LOCAL COAL SITUATION SERIOUS

(Continued from Page One)

delinquencies of the careless and shiftless. Dealers cannot purchase any coal without spot cash, so be fair with them.

3. Everybody should realize the situation and should make every endeavor to help. It may be more pleasant and more satisfactory for you to have your bins filled and let the other fellow wait. This is not patriotic and not fair. The dealers have been requested, while the present stringency prevails, to deliver not to exceed one load (a maximum of 3 tons) to any individual at a time. They have acceded to this request, so that the public should appreciate that if larger deliveries are refused, the dealers are acting upon the suggestion of the coal committee.

4. One price will be maintained by all dealers. This price will be fixed upon the basis of a small advance upon actual cost. The dealer who in the past has catered to your requirements should be consulted. Shopping for prices should be eliminated. All will be treated alike, and with the many difficulties confronting us every patriotic citizen should lend his aid. Fault finding, argument and harsh words merely intensify the difficulties and accomplish absolutely nothing.

May we suggest that the greatest publicity be given these suggestions and that all be urged to cooperate to the fullest extent with your committee in solving this perplexing problem?

The plans we have in mind have been submitted to men whom we believe are in a position to render us valuable assistance and who have promised their aid and support.

These plans are not sufficiently worked out to submit them in detail as yet. A further report will be submitted from time to time.

We thank you for the opportunity you have accorded us to in some way do something in helping, practically, our fellow citizens and we will be very glad to continue our efforts if it is your pleasure.

On behalf of the Committee,
 George A. Schofield

Although the prices on all kinds of materials have been advanced from 25 to 50% our prices will be the same as before.

Council of National Defense WOMAN'S COMMITTEE
 Official News Notes on all War Work

The local committee of the Women's Council of National Defense is holding classes in the art of registration for the benefit of those Highland Park women who have been appointed to act as registrars in the nation-wide registration of women for war work, which is to take place during the first week in November. Such classes have been held at the Presbyterian church at 2:30 p. m. on Wednesday and Thursday of this week and other similar classes will be held at the same place and hour on Wednesday, Thursday and Friday of next week. All registrars are urged to attend.

American Fund for French Wounded
 Mrs. John Grenville Mott requests donations of old clothes, shoes, etc., (with which to fill boxes which she plans to send to the liberated districts of France) within a few days. The French, it seems, come in assorted sizes and tastes, so any size or type of garment for man, woman or child winter or summer weight, will be equally acceptable. If those who have garments to donate will communicate with Mrs. Mott she will have the articles called for.

The committee of the American Fund for French Wounded meets on Wednesday at the Parish House. An all day session ensues during which luncheon is served for the workers. All interested ladies are urged to come and help.

Scraps of soft material—flannel, cotton, feathers, etc.—for stuffing pillows are wanted by the fund; also old gloves, which are used in making vests for the soldiers.

Daughters of the American Flag
 The Daughters are now meeting on alternate Saturdays at nine in the morning at the C. N. Kimball residence on Green Bay Road. The next meeting will take place on Saturday, the 27th of October.

Army and Navy Center
 Great glee has recently been occasioned among the patrons of the Army and Navy Center by the arrival of a pool table, the gift of Mrs. Alexander Carqueville. Also, however, this added attraction makes it necessary for the committee to repeat that the facilities of the Center are intended for the use of men in uniform and their guests only, and that idle civilians are not welcome to linger in the rooms.

This week the first "register" of the Army and Navy Center ran out and a second "register" had to be installed. The first retires honorably during the three months since the 4200 names, the accumulated signatures of soldiers and sailors who, during the three months since the Center opened, have enjoyed and appreciated the conveniences of the rooms.

Gifts of candies or cookies are always very welcome at the Center. Such gifts should be reported to Mrs. Lloyd Bergen of the House Committee who will take charge of them and

Y. W. C. A.

The new hospitality room for women which has been opened under the auspices of the Y. W. C. A. Association at Fort Sheridan is welcoming their acquaintance as they might be received in any home and are served with light refreshments. This pleasant new social activity of the league is rapidly attaining very great popularity with all concerned.

The Y. W. C. A. headquarters and the Association Home (where rooms are rented to women relatives of the men at the Fort) are both full and waiting lists for both places lie upon the secretary's desk.
