**THE USE OF POWERFUL DRUGS WHEN TESTING THE EYES FOR GLASSES IS DANGEROUS**

There is ample authority to prove that attacks of glaucoma (impairment of vision or ultimately blindness) have been caused by atropine, drops are claimed by some, necessary to relax the accommodation. Optometrists do this by the use of lenses, but their method does not paralyze the muscles, hence the eyes are being examined in their living functioning condition. This is more efficient, but not harmful, and this profession is advancing rapidly.

The testing of eyes for lenses is a mathematical and practical science, and has no more to do with medical education than religion has to do with the undertaker.

**HIGH SCHOOL NOTES**  
By the Students

In order to stimulate interest in the sale of the Liberty Loan Bonds among school students, the National Committee of Patriotic Societies is offering a fifty dollar "Liberty Bond" to the student in any secondary school, who writes the best essay on "Why There Should be a Liberty Bond in Every Home." About fifteen Juniors have signified their intention of entering themes in the competition. The subject and the patriotism underlying it furnish a firm foundation for a good theme, and we hope to see a D. S. H. S. student in proud possession of the above mentioned "Liberty Bond" before long.

This scribe's prediction that we would clean up Evanston in football combat, went wrong. Altho we easily outclassed the Gold Coast athletes in the first period, we were unable to hold them and they finally came thru to a 19 to 0 count. We are due to down Thornton H. S. at Harvey Saturday, November 3 and since they have suffered heavy losses in the high school drive of the last few weeks, we are sure to come away the winners. Our sturdy eleven can easily wipe up any opposing team of its own weight, we are willing to bet. After Thornton we are scheduled to meet New Trier on our grounds.

The school had the great pleasure of hearing Mr. Myron E. Adams on Monday. He is in charge of the recreation of the student officers training at Fort Sheridan. His most interesting talk was on "The Requirements Necessary for a Soldier."

**WITH THE BOWLERS**

The Highland Park bowling team will bowl in the Greater Chicago Tournament next Sunday.

There may be nothing in it but petty thieving appears to have decreased with the coming of the dollar watch and the dollar umbrella.

Buying a Liberty Bond is a promise to yourself to save your money.

**ELM PLACE SCHOOL**

The annual bulb sale for children began at Elm Place on Tuesday of this week. Paper white narcissus and some of the tulips and hyacinths are on hand and others are to come later. Some varieties of bulbs are very scarce this year. Hardly any of the larger daffodils and hyacinths have arrived and it may not be possible to supply them this year.

The boy scouts and various other pupils of the school have been talking Liberty Bonds this week. At the Monday morning assembly of all the pupils it was voted to buy at least one \$50 bond in the name of Elm Place School. The State Superintendent of Public Instruction, Mr. Francis G. Blair has sent out from his office at Springfield, an announcement which has been distributed among the pupils of Elm Place. Part of the announcement reads:

"Governor Lowden offers three United States flags to the schools, which will be instrumental in selling the largest number of bonds.

A flag from Governor Frank O. Lowden to the school with a total enrollment of 1,000 or more pupils, selling the greatest number of Liberty Bonds on a per capita basis.

A flag from Mrs. Frank O. Lowden to the school having an enrollment of 100 upwards to 1,000 pupils, selling the greatest number of Liberty Bonds on a per capita basis.

A flag from Miss Florence Lowden to the school having an enrollment of 100 pupils or less, selling the greatest number of Liberty Bonds on a per capita basis.

Flags will be forwarded by Governor Lowden."

The Imperial German Government does not want you to buy a Liberty Bond. The United States of America does want you to buy a Liberty Bond. Which will you please?
