, being 10 feet square at the base, and built of solid light Vermont granite.

These columns will face the Green Bay Road, but will be recessed back 200 feet, giving a beautiful, broad, expansive approach 150 feet wide by 200 feet deep.

MAIN ENTRANCE

Lots are now selling at very reasonable prices and upon terms to suit the convenience of the purchaser. No taxes at any time. Each lot sold must face a pathway or have a pathway leading from the driveway to the lot. We cannot sell you a lot without such a pathway.

A descriptive booklet may be had by addressing the
