ADD THREE PRECINCTS TO THIS TOWNSHIP

CHANGE IN POLLING PLACES

County Board Divides Deerfield Township into Eight Voting Precincts Instead of Five as Formerly

When voters of Deerfield township go to the polls next Tuesday to vote at the special judicial election and the county good roads bond issue, they will find a complete change in precinct lines.

Owing to a greatly increased population and the additional votes which woman's suffrage has brought it has been found necessary to increase the voting precincts in this township from five to eight. This necessarily changes the boundary lines of all former precincts.

To enable the voter to locate his or her polling place the Press prints the following boundary lines of precincts together with the polling place in each precinct:

First Precinct: All territory north of Chicago Avenue and west of the railroad, also all north of Bloom Street east to Oak Street, then all north of Broadway. Polling place City Hall, Highwood.

Second Precinct: Bounded on the north by Bloom St. and Broadway and on the south by Vine Ave. and on the west by the railroad. Polling place Deerfield Shields High School.

Third Precinct: Bounded on the north by Vine Ave. and on the south by Central Ave. on the west by the railroad. Polling place, James Duffy's office, Central Ave. and Sheridan Road.

Fourth Precinct: Bounded on the north by Central Ave. and on the south by Beech St., on the west by the railroad. Polling place 15 S. St. Johns Ave., store formerly occupied by Knapk Bros.

Fifth Precinct: Bounded by Beech Street on the north and the County line on the south, on the west by the railroad. Polling place McGuire & Orr's office, Ravinia.

Sixth Precinct: Bounded on the north by Chicago Avenue, on the east by the railroad to Elm Place then west to Green Bay Road then south to Central Ave. then west on Central to township limits, on the west by township limits. Polling place Henry Edwards Confectionery store, 506 N. Green Bay Road.

Seventh Precinct: Bounded on the south by Central Avenue from its intersection with Deerfield Avenue, easterly to Green Bay Road then north on Green Bay Road to Elm Place then east on Elm Place to the railroad. On the east by the railroad and on the south by Deerfield Avenue. Polling place H. P. Fire Station.

Eighth Precinct: Bounded by Deerfield Ave. on the north, on the east by the railroad, on the south by the county line and on the west by township limits. Polling place Lincoln Ave. School.

Judicial Election

In addition to the county good roads bond issue election next Tuesday there will be a special election for Judge of the Circuit Court in the Seventh Judicial District to fill the vacancy caused by the recent death of Judge Frost. There are two candidates in the field, Robert K. Welsh, Independent and Frank H. Hall, Socialist, both of Rockford, Ill.

RESERVE MILITIA AT GRANT PARK SUNDAY

MADE SPLENDID SHOWING

Drills and Marching of North Shore Companies Attract Much Attention at Big Meeting

By Publicity Committee
The boys with a blue and white hat cord got their first order from headquarters Sunday. The order was to entrain to Chicago by special train from Highland Park, picking up on the way in, Companies A, B and D at Glencoe Winnetka and Wilmette. Arriving at the terminal they were formed in marching order under command of Major Hine and Colonel Seward the four companies marched to Grant Park, a spectator remarking "are these soldiers from Fort Sheridan."

The occasion of the order was the Liberty Mass meeting at the auditorium at which Governor Lowden was the principal speaker. At the gathering were also about 3000 Masons from all over the country, who marched in full uniform. It was a noticeable fact that the Chicago police were conspicuous by their absence and it was said by those who know that the Reserve Militia were called to Chicago as a precautionary measure against any demonstration that is so apt to occur in so large a gathering as the mass meeting at Grant Park. At the regular drill last Monday Captain Turpin and Lieutenant Company C on the execution of the maneuvers they were called on to perform at Grant Park.

Company C is making fast progress and is shifting men to positions in which they excel and is taking in new members constantly in the Reserve ranks.

Twenty members have signed for the rifle squad. They are all business men that have no time for practice, except Sunday. Commandant Moffett and Lieutenant Henry of the Naval Station have been so patriotic as to allow the squad to shoot at Foss Park on Sunday, but this being a holiday Lieutenant Henry has given them the range only for one hour in the morning, between 8 and 9 a. m. Rather early for rising on Sunday but the boys are not faltering on this account and the rifle practice will go on, rain or shine, snow or blow.

Inspection by the highest official of the First Regiment will be given to Company C next Monday at the high school gymnasium. Regular assemblies are Monday, and Thursday. Officers' school at the Purdy building every Wednesday.

MR. O'KEEFE, CHAIRMAN OF COUNTY AUXILIARY

Lake County Forms Organization to Aid State Council of Defense

A committee consisting of Theodore H. Durst, Waukegan, Peter McDermitt, Waukegan, John E. Barrett, Prairie View, Mrs. Fred L. Hatch, Spring Grove and John O'Keefe, Highland Park who were appointed by the State Council of Defense as the County Auxiliary of Lake County, met at the Town Hall, Libertyville Tuesday last and organized by electing John O'Keefe, chairman and Theodore H. Durst, secretary.

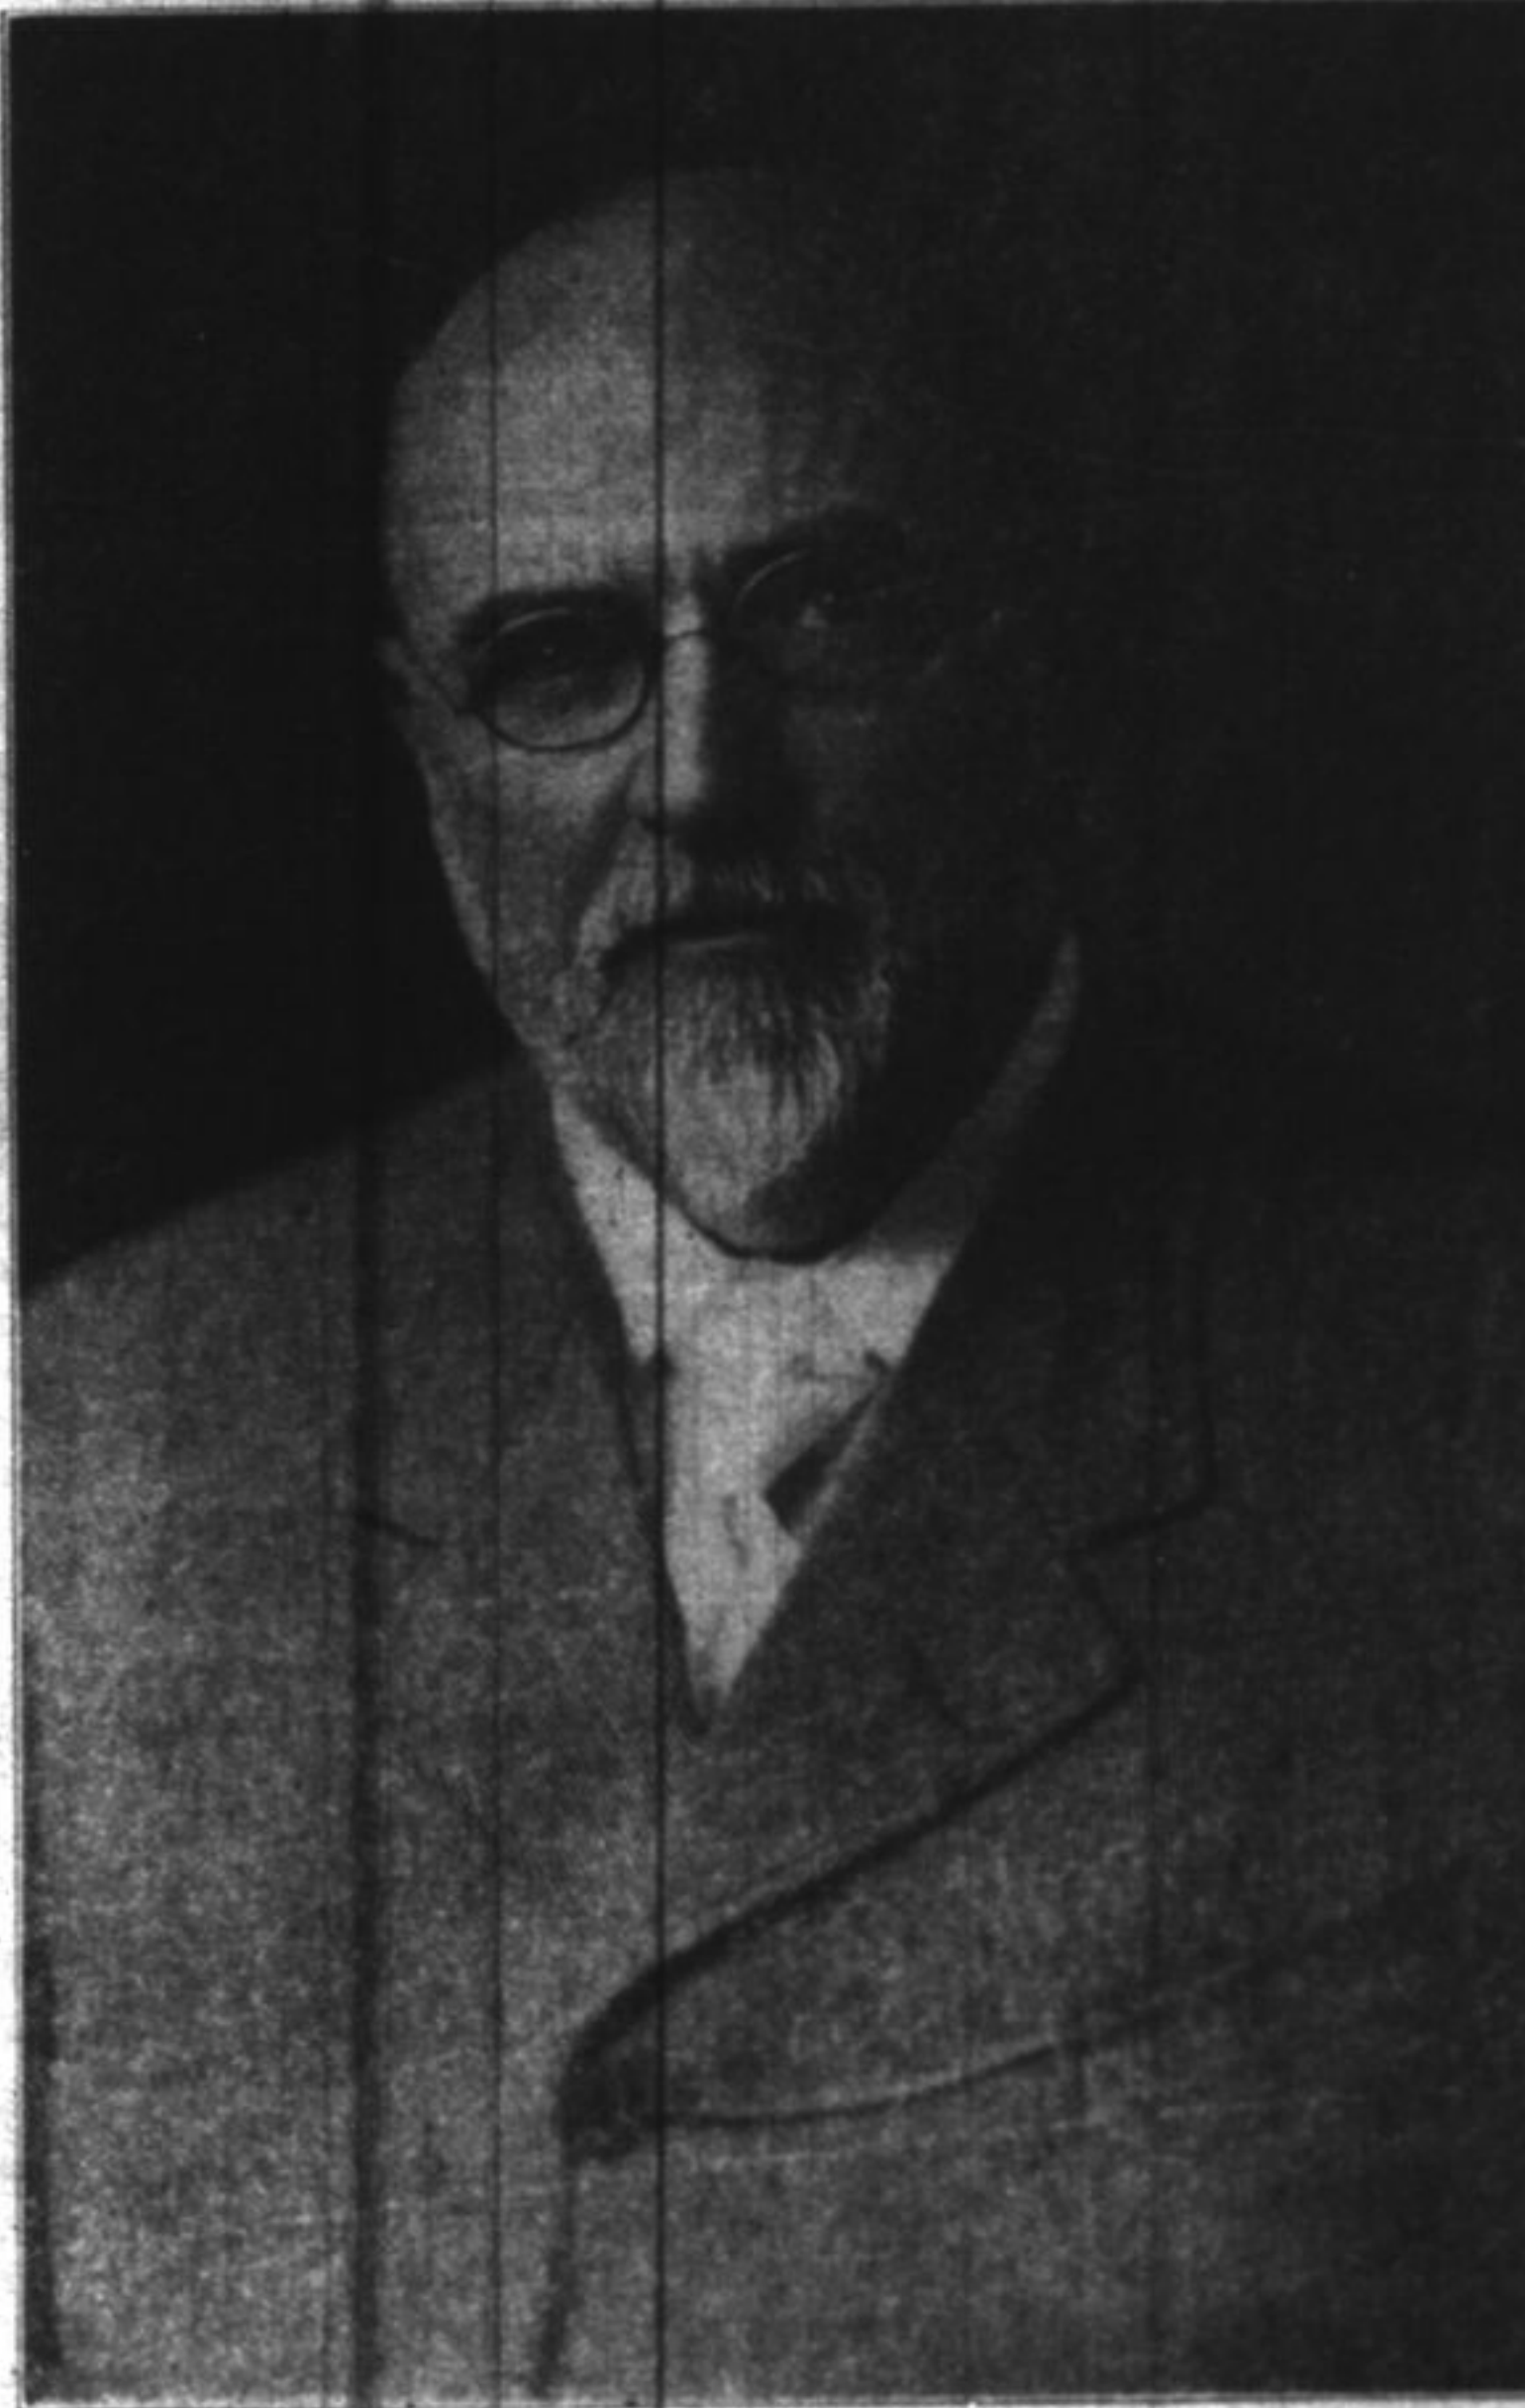

The duties of this Committee as outlined by the State Council of Defense, are as follows:

"It shall be the duty of the County Auxiliary Committee of the State Council of Defense to execute through the state all of the Council's instructions; to supervise all lines of activity; to coordinate the work of existing organizations whether for relief, defense or intelligence; to keep the Council thoroughly informed as to all matters which in their opinion will bear on this work; to make surveys of the counties' industries and conditions as from time to time may be called for; to appoint sub-committees for the proper execution of the various activities of the Council, and transact all other business of the Council as directed."

This committee stands ready to cheerfully cooperate with, and assist all existing organizations looking toward a speedy and complete victory for American arms.

WALTER CRAIG HATELY

Born September 5, 1848 Died October 19, 1917

Funeral services for Walter Craig Hately, prominent packer, commission and export broker, who died in his automobile Friday as the motor was passing through Evanston on the way to his home in Highland Park, were held Sunday afternoon at 1:45 o'clock from Trinity Church. Mr. Hately was born in Durham County, England on September fifth 1848. As a lad of fourteen he went to sea, for nine years, going then to Brantford, Canada, entering the export business. In 1882 he came to Chicago and entered partnership with his brother John C. Hately who organized the business in 1873. He came to live in Highland Park in 1902.

CO-OPERATE WITH POLICE DEPARTMENT

Acting Marshall, John R. Grant Asks that a Light be Kept Burning in Business Houses

Residents of Highland Park are hereby requested to assist the police department in the prevention and suppression of robberies and other acts of vandalism.

Many times the conditions around a residence or place of business are such as to invite robberies and then if an arrest is not made or plunder recovered the police are censured. Lights should be kept burning at night in all places of business and front shades or window back grounds should be open so as to give the officers an opportunity to see into the store.

All back doors and windows should be securely fastened and transoms kept locked.

If you see anything suspicious in the actions of strangers after reasonable hours or notice anything unusual in any neighborhood call No. 1 and report.

By using ordinary judgement and precaution you may be the means of preventing the robbery of yours or your neighbors home or place of business.

Proper cooperation will reduce robberies to the minimum.

John R. Grant, Acting Marshal

OVER THE TOP WITH A LIBERTY LOAN BOND

Three Boy Scouts Make Raid on Railroad Men's Home and Secure Large Subscriptions

Masters Dean, Sanderson and Tremaine, three boy scouts swarmed "over the top" Saturday afternoon at the Railroad Men's Home and secured subscriptions to the Liberty Loan of two thousand dollars from Manager O'Keefe, fifty dollars from Mrs. O'Keefe, one hundred dollars from Engineer Benj. Shifflet and one hundred dollars from Joseph Martin, one of the inmates. The boys say "that is going some."

DRAMATICS, DRILLS, DANCING TOMORROW

ENTERTAINMENT at D. S. H. S.

One Act Play, Fairy and English Folk Dances, Exhibitions of Butts Manual and Bayonet Drills in Program

Dramatics, drills and dancing will be the order of the evening Friday, tomorrow, when the Deerfield-Shields High School will open its doors to the public to the first big entertainment of the year. The dramatics part of the program will be a one act play, "The Military Ball", with Hamilton Quayle/Bowen Schumacher, Leonard Bird, Dorothy Hyde, Evelyn Poote and Helen Driscoll. Miss Caroline Medders the new public speaking teacher at the high school is in charge of the producing of the play. Miss Medders has made a study of dramatics with Miss Julia Mallove and at the Kansas State Normal School.

The drills will be given by the cadet corps, who will go through the Butts Manual with music and give an exhibition of the famous bayonet drill.

The dancing part of the entertainment will consist of two parts. A heavy of graceful high school girls will give a program of fairy dances and English country dances. The other dancing part of the program will take place in the boys gymnasium following the entertainment when guests of the evening will be invited "to trip it lightly as you go, on the light fantastic toe"

The entertainment will benefit the cadet corps and the band. This year has seen quite an increase in the numbers of cadets and this of course means greater need of uniforms and instruments are needed. The teachers and students are expecting a full house for the occasion.

BOY SCOUTS COLLECT \$45,000 IN LIBERTY BONDS

Hugh Water Baldwin Gets Largest Number of Subscriptions

The Boy Scouts of Highland Park are carrying on a wonderfully successful Liberty Bond campaign, which started Saturday, October 20 and will continue until Saturday, Oct. 27. The tireless energy and enthusiasm of the boys and the results achieved is remarkable. Up to last evening subscriptions were signed up amounting to \$45,000. Hugh Baldwin of Lake Ave. leads the scouts both in the number of subscriptions and the amount.

Ralph A. Bard the scoutmaster wishes to thank the people of Highland Park for their cooperation and their treatment of the scouts. Many subscribers have testified to the manliness and businesslike courtesy shown by the scouts in this work and aside from the patriotic results obtained believe it has been a fine experience both for the Boy Scouts and the subscribers. Two days of the campaign yet remain and if you have not subscribed let a Boy Scout have your order.

Up to date there have been 445 subscriptions taken by the boys.

SECOND MASS MEETING NEXT TUESDAY EVENING

Highland Park Defense Council Plans for Patriotic Affair at Presbyterian Church

Here, Gentle Reader is a chance, or shall we say another chance to do your part in the great struggle. Attend the second Great Mass Meeting to be held under the auspices of the Highland Park Defense Council. Next Tuesday evening the Presbyterian Church will be all lit up for that is the place where the Mass Meeting will be held. Sgt. H. Baldwin of the Canadian Expeditionary Forces will speak on "Trench Life." Other speakers will be selected, but up to the time of going to press the names have not been reported on. The public can rest assured however, that very interesting messages will be given from personal experiences. Music will be furnished by a number of Jackies from the Great Lakes Station. Those attending will join in patriotic singing.

CHANCE TO HELP GOOD ROADS NOW UP TO VOTER

ELECTION NEXT TUESDAY

Vote Yes for the Bond Issue and You Vote for Progress, Economy and Development

We believe that thorough investigation of the Lake County Good Roads Bond Issue will convince the voters of this community, who are willing to be convinced, that the plan is not alone feasible but the only means whereby we may hope to secure a permanent system of roads at this time and meet a definite military necessity at the same time.

The principal question for the taxpayer to consider is not "How Much will I use the roads?" but rather "Will the construction of the proposed hard surfaced roads save me money?"

A careful study of the estimated costs of the bond issue roads and present price of maintenance which appears in the Handbook of Lake County Hard Roads published by the Central Good Roads Committee, tells the story of Lake County's Bond issue and will convince any fair-minded taxpayer that the success of the bond issue will mean a saving of men money and material.

This plan will prove a large contribution toward winning the war and is fundamental to the efficient operation of the County's necessary activities and as such is heartily endorsed by the National and State Council of Defense.

Where, at the present time the local townships are carrying the whole load of taxation through their road and bridge and gravel taxation, the County Bond Issue provides that the most important roads north and south, and east and west shall be built of concrete at the expense of the entire county and maintained forever by the state.

All the main roads in the county could not be included in the County Bond Issue but are provided for by other means.

Milwaukee avenue and a road from Barrington to Lake Forest are to be built under the state wide bond issue plan. With the refund from the state on north Sheridan Road and Belvidere road the county has passed resolutions to improve Rand Road through Elia and Wauconda and complete the Fox Lake road through Warren, Lake Villa and Grant.

The Fox Lake road is already a state aid road and Rand road will be made a state aid road provided the bond issue carries.

This extensive good roads mileage is not provided for under any other plan which has or may be proposed. A vote against the bond issue is therefore a vote against such improvement and no one who has the best interests of the entire county at heart can conscientiously be against such a program—nor will they.

It is up to you—men and women of Lake County—to get out to the polls yourself and get your friends and neighbors out to VOTE YES.

Vote yes for the bond issue and you vote for progress, economy and development. You cannot vote against the bond issue and still be for the best interests of Lake County. Vote yes on next Tuesday, the 30th, and give our county a boost.

MASS MEETING FOR ROAD BOND ISSUE

To be Held at Deerfield Shields High School Auditorium Saturday Evening

There will be a mass meeting held in the auditorium of the High School on Saturday evening, Oct. 26th, at eight o'clock, to discuss the Lake County bond issue for the new good roads system to be voted upon Tuesday, the 30th. The meeting will be addressed by Mr. Wm. G. Edens and Mr. Robert W. Dunn, president and vice president of the Chicago and Cook County Roads Association. It is hoped that a large attendance will be present so that the voters may have a clear understanding of the issue to be voted upon. Messrs Edens and Dunn are probably the two best posted men on the good road question in this state, and it is largely through the efforts of these gentlemen that the good road movement has gained such an impetus in Illinois.
